   Superintendent of Public Instruction Update to the State Board of Education

BACKGROUND/DISCUSSION
   Superintendent of Public Instruction, Sherri Ybarra, will provide an update on the State Department of Education.

BOARD ACTION
   This item is for informational purposes only. Any action will be at the Board’s discretion.
SUBJECT
Temporary Rule - IDAPA 08.02.02.111, Rules Governing Uniformity, Bullying, Harassment and Intimidation Prevention and Response.

REFERENCE
August 2015 Board approved proposed rule regarding bullying, intimidation, and harassment. The Proposed rule was not submitted for publication by the Department and the rulemaking was vacated.

APPLICABLE STATUTE, RULE, OR POLICY
Section 33-1631, Idaho Code

BACKGROUND/DISCUSSION
Section 33-1631, Idaho Code requires school districts and public charter schools to implement measures intended to prevent, identify and respond to bullying, harassment and intimidation. The requirements include:

- School districts and charter schools annually disseminate information to school personnel, parents and students information on harassment, intimidation and bullying;
- Ongoing professional development to school staff to prevent, identify and respond to bullying, harassment and intimidation;
- Requirement that district policies include graduated consequences for these types of incidences; and,
- Requirements that school districts and charter schools report annually regarding these incidences.

Additionally, the statute requires the Board establish the provision of ongoing professional development, district policy guidelines, and the manner in which bullying incidents are to be reported to the State Department of Education through the promulgation of administrative rules.

Attachment 1 - Temporary Rule – Bullying, Harassment, and Intimidation Prevention and Response

STAFF COMMENTS AND RECOMMENDATIONS
Section 33-1630 [33-1631], Idaho Code requires school districts and charter schools to "undertake reasonable efforts to ensure that information on harassment, intimidation and bullying of students is disseminated annually to all school personnel, parents and students, including an affirmation that school personnel are authorized and expected to intervene or facilitate intervention on behalf of students facing harassment, intimidation or bullying" and provide ongoing professional development to all staff members to prevent, identify and respond to harassment, intimidation and bullying."
Temporary rules go into effect at the time of Board approval unless an alternative effective date is specified by Board action. To qualify as a temporary rule, the rule must meet one of three criteria: provides protection of the public health, safety, or welfare; or is to come into compliance with deadlines in amendments to governing law or federal programs; or is conferring a benefit. This rule qualifies as temporary rules as it brings Administrative Code in compliance with Section 33-1630, Idaho Code.

This rule will need to be followed-up with a proposed rule after the close of the legislative session. The proposed rule will need to go through the negotiated rulemaking process and will be brought back to the Board for approval at a later date. Staff recommends approval.

BOARD ACTION
I move to approve the Temporary Rule amendment to IDAPA 08.02.02, creating a new section 111, Rules Governing Uniformity - Bullying, Harassment and Intimidation Prevention.

08.02.02 - RULES GOVERNING UNIFORMITY

111. BULLYING, HARASSMENT AND INTIMIDATION PREVENTION AND RESPONSE.

01. School districts and charter schools shall make reasonable efforts to ensure that information on harassment, intimidation and bullying of students is disseminated annually to all school personnel, parents and students.

02. The content of ongoing professional development for school staff related to bullying, harassment and intimidation shall include:

   a. School philosophy regarding school climate and student behavior expectations.
   b. Definitions of bullying, harassment, and intimidation.
   c. School prevention strategies or programs including the identification of materials to be distributed annually to students and parents.
   d. Expectations of staff intervention for bullying, harassment, and intimidation.
   e. School process for responding to bullying, harassment, and intimidation including the reporting process for students and staff, investigation protocol, the involvement of law enforcement, related student support services and parental involvement.
   f. Other topics as determined appropriate by the school district or charter school.

03. Graduated consequences for a student who commits acts of bullying, harassment, and intimidation shall include a series of measures proportional to the act(s) committed and appropriate to the severity of the violation as determined by the school board of trustees, school administrators, or designated personnel depending upon the level of discipline. Graduated consequences should be in accordance with the nature of the behavior, the developmental age of the student, and the student’s history of problem behaviors and performance.

   a. Graduated consequences may include, but are not limited to:
      i. Meeting with the school counselor;
      ii. Meeting with the school principal and student’s parents or guardian;
      iii. Detention, suspension or special programs; and,
      iv. Expulsion.

   b. The graduated consequences are not intended to prevent or prohibit the referral of a student who commits acts of harassment, intimidation or bullying to available outside counseling services, and/or to law enforcement pursuant to section 18-917A, Idaho Code.

   c. Students with disabilities may be afforded additional protections under the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act; school districts and charter schools
shall comply with applicable state and federal law when disciplining students with individualized education programs (IEPs) or 504 plans for committing acts of bullying, harassment, and intimidation.

