SUBJECT
Appointment of Johanna Hale to Audit Committee

APPLICABLE STATUTE, RULE, OR POLICY
Governing Policies and Procedures V.H.
Board Bylaws I.F.4.b.

ALIGNMENT WITH STRATEGIC PLAN
Audit Committee membership is a non-strategic, Board governance agenda item.

BACKGROUND/DISCUSSION
Board Bylaws provide that the Audit Committee members shall be appointed by the Board and shall consist of five or more members. Three members of the Committee shall be current Board members and at least two members shall be independent, non-Board members who are familiar with the audit process and permanent residents of the state of Idaho. Members may be reappointed. Johanna Hale, Director of Internal Audit at J.R. Simplot Co., has been nominated to replace Brent Moylan, who recently resigned from the Committee. Ms. Hale’s curriculum vitae is provided at Attachment 1.

IMPACT
Ms. Hale is well-qualified to serve as a non-Board member of the Audit Committee, and should be an excellent addition to the team. The Audit Committee reviewed the candidate’s credentials, met with the candidate, and confirmed that she will meet the requirements established for Committee members within Board bylaws, including:

No employee of an institution or agency under the governance of the Board shall serve on the Audit Committee. Each Audit Committee member shall be independent, free from any relationship that would interfere with the exercise of her or his independent judgment. Audit Committee members shall not be compensated for their service on the committee, and shall not have a financial interest in, or any other conflict of interest with, any entity doing business with the Board, or any institution or agency under the governance of the Board.

The Audit Committee members voted unanimously to recommend Ms. Hale’s appointment to the Committee.

ALIGNMENT WITH STRATEGIC PLAN
Idaho K-20 Public Education Strategic Plan Goal 2, Innovation and Economic Development, Objective D, Education to Workforce Alignment

BACKGROUND/DISCUSSION
WWAMI Contract dated October 14, 1975, which reads, "The University of Washington's Admissions Committee which reviews Idaho candidates shall include at least one member from Idaho who is mutually acceptable to the Idaho Board and to the University of Washington. The University of Washington will have final authority for acceptance or rejection of Idaho program candidates."

The Idaho WWAMI Admissions Committee consists of four physicians from Idaho who interview Idaho students interested in attending the University of Washington School of Medicine. The members of the Idaho WWAMI Admissions Committee serve three-year terms which are renewable once for an additional three years. The terms of the members are staggered so there are always senior members on the committee. Idaho physicians currently serving on the committee are: Dr. Rodde Cox of Boise, Dr. Lance Hansen of Montpelier, Dr. Robert McFarland of Coeur d'Alene, and Dr. Jennifer Gray of McCall. See committee member terms and rotation schedule in Attachment 2.
Dr. Rodde Cox of Boise will be replaced by Dr. Cynthia Robison Hayes of Boise.

The Idaho Admissions Oversight Nominating Committee consisting of the first-year Idaho WWAMI Director, the Idaho WWAMI Assistant Dean, Idaho State Board of Education Chief Academic Officer, the Idaho Admissions Committee Chair, and a member of the Idaho Medical Association Committee on Medical Education Affairs, reviewed the curriculum vitae (CV) of Dr. Hayes, taking into consideration, among other things, the desire for a geographically diverse committee membership, and a goal of not having more than one sub-specialist on the committee and unanimously support the appointment as a new member of the Idaho Admissions Committee.

IMPACT
Admissions interviews take place in Boise over two separate weeks January – March. It is imperative that the committee have the full four-person membership in place by July 2018 to allow Dr. Hayes time to orient and train prior to the beginning of interview season in January, 2019.

APPLICABLE STATUTE, RULE, OR POLICY
Idaho State Board of Education Governing Policies & Procedures, Sections 33-1201 and 33-1203, Idaho Code

ALIGNMENT WITH STRATEGIC PLAN
Goal 1: A Well Educated Citizenry, Objective D, Quality Education
Goal 4: Effective and Efficient Educational System, Objective A, Quality Teaching Workforce.

BACKGROUND/DISCUSSION
Seven (7) emergency provisional applications were received by the State Department of Education from the school districts listed below. Emergency provisional applications allow a district/charter to request one-year emergency certification for a candidate who does not hold a current Idaho certificate/credential, but who has the strong content background and some educational pedagogy, to fill an area of need that requires certification/endorsement. While the candidate is under emergency provisional certification, no financial penalties will be assessed to the hiring district.

