BOARD TO MEET THIS WEEK IN POCATELLO

(Boise). The Idaho State Board of Education will meet on Wednesday and Thursday, August 13-14, 2014, in the Pond Student Union Building on the campus of Idaho State University in Pocatello.

Wednesday's work session will begin at 1:00 p.m. and will include reports from the four-year institutions on the results of their program prioritization work. In May 2013, the Board directed the four-year public institutions to conduct a program review process including all academic and non-academic programs and services to assess efficiency and effectiveness of their programs.

Thursday's meeting will begin at 8:00 a.m. The agenda includes the Agencies and Institutions Fiscal Year 2016 Line Item budget requests. The Board will also consider a Proposed Administrative Rule to implement the recommendations on teacher certification developed by the committee charged with developing the plan to implement the tiered licensure recommendation of the Governor's Task Force on Improving Education. Following the Board's action, the rule will be available for public comment. At the close of the 21 day public comment period the Board will consider the final language of the rule, which will then be forwarded to the legislature for consideration during the next session and if accepted go into effect in the spring of 2015.

The meeting will be streamed via the web at media.isu.edu.
