EDUCATION TASK FORCE COMMUNITY FORUM

(Boise). The statewide Task Force for Improving Education will hold a Community Forum Wednesday, April 10th, from 6:30 – 9:00 p.m. in the Nampa High School Little Theatre, 203 Lake Lowell, Nampa, Idaho.

This is one of several community forums being held across the state in April.

The forum will provide information and seek input on K-12 education issues in Idaho. Task Force Chair and State Board of Education member Richard Westerberg will update participants on the progress of the Task Force, which has been meeting since January, and will share initial strategies and recommendations being discussed by the group.

“This is an opportunity for all stakeholders to learn about what the Task Force has been working on and to offer feedback and ideas about education in our state,” said Westerberg. *“We hope to get the input of a broad cross section of the public including parents, students, educators and civic leaders.”*

For a full list of dates and locations and for more information about the Task Force visit www.boardofed.idaho.gov/board_initiatives/Education_Improvement_Taskforce/taskforce_jump.asp.
