SUBJECT: Recombitment to National Commission on Teaching and America s Future (NCTAF)

BACKGROUND:

In January 1998 the SBOE approved the state partnership with NCTAF and adopted the Commission s five general goals. The Board office submitted a grant request for teacher incentives to the J.A. and Kathryn Albertson Foundation in October 1998, which approved a grant of \$983,000 in December. In November 1998 the SBOE agreed to the formation of an Advisory Group composed of people with diverse viewpoints to manage the process. The Advisory Group then established the Teacher Policy and Teacher Standards Committees to manage specific tasks within the program.