04. School district and charter school employees are authorized and expected to intervene or facilitate intervention on behalf of students facing harassment, intimidation, and bullying. Intervention shall be reasonably calculated to:

   a. Correct the problem behavior; ( )
   b. Prevent another occurrence of the problem; ( )
   c. Protect and provide support for the victim of the act; and ( )
   d. Take corrective action for documented systemic problems related to harassment, intimidation, or bullying. ( )

05. Annual reporting will occur at the end of the school year through an aggregate report identifying the total number of bullying incidents by school districts and charter schools, grade level, gender, and repeat offenders. The State Department of Education shall provide school districts and charter schools with the guidelines and forms for reporting. ( )

APPLICABLE STATUTE, RULE, OR POLICY

BACKGROUND/DISCUSSION
In 1972, the Idaho Legislature established the Professional Standards Commission which combined the Professional Practices Commission, established by the State Legislature in 1969, with the Professional Standards Board, an advisory board appointed by the State Board of Education. The Professional Standards Commission was thereby created as a commission appointed by the State Board of Education and housed in the Department of Education. The Commission consists of 18 constituency members comprised of seven (7) teachers, four (4) school administrators, three (3) public higher education personnel, plus one (1) representative each of private higher education institutions, the State Department of Education, the Division of Professional-Technical Education, and the State School Boards Association. Members are appointed or reappointed for terms of three (3) years.

The Professional Standards Commission publishes an annual report following the conclusion of each fiscal year to advise the State Board of Education regarding the accomplishments of the commission.

IMPACT
This report advises the State Board of Education regarding the accomplishments of the Professional Standards Commission at the conclusion of each fiscal year.

Attachment 2 – PSC Current Membership Page 19

STAFF COMMENTS AND RECOMMENDATIONS
Section 33-1252, Idaho Code, created the Professional Standards Commission. The commission is made up of 18 members appointed by the State Board of Education. Membership is made up of individuals representing the teaching profession in Idaho, including a staff person from the Department of Education and the Division of Professional-Technical Education. No less than seven members must be certificated classroom teachers, of which at least one must be a teacher of exceptional children and one must serve in pupil personnel services. In addition to making recommendations regarding professional codes and standards of ethics to the State Board of Education, the Commission investigates complaints regarding the violation of such standards and makes
recommendations to the Board in areas of teacher education, teacher certification and teaching standards.

Due to agenda material production timelines there is one sentence on page 7 of the report regarding “approval” of due process hearings that is in error. Board staff has worked with Department staff to amend the reference going forward. Section 33-1208, Idaho Code, states “Any person whose certificate may be or has been revoked, suspended or denied under the provisions of this section shall be afforded a hearing according the provisions of Section 33-1209, Idaho Code,” there is not an “approval” requirement.

## APPENDIX

| Appendix: Fiscal Year 2015 Budget Expenditures                         | 16   |
INTRODUCTION

The Professional Standards Commission was established by the legislature as provided in Sections 33-1251 through 33-1258, Idaho Code. It is an 18-member body comprised of 7 teachers, 4 school administrators, 3 public higher education personnel, plus 1 representative each of private higher education institutions, the State Department of Education, the Division of Professional-Technical Education, and the Idaho School Boards Association.

Under Idaho Code, the Professional Standards Commission is charged with the three basic categories of responsibility listed below. 1) The Commission adopts professional codes and standards of ethics, conduct, and professional practices applicable to certificated employees; 2) it inquires into and, if warranted, provides hearings on charges of improper conduct; and 3) it makes recommendations concerning teacher education, teacher certification, and standards. Items 1) and 3) are subject to final approval by the State Board of Education.

