Idaho State Board of Education
GOVERNING POLICIES AND PROCEDURES
SECTION: VI. FINANCIAL AFFAIRS
Subsection: LR. Campus Security

August 2009 June 2014

1. An environment of safety and security is critical for institutions to cultivate a climate conducive to knowledge and learning. The Board recognizes a need for the consistency among the institutions in regard to firearms. All institutions shall allow concealed carry of firearms and ammunition by holders of licenses described in section 18-3309(2), Idaho Code under the conditions and limitations set out in that section. Any other possession of firearms on institution property is prohibited, unless allowed by the institution as part of a campus security plan, or as part of event or program, which has been approved by the chief executive office for the institution.

42. Each institution must develop a campus security plan to maintain the physical security of persons and property on the campus and in full cooperation with state and local law enforcement agencies.

23. Overall responsibility for campus security rests with the chief executive officer of the institution. Each chief executive officer must designate a senior administrative officer and an alternate to serve as liaison between the institution and state and local law enforcement agencies.
