BOISE STATE UNIVERSITY

SUBJECT

Aixtron System Metal-Organic Chemical Vapor Disposition – Increase Construction Authorization

REFERENCE

December 2021	Idaho State Board of Education (Board) approved the purchase of Aixtron Metal Organic Chemical Vapor Phase Epitaxy System (“Aixtron system”)
April 2023	Six-Year Capital Construction Plan Amendment
April 2023	Board approved bidding and construction of the Aixtron system NTE \$1.5M

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.K

BACKGROUND/DISCUSSION

When the Boise State University (Boise State) Micron Center for Materials Research (MCMR) building was constructed in 2019, lab spaces 125/127 were designated for future buildout of an Aixtron 2D Cold Coupled Showerhead Metal Organic Chemical Vapor Phase Epitaxy (“Aixtron system”) with the associated infrastructure.

In December 2021, Boise State received approval from the Board to purchase the Aixtron system equipment for the lab buildout, and in April 2023 the Board approved a request to proceed with bidding and construction to install the utility infrastructure for the system at a cost not to exceed \$1.5M.

Due to volatility in the construction market, bids came in substantially higher than originally estimated. Boise State is requesting increased authorization of \$1M to award the bid.

IMPACT

If approved, Boise State will proceed with installation of the new Aixtron system equipment and associated infrastructure for a total cost not to exceed \$2.5M. The source of funds is university funds.

ATTACHMENTS

Attachment 1 – Project Budget
Attachment 2 – Capital Project Tracking Sheet

CONSENT
AUGUST 23, 2023

BOARD STAFF COMMENTS AND RECOMMENDATIONS

In April 2023, the Board approved the request from Boise State to proceed with bidding and construction of the supporting infrastructure and installation of the Aixtron Metal Organic Vapor Phase Epitaxy system in an amount not to exceed \$1.5M, but bids came in higher than expected due to the upsurge and price volatility in the construction industry, as well as the current inflationary economic environment for goods and services.

Staff recommends approval.

BOARD ACTION

I move to approve the request by Boise State University to increase the construction and installation authorization for the Aixtron system for a total cost not to exceed \$2.5M.

IDAHO STATE UNIVERSITY

SUBJECT

Consideration of Position Redesignation: Vice President for Finance and University Planning

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section II.B.3.a and Section II.F.

BACKGROUND/DISCUSSION

Idaho State University (ISU) requests approval for the existing position of Senior Associate Vice President of Finance and Chief Fiscal Officer to be redesignated as a Vice President level position with the title of Vice President for Finance and University Planning. Board Policy requires Idaho State Board of Education (Board) approval for the designation of a new vice president level position.

In 2022, ISU received its 7-year re-accreditation from the Northwest Commission on Colleges and Universities (NWCCU). In the re-accreditation report, the NWCCU commented that ISU's structure of having a CFO with an Associate Vice President title was uncommon and recommended the elevation of that position to a Vice President level. The NWCCU report stated: "The evaluation team suggests that the institution elevate the position of the CFO to a Vice President level position as soon as feasible."

The current CFO position functions for all intents and purposes as a vice president, is a direct report to the President, oversees an administrative unit and portfolio commensurate with a vice president level position, and sits on the Administrative Council and Leadership Council institutional governing bodies as a full member with the other institution vice presidents and presidential direct reports.

There is no budget impact to this designation as the position is already occupied and no salary adjustment is being made. This request will align the position with industry best practices and the NWCCU concern.

Board policy II.B. requires approval of any new position at a level of vice president (or equivalent) and above. The ISU is requesting approval of a new position, Vice President of Finance and University Planning, as follows:

- i. Position Title: Vice President of Finance and University Planning
- ii. Position Type: Senior Administrator (Exempt)
- iii. FTE: 1.0
- iv. Term: Annual Contract
- v. Effective Date: August 24, 2023

CONSENT
AUGUST 23, 2023

- vi. Salary Range: \$185,000-200,000. Note: There will be no change in the incumbent's current salary of \$187,589
- vii. Funding Source: General Appropriations

Duties/Responsibilities: Lead the University's Finance Division, serving as Chief Fiscal Officer. Also leads the University's Planning and Institutional Effectiveness program.

IMPACT

Designating the CFO at ISU as a vice president level position will bring ISU in line with industry best practices and the NWCCU accreditation comment with no budget impact.