**Boundary County School District #101**
- **Applicant Name:** Westbrook, Kristina
- **Content & Grade Range:** All Subjects K-8
- **Educational Level:** AA – General Studies 5/2016
- **Declared Emergency:** November 13, 2017, Boundary County School District Board of Trustees declared an emergency area of need exists for the 2017-2018 school year.
Summary of Recruitment Efforts: Boundary County School District had a teacher resign 10/9/2017 due to family matters. They brought in a long term sub, Ms. Westbrook. She was interested in certification and has enrolled in a program at Lewis Clark State College. She is scheduled to do her student teaching in Fall 2018.

Emmett School District #221
Applicant Name: Morrison, Shelbi
Content & Grade Range: Special Education Consulting Teacher K-12

Summary of Recruitment Efforts: Due to an increase in student behavioral concerns and needs in both general and special education, Emmett School District has created a new position called Behavior Intervention Specialist. After review with Dr. Charlie Silva, it was agreed that the responsibilities match that of the Special Education Consulting Teacher endorsement. Dr. Silva confirmed that this endorsement does not allow the candidate to instruct students. She further added that the district and candidate need to familiarize themselves with billing requirements in the School Based Medicaid Handbook and the Idaho Training Clearinghouse.

Idaho Science and Technology Charter School #468
Applicant Name: Lee, Shanna
Content & Grade Range: All Subjects K-8
Educational Level: BA, Health/PE 1992

Summary of Recruitment Efforts: Idaho Science and Technology Charter had 4 vacancies to start the year. Ms. Lee holds a bachelor’s degree and is willing to enroll in ABCTE for Summer 2018.

Idaho Science and Technology Charter School #468
Applicant Name: Paxman, Rachelle
Content & Grade Range: All Subjects K-8
Educational Level: BA, Recreational Management, minor Psychology  
Summary of Recruitment Efforts: Idaho Science and Technology Charter had 4 vacancies to start the year. Ms. Paxman holds a bachelor's degree and is willing to enroll in ABCTE for Summer 2018.  

Joint School District #002  
Applicant Name: Kehn, Rebecca  
Content & Grade Range: Health 5-9  
Educational Level: MA in Teaching, BA - English, currently certified English 6-12  
Summary of Recruitment Efforts: Joint School District #2 received the resignation of a teacher on July 4, 2017. The schedule was filled with current staff. Ms. Kehn was the most qualified. There is no intention of a plan that would lead to a Health endorsement at this time.  

Kimberly School District #414  
Applicant Name: Mueller, Rachelle  
Content & Grade Range: All Subjects K-8  
Summary of Recruitment Efforts: Rachelle was enrolled in ABCTE for the 2016-17 school year, but was unable to complete all of the components. After re-evaluation of her plan she has decided to change to Western Governors University. Unfortunately, she is unable to enroll in the teacher preparation program or obtain a plan until she completes pre-requisite coursework. She will work on pre-requisites this school year and anticipates enrollment for 2018-19 school year in the teacher preparation program.  

Wendell School District #232
Applicant Name: Mitchell, Danielle  
Content & Grade Range: Mathematics 6-12  
Educational Level: 42 credits based on August 2017 transcript  
Summary of Recruitment Efforts: Wendell School District had three interviews. One candidate was certified but took another position within the district. The second applicant was certified but was not a good fit. Ms. Mitchell was the best fit for the district. She is currently enrolled in Western Governors University and will do her student teaching in January of 2019.  

IMPACT  
If the emergency provisional certificate is not approved, the school district will have no certificated staff to serve in the position and funding could be impacted.  

STAFF COMMENTS AND RECOMMENDATIONS  
Pursuant to Section 33-1201, Idaho Code “every person who is employed to serve in any elementary or secondary school in the capacity of teacher, supervisor, administrator, education specialist, school nurse or school librarian shall be required to have and to hold a certificate issued under the authority of the State Board of Education….” Section 33-1203, Idaho Code, prohibits the Board from authorizing standard certificates to individuals who have less than four (4) years of accredited college training except in occupational fields or emergency situations. When an emergency is declared, the Board is authorized to grant one-year provisional certificates based on not less than two (2) years of college training. The two year minimum requirement could be interpreted to mean the individual has attended a postsecondary institution without regard to the number of credits taken each year, however, the intent of the two year requirement is that the individual attended full time for two or more years. The Board defines a full time student as a student taking 12 or credits (or equivalent) per semester pursuant to Board policy III.P.7. Full-Time Students.  