During the 2014-2015 academic year, the following persons served as members of the Professional Standards Commission:

1. Clara Allred Twin Falls SD #411
2. Margaret Chipman Weiser SD #431
4. Dr. Deborah Hedeen Idaho State University
5. Esther Henry, Chair Jefferson County Joint SD #251

PROFESSIONAL PRACTICES ACTIVITIES

Under Section 33-1208, Idaho Code, the Professional Standards Commission has the ultimate responsibility for suspending or revoking certificates for educator misconduct. The Professional Standards Commission, under 33-1209, Idaho Code, is charged with the responsibility of securing compliance with standards of ethical conduct. The chief certification officer of the State Department of Education/administrator of the Professional Standards Commission advises the Commission Executive Committee of the circumstances of a case, suggesting a possible need for action to be taken against a certificate. If a due process hearing is requested, the State Superintendent of Public Instruction grants approval for a hearing to be held.

During the 2014-2015 academic year time period, the Professional Standards Commission opened 54 cases of educator ethical misconduct. The administrator also provided technical assistance to districts in which educator misconduct or related problems were an issue, with a consistent recommendation that districts use legal counsel to help determine a course of action. During that same time period, the following cases were disposed of as indicated:

STATE/NATIONAL APPROVAL OF EDUCATOR PREPARATION PROGRAMS

The State Board of Education requires all educator preparation programs to be evaluated on a seven-year cycle. This evaluation occurs through a concurrent on-site visit by a CAEP (Council for the Accreditation of Educator Preparation) team and a state team. The CAEP team evaluates the unit, and the state team evaluates respective content area disciplines.

Under the direction of the administrator of the Professional Standards Commission, the state evaluation team utilizes the CAEP/Idaho protocol and conducts educator preparation program evaluations. While all educator preparation programs are subject to a state evaluation, CAEP evaluations are optional. All Idaho educator preparation institutions, except The College of Idaho and BYU-Idaho, choose to undergo a CAEP program evaluation. All Idaho educator preparation programs, however, must address both state and CAEP standards when preparing for on-site educator preparation program reviews.

The official vehicle for the approval of existing educator preparation programs in Idaho is the CAEP/Idaho partnership agreement. State standards for evaluating educator preparation programs are those approved by the State Board of Education effective July 1, 2013, and found in the Idaho Standards for Initial Certification of Professional School Personnel manual.

Northwest Nazarene University

A state/CAEP on-site program review visit was held at Northwest Nazarene University on February 28 – March 3, 2015. The team reports from that on-site visit were subsequently submitted for Commission and State Board of Education approval consideration sometime after the 2014-2015 academic year.
COMMITTEE WORK

1. Commission members were kept informed of the status of work (participation of triads; implementation of Individualized Professional Learning Plans or IPLPs and Common Summative Assessments; number of pre-service educators on whom data was collected, etc.) associated with the Network for Transforming Educator Preparation (NTEP) grant to Idaho for the state to participate in a two-year pilot that focused on transforming educator preparation and entry systems to the profession.

2. In order to ensure consistency among institutions, the Commission, through its Standards Committee, received the following clarification of the process for higher education institutions to add endorsements to Idaho teaching certificates:

   If an individual is currently certified and wishes to add an endorsement in a new content area, the institution can work with the individual to provide evidence of content, pedagogy, and performance. For endorsements only, the institution can do so regardless of whether it has a Department of Education-approved program in the new content area or not. (For initial certification, the institution must have a Department of Education-approved program in the content area.) If the individual is currently employed in the new content area, the school district and the higher education institution can work on a plan for alternative certification, and the district is required to provide supervision. A higher education institution can accept this as evidence of performance if it deems the evidence as appropriate.

3. During the academic year, the Commission was updated on The Hub (Department of Education website component that directed educators to any professional development program/service provided by the department); Family Advocates (a private, independent, non-profit agency serving ten counties in southwest Idaho to protect and enrich the lives of youth through working to strengthen families and keep youth safe by empowering everyday people); the ProEthica Program (educator ethics training and assessment tool) of Educational Testing Service (ETS); the moral and ethical work of teaching and teacher education (research conducted by two Idaho higher education faculty members); and addiction intervention and recovery services offered by the Idaho Board of Nursing for nursing professionals.

4. The Commission passed the Standards Committee's recommendation to conditionally approve the newly proposed Boise State University Master's in Teaching (MIT) in Special Education program.

5. The Commission funded the participation of various Commission staff members in the National Association of State Directors of Teacher Education and
Certification (NASDTEC) Professional Practices Institute (PPI); the NASDTEC Winter Symposium; the NASDTEC Annual Conference; and the Idaho State Prevention and Support Conference.