BOARD STAFF COMMENTS AND RECOMMENDATIONS

ISU brings forward a request for approval of establishment of a new vice president position. ISU is not seeking approval for appointment of an individual to this position. Board policy II.B requires approval of any position at a vice president (or equivalent) and above level, requires Board approval.

The request is based on NWCCU recommendations and represents industry best practices. The salary range for the position falls under thresholds established in Board Policy II.B and Board Policy II.F; therefore, the request requires only Board approval to reclassify the position. ISU President Kevin Satterlee will have the authority to make the appointment and establish the salary amount without further action from the Board.

Staff recommends approval.

BOARD ACTION

I move to approve the designation of Idaho State University's Senior Associate Vice President of Finance and Chief Fiscal Officer as a Vice President level position with the new title of Vice President of Finance and University Planning.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

SUBJECT

Public-Private Partnership (P3) Capital Improvement Approval – Energy Plant Ash Handling System Upgrades

REFERENCE

April 2020	Idaho State Board of Education (Board) reviewed the University of Idaho's potential Public-Private Partnership as an informational item.
------------	--

November 2020	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility Systems between the University of Idaho and Sacyr Plenary Utility Partners Idaho LLC
---------------	--

June 2022	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility System at the Energy Plant
-----------	--

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.K. Construction Projects

BACKGROUND/DISCUSSION

With the approval of the Idaho State Board of Education (Board), the University of Idaho (UI) executed a Long-Term Lease and Concession Agreement (Concession Agreement) under which UI received an up-front payment in the amount of \$225,000,000 in exchange for UI leasing its Utility System assets and operation to Sacyr Plenary Utility Partners Idaho LLC (SPUPI), the Concessionaire. As discussed with the Board at the time the Concession Agreement was approved, the Concessionaire was to develop and propose a rolling annual Five-Year Plan for UI review and approval. Among other things, the Five-Year Plan includes proposed Capital Improvements for the UI's Utility System. Proposed Capital Improvements are required to address the ongoing needs of the system for major repairs and system upgrades and possible expansions, for the fifty-year term of the Concession Agreement.

UI seeks approval for the proposed removal and replacement of the existing worn-out ash handling system for the wood waste solid fuel boiler at a cost of \$2,809,381. This work includes replacement of the existing horizontal ash conveyor and the existing elevating conveyor, plus structural frame and additional ash handling and ash dust control components that were installed with original

CONSENT
AUGUST 23, 2023

boiler installation in 1985 to transport ash from the boiler combustion chamber to a loading pad outside the energy plant. After over 35 years of heavy use, the conveying system is worn and patched in many places. The system suffers frequent breakdowns, and the missing and damaged conveyor shrouds allow the highly abrasive ash to escape, causing wear and tear throughout the energy plant, while at the same time causing respiratory threat to persons entering and working within the energy plant. In addition, the structural frame supporting the various conveyors is tilting, twisting, and in danger of collapse.

IMPACT

Each year the wood waste solid fuel boiler saves UI over \$1.7 million in fuel costs compared to the cost of using natural gas. When the ash handling system breaks down, the solid fuel boiler cannot operate, which can cost UI up to \$100,000 per week if it occurs during times of high natural gas prices, typically mid-winter. The fugitive ash spillage and dust from the current equipment also causes hidden damage to other energy plant equipment as well as respiratory hazard to personnel. The proposed new ash handling equipment will be fully enclosed and will limit the amount of ash and dust that escapes.

SPUPI will provide the up-front funding to execute the project, with the UI repaying the up-front cost over time according to the formula contained in the Concession Agreement. Further, if approved by the Board, SPUPI would be responsible for all aspects of the project, from planning, to execution, to completion. The Capital Expenditure Fee for this Capital Improvement will amortize the Capital Improvement and return over a 20-year period at 6.627% return on capital. Funds to repay the cost of the Capital Improvement come from Concession Agreement between UI and SPUPI.

Under the Concession Agreement, UI has approved and/or completed 13 capital improvements to the utility system to date.

