

# Student Achievement/Growth List

Assessments of student growth will be completed at the district level using multiple measurement tools. Local boards of trustees will make the decisions regarding the assessments to be used from a list of possibilities.

- Statewide standards achievement test (e.g. Smarter Balanced Assessment)
- Student Learning Objectives (includes pre and post assessments)
- Formative assessments
- Teacher-constructed assessments of student growth
- Pre and Post Tests
- Performance-based assessments
- Idaho Reading Indicator
- PSAT/SAT
- District-adopted assessment
- End of Course exams
- ACT
- Advanced Placement Exams
- International Baccalaureate
- ISAT Science
- Professional-Technical Exams
