STATE BOARD TO ADDRESS FUNDING EQUITY ISSUE

Boise -- The State Board of Education will hold a special teleconference to discuss 2006 FY appropriations for Idaho's Colleges and Universities Friday, May 13 at 10:30 a.m. MST.

To listen to the meeting, call 612-332-0342.

At the April 22, 2005 meeting, the Board tabled a motion to allocate the FY 2006 appropriation, pending additional information regarding how to address legislative intent contained in the appropriation bill for College & Universities (HB 231). The intent language instructed the State Board of Education to begin a process of address funding equity with existing funds.