These capital improvements include:

- (1) Reclaimed Water Hypochlorite Generator Replacement
- (2) South Kibbie Dome Transformer Replacement
- (3) Utility Tunnel Improvements - 7th and Line Streets
- (4) Utility Tunnel Improvements - Renfrew Hall
- (5) SCCP Cooling Tower Improvements
- (6) McClure Chiller Improvements
- (7) Thermal Energy Storage Tank Sensor Upgrades
- (8) Energy Plant Catwalk Ladder and Safety Upgrades
- (9) Domestic Waterline Replacement - Campus Drive
- (10) SCCP Chiller Replacement and Upgrade
- (11) Water Treatment Improvements
- (12) Wood Fuel Handling System Upgrades
- (13) Kibbie Dome Electrical System Replacement

CONSENT
AUGUST 23, 2023

ATTACHMENTS

Attachment 1 – Ash Handling System Upgrades

BOARD STAFF COMMENTS AND RECOMMENDATIONS

This capital project falls under the UI's Concession Agreement originally approved by the Board in November 2020. The Concession Agreement between UI and SPUPI anticipates that all capital improvements to the utility system will be financed through the terms of the Agreement, performed solely by the Concessionaire and its contractors, and funded through existing Concession Agreement.

The public-private partnership (P3) that the University of Idaho has is a strategy to address deferred maintenance while still providing investment capital for the University's strategic investments.

Board Policy V.K. requires Board approval of construction projects exceeding \$500,000.

Staff recommends approval.

BOARD ACTION

I move to approve the request by the University of Idaho for removal and replacement of the existing worn-out ash handling system for the wood waste solid fuel boiler at a cost of \$2,809,381.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

PROJECT CODE: 24/1-002

PROJECT NAME: Ash Handling System Upgrades

UTILITY SYSTEM: Steam and Condensate

DATE SUBMITTED: July 7, 2023

SAFETY AND RESILIENCY ASSESSMENT:

The impact associated with safety is high. The impact associated with resiliency is high (failure likely to disable the wood fuel boiler).

The likelihood of these events is high (equipment is heavily damaged, failure is imminent).

Likelihood	High	3	2	1
	Med	4	3	2
	Low	5	4	3
PHASE ASSIGNED	Low		Med	High
	Impact			

Background: The ash handling system removes wood ash from the boiler after combustion and is critical for operation. It consists of a series of ash hoppers, augers, and mechanical conveyance systems used to move the ash from the boiler to a truck located outside of the plant for disposal. The wood boiler provides significant economic and environmental benefits to the University (\$1.7 million in FY22, in fuel savings by not using natural gas), however, at 36 years old, many of the subsystems are in critical need of upgrade. Most of the existing system is original equipment, well beyond expected operational life, and heavily damaged from years of use. Major components are warped from the heat, leaking, and breaking down frequently, creating severe fire risks.

By November 2022, major components in the ash handling system had failed or displayed signs of imminent failure since this project was originally proposed. It is highly probable that the system will fail as a whole soon, significantly increasing Supply Costs to the University when gas boilers need to be brought online (up to 2 to 5 times more).

By April 2023, the system continues to degrade rapidly, including the ash conveyors. Sections are warped heavily from years of heat and stress, which creates cracks and holes that are releasing ash into the Energy Plant environment. Since the warped sections prevent the new conveyance equipment from being connected to the existing sections, they will need to be replaced at the same time.

Approval of this Capital Improvement is necessary to mitigate a variety of risks, claims and damages (including those associated with life safety, property damage, system downtime, system resilience, operational interruption), as well as compliance with Performance Standards and Key Performance Indicators.

Objectives: The main objectives of this Capital Improvement are:

- Upgrade and improve the ash handling system for the wood boiler to increase operational uptime.
- Mitigate severe resiliency issues associated with systems well beyond their serviceable life.
- Address serious safety concerns associated with the physical condition of current assets.
- Address long term health and safety concerns from ash exposure (per 29 CFR OSHA 1910.134 – respiratory protection).
- Change and improve assets in order to achieve required O&M practices in a safe manner.

Scope of Work: This project replaces the existing ash handling system with a new, more efficient system which removes the ash material and separates fine from large ash during the process. The project includes enclosing, isolating, and sealing the system to prevent the release of ash into the Energy Plant environment. Sealing the system will significantly reduce the amount of ash that builds up in the plant, which will reduce worker exposure to respiratory irritants and increase the expected life of exposed mechanical and electrical systems throughout the plant.

The scope of work of this Capital Improvement is:

- Demolition of the existing ash handling system, including:
 - Ash conveyors and subsystems.
 - Elevating conveyor and subsystems.
- Install new ash handling system including:
 - Burner conveyor.
 - Boiler conveyor.
 - Side ash conveyors (x2).
 - Elevating conveyors (x2).
 - Replace multi-cone cyclonic separator and rotary valve.

There is no recommended related work beyond the Line of Demarcation associated with this Capital Improvement.