6. Commission staff conducted one ethics hearing during the 2014-2015 academic year.

8. The Commission approved revisions to the *Professional Standards Commission Procedures Manual*.

9. The Commission passed the Standards Committee's recommendation to approve the Computer Science standards.

10. The Commission passed the Standards Committee's recommendation to approve the Engineering standards.

11. The Commission passed the Standards Committee's recommendation to conditionally approve the Boise State University newly proposed STEM Engineering endorsement program.

12. The Commission passed the Standards Committee's recommendation to conditionally approve the Boise State University newly proposed Master's in STEM: Computer Science endorsement program.

13. The Commission passed the Standards Committee's recommendation to approve the Communication Arts Foundation Standards as proposed/revised.

14. The Commission funded Idaho's annual $4,000 membership in NASDTEC and Idaho's $3,977 membership in CAEP.

15. The Commission passed the Standards Committee's recommendation to approve the Speech and Debate Standards as proposed/revised.

16. The Commission passed the Standards Committee's recommendation to approve the Journalism Standards as proposed/revised.

17. The Commission passed the Standards Committee's recommendation to approve the Deaf/Hard of Hearing Standards as proposed/revised.

18. The Commission passed the Standards Committee's recommendation to approve the revised School Social Worker Standards with one substantive modification of changing the word "challenges" to "considers" in Standard 8, Performance 1.
19. The Commission passed the Standards Committee's recommendation to conditionally approve the Boise State University newly proposed Master's in Teaching (MIT) Early Childhood program.

20. The Commission passed the Standards Committee's recommendation to conditionally approve the Idaho State University newly proposed Math Consulting Teacher endorsement program.

21. The Commission passed the Standards Committee's recommendation to conditionally approve the Lewis-Clark State College Online Teacher endorsement program.

22. The Commission passed the Standards Committee's recommendation to approve the Health Standards as proposed/revised.

23. The Commission passed the Standards Committee's recommendation to approve the Physical Education Standards as proposed/revised with the following recommended substantive changes: Standard 5, Performance 4: change "stimulates" to "fosters"; Standard 5, Performance 6: change "demonstrate personal competence and effective performance" to "facilitates technical demonstration and effective performance."

24. The Commission passed the Standards Committee's recommendation to approve revisions to the Blind/Visually Impaired and the Deaf/Hard of Hearing Standards as submitted by the standards review teams.

25. The Commission funded regional career fairs in Nampa, Coeur d'Alene, and Moscow; the fairs provided an opportunity where teacher education candidates could meet with district superintendents who were seeking to fill teaching positions within their districts.

26. The Commission passed the Standards Committee's recommendation to approve the adoption of the American Sign Language, Latin, and Mandarin Chinese Praxis II tests and their multi-state standard cut scores as additional avenues for candidates to demonstrate expertise for the World Languages endorsement.

27. The Supervisor/Coordinator of Special Education endorsement, with legislative approval, was eliminated; there were no standards for the endorsement or defined roles and responsibilities differentiating the position from the Special Education Director or Special Education Consulting Teacher.

28. In a ballot election for 2015-2016 Commission officers, Esther Henry was elected chair and Mikki Nuckols was elected vice-chair.

STAFF COMMENTS AND RECOMMENDATIONS
The Board office and the Department have been contacted by HCS Strategists (Be A Learning Hero) regarding resources that are available for parents to increase their understanding of the statewide assessment as well as resources for making improvements to Idaho’s score report that goes out to parents. Erica Felker of HCM Strategists has been working with other states to conduct research around parent score reports for either of the assessments developed by the Smarter Balanced Assessment Consortium (SBAC) or the Partnership for Assessment of Readiness for College and Careers (PARCC) group and has volunteered to help Idaho in conducting parent groups to gather feedback on potential changes to Idaho’s Parent Score Report. Board and Department staff have been in conversations with Ms. Felker on how we might be able to use their assistance in Idaho. Her group has provided state specific research for a number of other states that has helped them to enhance their parent score reports, making them more meaningful to parents. Some of their work may be viewed at the Be A Learning Hero website located here: http://bealearninghero.org/family-guide-smarter-balanced. Any assistance would be at no charge to Idaho as the research is funded through grants that her organization has received.
