	Total Year 1 Extra Cost:	\$15,890,449

The present salary cohorts, shown above, go in different cells in year 0. As we progress through the transition, the cohorts generally stay intact, with some consolidation occurring at the top of the professional salary range. The transition is effected as the cohorts move to different cells in different years. The transition really takes 6 years, since year 0 is where we are now, and year 1 is where the transition begins.