Deliverables: The deliverables of this Capital Improvement are:

- Additional Work (Preliminary Engineering Assessment):
 - 50% design documents.
- Project documents:
 - Design and as-built documents.
 - O&M manuals.
 - Commissioning report as applicable.

Safety and Logistics: To the extent required by applicable law, the University will provide (i) an asbestos survey covering any area to be disturbed by a demolition or renovation work; or (ii) proof that the original work was completed using asbestos-free materials. In accordance with the Concession Agreement, the University will be responsible for abatement of any Hazardous Substances, including asbestos and lead-based paint, which originated prior to Closing.

A detailed safety plan will be prepared during the development stage including the protection of live utilities, and the provision of fencing to prevent unauthorized access to construction areas. Temporary traffic and/or pedestrian accommodations will be implemented as needed.

The Concessionaire will coordinate with the University for the wood boiler shutdown from spring to fall to minimize the gas use during the construction stage.

Approach: As established in section 4.3(c), the Concessionaire requests that the University respond to this proposed Capital Improvement only pursuant to section 4.3(c)(ii), requiring that the Concessionaire perform additional work, to provide more information regarding the scope, design, and cost of the proposed Capital Improvement. The anticipated cost of such additional work is \$256,190 and will also include a schematic design of ash handling improvements.

Additional Information:

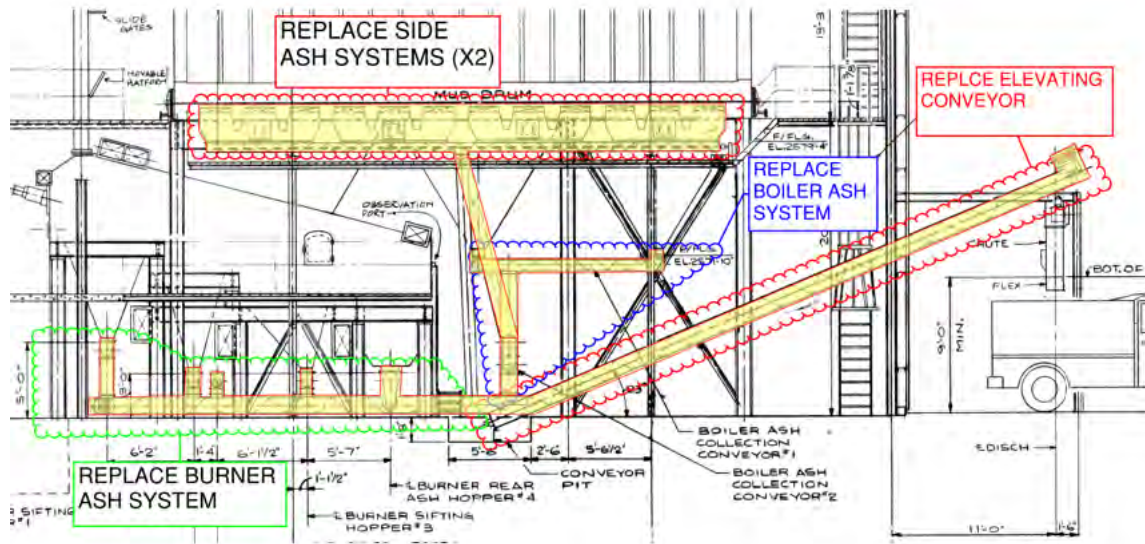

Figure 1. Schematic design of ash handling system with highlighted work.

Figure 2. 3/8" steel plate completely worn through from heavy use.

Figure 3. Elevated conveyance system is twisted and damaged, creating a potential crushing hazard if structural integrity becomes compromised.

Figure 4. Elevating conveyance system needs to be replaced.

Figure 5. Ash augers are heavily worn, significantly reducing performance.

Figure 6. System is becoming heavily damaged, causing excessive dust build-up and breakdowns.

Figure 7. Side ash system warped from heat.

Figure 8. Accumulated damage throughout side ash system contributing to leaks into Energy Plant.

Pursuant to the Long-term Lease and Concession Agreement, Section 4.3.(c) (2), the following information is presented for this Capital Improvement:

(A) Total Cost: \$2,809,381.

(B) Forecasted annual operations and maintenance costs: +\$0.

(C) Proposed modification to the Recovery Period: None.

