JANE DONNELLAN APPOINTED ADMINISTRATOR FOR DIVISION OF VOCATIONAL REHABILITATION

(Lewiston). The State Board of Education today appointed Jane Donnellan as the new Administrator of the Division of Vocational Rehabilitation. Donnellan has served as Acting and then Interim Administrator since December 2013.

Ms. Donnellan received her Master of Arts in Rehabilitation Counseling with an emphasis in Vocational Evaluation from the University of Northern Colorado in 1994. She was recruited by the Idaho Division of Vocational Rehabilitation following the completion of her graduate program. Donnellan has worked for the Division for the past 20 years. During her tenure with Vocational Rehabilitation, she has worked as a vocational counselor for 12 years, a regional manager for 5 years, and for the past three years as the Planning and Evaluation Manager.

"I look forward to continuing to work with the great staff of the Division, our partners and the business community to provide education, services, workforce preparation and employment placement for Idahoans with disabilities," said Donnellan.

"Jane has done a tremendous job as the interim administrator," said Idaho State Board of Education Executive Director Mike Rush. *"Her 20 years of experience and numerous positions within the Division have provided excellent preparation for the administrator position. She is well respected in the field and will provide administrative stability and progressive leadership for the Division of Vocational Rehabilitation."*