Section 33-512, Idaho Code, defines substitute teachers as “as any individual who temporarily replaces a certificated classroom educator…” Neither Idaho Code, nor administrative rule, limits the amount of time a substitute teacher may be employed to cover a classroom. In some cases, school districts may use an individual as a long-term substitute prior to requesting provisional certification for the individual.  

The Department receives applications from the school districts for requests for provisional certifications, Department staff then work with the school districts to ensure the applications are complete. The Professional Standards Commission
then reviews requests for the one-year provisional certificates, and those that are complete and meet the minimum requirements are then brought forward by the Department to the Board for consideration with a recommendation from the Professional Standards Commission.

BOARD ACTION

I move to approve one-year emergency provisional certificates for Kristina Westbrook, Shelbi Morrison, Shanna Lee, Rachelle Paxman, Rebecca Kehn, Rachelle Mueller and Danielle Mitchell to teach the content area and grade ranges at the specified school districts as provided herein.

PROFESSIONAL STANDARDS COMMISSION

SUBJECT
Boise State University; Proposed Special Education Director Endorsement Program

APPLICABLE STATUTE, RULE, OR POLICY
Idaho State Board of Education Governing Policies & Procedures; Section 33-114 and 33-1258, Idaho Code
Idaho Administrative code, IDAPA 08.02.02.100-Official Vehicle for the Approval of Teacher Education Programs

ALIGNMENT WITH STRATEGIC PLAN
Goal 1: A Well Educated Citizenry, Objective D, Quality Education
Goal 4: Effective and Efficient Educational System, Objective A, Quality Teaching Workforce.

BACKGROUND/DISCUSSION
The Standards Committee of the Professional Standards Commission (PSC) conducted a New Program Approval Desk Review of the Special Education Director endorsement program proposed by Boise State University (BSU). Through the comprehensive presentation, the Standards Committee gained a clear understanding that all of the Idaho School Administrator Standards and the Special Education Director Standards would be met and/or surpassed through the proposed program.

During its September 2017 meeting, the PSC voted to recommend Conditional Approval of the proposed Special Education Director endorsement program offered through BSU. With the conditionally approved status, BSU may admit candidates to the Special Education Director endorsement program, and will undergo full approval once there are program completers.

IMPACT
In order to maintain status as an Idaho approved program and produce graduates eligible for Idaho educator certification, BSU must have all new programs reviewed for State Board approval.

Attachment 1 – BSU Special Education Director New Program Proposal Packet

STAFF COMMENTS AND RECOMMENDATIONS
Pursuant to Section 33-114, Idaho Code, the review and approval of all teacher preparation programs in the state is vested in the State Board of Education. The program reviews are conducted for the Board through the Professional
Standards Commission (Commission). Recommendations are then brought forward to the Board for consideration. The review process is designed to ensure the programs are meeting the Board approved standards for Initial Certification of Professional School Personnel (Certification Standards) for the applicable program areas. Certification Standards are designed to ensure that educators are prepared to teach the state content standards for their applicable subject areas and are up-to-date on best practices in various teaching methodologies.

Current practice is for the Commission to review new programs and make recommendations to the Board regarding program approval. New program reviews are conducted through a “Desk Review” and do not include an on-site review. The Commission review process evaluates whether or not the programs meet or will meet the approved Certification Standards for the applicable certificate and endorsement area. The Commission may recommend to the Board that a program be “Approved,” “Not Approved,” or “Conditionally Approved.” Programs conditionally approved are required to have a subsequent focus visit. The focus visit is scheduled three years following the conditional approval, at which time the Commission forwards a new recommendation to the Board regarding approval status of the program.

Once approved by the Board, candidates completing these programs will be able to apply for a Standard Instructional Certificate with an endorsement in the area of study completed.

BOARD ACTION

I move to accept the Professional Standards Commission recommendation to conditionally approve the Special Education Director endorsement program offered through Boise State University.