(D) Explanation of all relevant assumptions, variables, and data sources: See previous narratives. In addition, it is assumed that (i) price is valid until November 5th, (ii) assumes a summer 2024 construction, (iii) Energy Plant will be in operation during construction, (iv) wood boiler will be shut down and locked out during construction, (v) work will be performed during normal business hours, (vi) workable solutions for all required coordination with the University will be achievable, and (vii) parking lot 14 will be utilized for parking and staging. Excluded work includes (i) the repair or replacement of air locks, ash hoppers, firebricks or refractory, (ii) the repair or replacement of the F700 ash truck, (iii) repair or replacement of the air pre-heater, economizer, fans, or other components of the wood boiler exhaust system, and (iv) all hazardous materials testing and abatement,

(E) Proposed schedule: Dates may vary.

	06/23	07/23	08/23	09/23	10/23	11/23	12/23	01/24	02/24	03/24	04/24	05/24	06/24	07/24	08/24	09/24	10/24	11/24	12/24	01/25	02/25	03/25	04/25
Additional Work																							
EPC (Dev.)																							
EPC (Const.)																							
EPC (Commiss.)																							

(F) Impact on Sustainability: Improved ash handling will increase the reliability of the wood-fueled boiler, reducing the natural gas consumption and greenhouse gas emissions. The collection of fine ash can be used for land applications.

(G) Anticipated tax credits or other benefits: No tax credits or other benefits have been identified.

(H) Fee or charge payable to the Operator: \$2,753,300.

(I) Proposed changes to the limits on the professional liability insurance coverage: All engineering and consulting firms engaged for Capital Improvements proposed for Approval will have a limit of \$1,000,000 limit or greater on the professional liability insurance coverage. The premium associated to such policy is usually prorated by the firm over their annual contracts.

(J) Potential change in Supply Costs or consumption of Supplies: -\$7,500, wood fuel, natural gas, and electricity. Decreased wood boiler downtime, improved conveyance efficiency.

CONSENT
AUGUST 23, 2023

UNIVERSITY OF IDAHO

SUBJECT

Public-Private Partnership (P3) Capital Improvement Approval –Energy Plant Boiler Controls Modernization

REFERENCE

April 2020	Idaho State Board of Education (Board) reviewed the University of Idaho's potential Public-Private Partnership as an informational item.
November 2020	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility Systems between the University of Idaho and Sacyr Plenary Utility Partners Idaho LLC
June 2022	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility System at the Energy Plant

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.K. Construction Projects

BACKGROUND/DISCUSSION

With the approval of the Idaho State Board of Education (Board), UI of Idaho (UI) executed a Long-Term Lease and Concession Agreement (Concession Agreement) under which UI received an up-front payment in the amount of \$225,000,000 in exchange for the UI leasing its Utility System assets and operation to Sacyr Plenary Utility Partners Idaho LLC (SPUPI), the Concessionaire. As discussed with the Board at the time the Concession Agreement was under consideration for approval, the Concessionaire will develop and propose a rolling annual Five-Year Plan for UI review and approval. Among other things, the Five-Year Plan must include proposed Capital Improvements for the UI's Utility System. Proposed Capital Improvements must address the ongoing needs of the system for major repairs and system upgrades and possible expansions, for the fifty-year term of the Concession Agreement.

UI seeks approval for the replacement of existing supervisory control and data acquisition (SCADA) in the energy plant for a total cost of \$4,658,600. The energy plant has four boilers which are all controlled by Siemens Procidia controllers which were manufactured circa 2012 and run on Windows 7 operating system. In addition to controlling all critical aspects of steam production, the Siemens software also provides continuous air quality monitoring as required by Idaho Department of Environmental Quality (IDEQ). Siemens declared Procidia to be

end of life in 2019. Loss of parts availability and the end of Siemens and Microsoft software support for the existing SCADA has greatly impacted reliability of boiler operations, placing UI at risk of loss of steam production by the energy plant. This project replaces the existing Siemens Procidia SCADA with a modern control system to enable continued efficient boiler operations. The new SCADA will integrate all energy plant operations including steam production, electricity production, and chilled water production, and will include graphics for monitoring, trending, and reporting of critical utilities production. The project includes construction of an air-conditioned control room to protect critical equipment and enable effective operations. The new boiler controls installed by this project will provide data acquisition and storage for air emissions reporting as required by IDEQ.

IMPACT

The goal of this project is to ensure the capability of the energy plant to reliably produce steam, electricity, and chilled water, while maintaining compliance with IDEQ air emissions regulations. Current risks include loss of any one or all of the above listed utilities, risk of compliance citation, and cybersecurity risks of operating with non-supported software and hardware.

SPUPI will provide the up-front funding to execute the project, with the UI repaying the up-front cost over time according to the formula contained in the Concession Agreement. Further, if approved by the Board, SPUPI would be responsible for all aspects of the project, from planning, to execution, to completion. The Capital Expenditure Fee for this Capital Improvement will amortize the Capital Improvement and return over a 20-year period at 6.627% return on capital. Funds to repay the cost of the Capital Improvement come from the \$225,000,000 the UI received under the Concession Agreement with SPUPI.

Under the Concession Agreement, UI has approved and/or completed 13 capital improvements to the utility system to date.

These capital improvements include:

- (1) Reclaimed Water Hypochlorite Generator Replacement
- (2) South Kibbie Dome Transformer Replacement
- (3) Utility Tunnel Improvements - 7th and Line Streets
- (4) Utility Tunnel Improvements - Renfrew Hall
- (5) SCCP Cooling Tower Improvements
- (6) McClure Chiller Improvements
- (7) Thermal Energy Storage Tank Sensor Upgrades
- (8) Energy Plant Catwalk Ladder and Safety Upgrades
- (9) Domestic Waterline Replacement - Campus Drive
- (10) SCCP Chiller Replacement and Upgrade
- (11) Water Treatment Improvements
- (12) Wood Fuel Handling System Upgrades
- (13) Kibbie Dome Electrical System Replacement

CONSENT
AUGUST 23, 2023

ATTACHMENTS

Attachment 1 - Energy Plant Boiler Controls Modernization

BOARD STAFF COMMENTS AND RECOMMENDATIONS

This capital project falls under the UI's Concession Agreement originally approved by the Board in November 2020. The Concession Agreement, between UI and SPUPI, anticipates that all capital improvements to the utility system will be financed through the terms of the Agreement, performed solely by the Concessionaire and its contractors, and funded through existing Concession Agreement between UI and SPUPI

The public-private partnership (P3) that the University of Idaho has is a strategy to address deferred maintenance while still providing investment capital for the University's strategic investments.

Following Policy V.K., UI is requesting approval from the Board due to the cost of the project exceeding \$500,000.

Staff recommends approval.

BOARD ACTION

I move to approve the request by the University of Idaho for the replacement of existing supervisory control and data acquisition (SCADA) in the energy plant for a total cost of \$4,658,600.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

PROJECT CODE: 24/1-009

PROJECT NAME: Boiler Controls Modernization

UTILITY SYSTEM: Steam and Condensate

DATE SUBMITTED: May 9, 2023

SAFETY AND RESILIENCY ASSESSMENT:

The impact associated with safety is high (severe physical, life safety, and health issues). The impact associated with resiliency is high (one boiler has been permanently shut down, limited ability to operate during power outages).

The likelihood of these events is high (controls have completely failed on two boilers).

Likelihood	High	3	2	1
	Med	4	3	2
	Low	5	4	3
PHASE ASSIGNED		Low	Med	High
		Impact		

Background: The control systems for each boiler at the Energy Plant are over 30 years old and no longer made or supported by the manufacturer. Currently there are no commercially available replacement parts for the existing systems. The controls for the wood boiler fail regularly, which puts the boiler out of compliance with the University's Air Quality Permit with Idaho DEQ due to excessive particulate matter, CO, and NOx emissions (Req. 40 CFR EPA Subchapter U, Title V operating permit). The gas boiler controls are currently located at each boiler instead of centralized, significantly increasing response time to problems and reducing the Energy Plant's ability to monitor equipment. The Chilled Water and Compressed Air system controls are also located far away from the operator's station. As critical components of the Steam and Chilled Water systems, when these controls fail, the respective utility system also fails. With spare parts no longer available for the boilers, there is risk of permanent boiler shutdowns until the controls are replaced. Shutdown of boilers risks meeting Performance Standards for the Steam and Condensate system, posing a significant risk of a campus shutdown.

By July 2022, two gas boilers had experienced combustion control malfunctions due to failed controls since this project was first submitted, risking an explosion if operated. To maintain necessary N+1 redundancy, the remaining functional controls on C Boiler have been removed and used to repair the controls on boiler B and keep it operational. As such, C Boiler is inoperable until a Capital Improvement that addresses this problem is completed. Given the recent failures in 2 of the 3 gas boilers, it is unlikely B Boiler will continue running reliably for much longer. This condition severely limits the Energy Plant's ability to generate steam if there is a power disruption, or if the wood boiler is not running (such as during regular scheduled maintenance). The loss of B Boiler also risks the ability to meet campus winter heating loads, as it is the largest capacity boiler in the plant, posing a severe life safety risk to campus occupants, especially housing, and freezing pipes in buildings.

By April 2023, the control software for the wood boiler is continuing to degrade, with a recent malfunction temporarily preventing operators from retrieving data necessary to comply with Idaho DEQ emissions reporting requirements. There is no support for the software and the cause of the malfunction is unknown. Further failures may force permanent shutdown of the boiler until the controls can be replaced. If the wood boiler controls fail and the Energy Plant is forced to switch to natural gas the increased Supply Costs is estimated to be \$1.7M per year (based on FY22 data). Together with the rapidly failing gas boiler controls, it is increasingly unlikely that the Energy Plant will meet peak heating loads in the near future.

Approval of this Capital Improvement is necessary to mitigate a variety of risks, claims and damages (including those associated with life safety, property damage, system downtime, system resilience, operational interruption), as well as compliance with Performance Standards and Key Performance Indicators.

Objectives: The main objectives of this Capital Improvement are:

- Centralize the Energy Plant's controls to improve response times before severe damage occurs.
- Mitigate severe resiliency issues associated with current controls systems which are well beyond their serviceable life.
- Address serious safety concerns associated with the physical condition and configuration of current assets.
- Address long term health and safety concerns from wood dust, ash, temperature, noise exposure, and falling object hazards requiring engineering controls rather than administrative procedures (per 29 CFR OSHA 1910 Section 5(a)(1)/1910.28/1910.95/1910.134).
- Comply with the Performance Standards of the Concession Agreement.
- Change and reconfigure assets in order to achieve required O&M practices in a safe manner.

Scope of Work: To address these issues, this project replaces the controls and relocates them to one central room. Removing the controls from the current environment will extend their useful life and improve operational efficiency. The boiler operators will be relocated to abate the known safety risks to workers performing normal job duties as required by OSHA regulations, while also improving visibility and response time across the plant. The scope of work of this Capital Improvement is:

- Demolition of the existing supervisors' office.
- Construction of a centralized control room.
- Installation, wiring, and programming of a new SCADA system to include the following systems:
 - Wood boiler (1x).
 - Natural gas boilers (x3).
 - Feedwater pumps (x4).
 - Condensate pumps (x4).
 - Air compressors (x3).
- Integrate the following existing packaged controls into the new SCADA system:
 - Steam turbines (x3).
 - Absorption chillers (x2).
 - Cooling towers (x3).
 - Emergency generator (x1).
- Install a standalone server for data collection and storage.

There is no recommended related work beyond the Line of Demarcation associated with this Capital Improvement.

Deliverables: The deliverables of this Capital Improvement are:

- Additional Work (Preliminary Engineering Assessment):
 - 50% design documents.
- Project documents:
 - Design, bidding, and as-built documents.
 - O&M manuals.
 - System testing and commissioning.

Safety and Logistics: To the extent required by applicable law, the University will provide (i) an asbestos survey

covering any area to be disturbed by a demolition or renovation work; or (ii) proof that the original work was completed using asbestos-free materials. In accordance with the Concession Agreement, the University will be responsible for abatement of any Hazardous Substances, including asbestos and lead-based paint, which originated prior to Closing.

A detailed safety plan will be prepared during the development stage, including the protection of live utilities, and the provision of fencing to prevent unauthorized access to construction areas.

The Concessionaire will coordinate with the University (specifically UI PTS) for potential a construction laydown area in Lot 14.

Approach: As established in section 4.3(c), the Concessionaire requests that the University respond to this proposed Capital Improvement only pursuant to section 4.3(c)(ii), requiring that the Concessionaire perform additional work, to provide more information regarding the scope, design, and cost of the proposed Capital Improvement. The anticipated cost of such additional work is \$439,670 and will also include (i) the development of 50% electrical and controls engineering documents for vendor package PLC controls and Master Control System integration, (ii) 50% design documents for architectural, structural, mechanical, and electrical of new control room and office, (iii) the development of a scope to define graphical display for monitoring, trending, and metering, and (iv) the development of a scope for a new Plant Master Control System historian to enable logging, trending, and recording key system parameters.

Additional Information:

Figure 1. Existing operator station is manned 24/7 and exposed to environmental hazards.

Figure 2. Example of obsolete gas boiler controls.

Figure 3. Unsafe environmental temperatures at 24/7 manned station.

Figure 4. C Boiler controls removed to support B Boiler.

Figure 5. Obsolete boiler controls.

Pursuant to the Long-term Lease and Concession Agreement, Section 4.3.(c) (2), the following information is presented for this Capital Improvement:

- (A) Total Cost: \$4,658,600.
- (B) Forecasted annual operations and maintenance costs: +\$10,000. The increase is associated with a more complex and expanded control system. Additional controls and server maintenance needs. The new system will have specific O&M requirements to maintain expected life.
- (C) Proposed modification to the Recovery Period: None.
- (D) Explanation of all relevant assumptions, variables, and data sources: See previous narratives. In addition, it is assumed that (i) price is valid until August 31st, (ii) assumes a fall 2025 construction, (iii) new commercially available control systems will be compatible with existing equipment, (iv) Energy Plant will be in operation during construction, demolition, construction, and programming of boiler controls will be staged to maintain plant operations, (v) work will be performed during normal business hours, (vi) workable solutions for all required coordination with the University will be achievable, and (vii) parking lot 14 will be utilized for parking and staging. Excluded work includes (i) any repairs or reinforcement of the existing concrete supporting the control room, and (ii) all hazardous materials testing and abatement,
- (E) Proposed schedule: Dates may vary. EPC (Dev.) extends through May 2025. EPC (Const.) occurs from June 2025 to October 2025. EPC (Commiss.) occurs in November 2025.

	06/23	07/23	08/23	09/23	10/23	11/23	12/23	01/24	02/24	03/24	04/24	05/24	06/24	07/24	08/24	09/24	10/24	11/24	12/24	01/25	02/25	03/25	04/25
Additional Work																							
EPC (Dev.)																							
EPC (Const.)																							
EPC (Commiss.)																							

(F) Impact on Sustainability: Fewer greenhouse gas emissions and improved air quality in the proximity of the Energy Plant from reduced fuel consumption and higher efficiency.

(G) Anticipated tax credits or other benefits: No tax credits or other benefits have been identified.

(H) Fee or charge payable to the Operator: \$4,579,300.

(I) Proposed changes to the limits on the professional liability insurance coverage: All engineering and consulting firms engaged for Capital Improvements proposed for Approval will have a limit of \$1,000,000 limit or greater on the professional liability insurance coverage. The premium associated to such policy is usually prorated by the firm over their annual contracts.

(J) Potential change in Supply Costs or consumption of Supplies: -\$24,000, wood, natural gas, and electricity. The decrease is associated to (i) a minor electrical load increase, and (ii) improved boiler control.

UNIVERSITY OF IDAHO

SUBJECT

Public-Private Partnership (P3) Capital Improvement Approval - Electrical Transformers and Primary Components Equipment Reserve

REFERENCE

April 2020	Idaho State Board of Education (Board) reviewed the University of Idaho's potential Public-Private Partnership as an informational item.
------------	--

November 2020	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility Systems between the University of Idaho and Sacyr Plenary Utility Partners Idaho LLC
---------------	--

June 2022	The Board approved the Long-Term Lease and Concession Agreement for the University of Idaho Utility System at the Energy Plant
-----------	--

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.K. Construction Projects

BACKGROUND/DISCUSSION

With the approval of the Idaho State Board of Education (Board), the University of Idaho (UI) executed a Long-Term Lease and Concession Agreement (Concession Agreement) under which the University received an up-front payment in the amount of \$225,000,000 in exchange for the UI leasing its Utility System assets and operation to Sacyr Plenary Utility Partners Idaho LLC (SPUPI), the Concessionaire. As discussed with the Board at the time the Concession Agreement was under consideration for approval, the Concessionaire will develop and propose a rolling annual Five-Year Plan for UI review and approval. Among other things, the Five-Year Plan must include proposed Capital Improvements for the UI's Utility System. Proposed Capital Improvements must address the ongoing needs of the system for major repairs and system upgrades and possible expansions, for the fifty-year term of the Concession Agreement.

UI seeks approval to replenish its reserve of critical major electrical spare parts inventory for a cost of \$1,391,742. The reserve includes spare transformers of various sizes to be used as needed for electrical distribution to buildings throughout campus. Since electrical transformers are expensive and not quickly available for purchase, the University has historically kept an inventory of spare transformers. In the ageing campus electrical distribution, transformers fail at

random, despite SPUPI's efforts in performing preventive maintenance and routine repairs. Lead times for delivery can be over one year, making it important to keep the inventory of spares up to date. At present, the reserve inventory is aged and the condition of the remaining spares is unknown. At least three of the common size transformers are not in the inventory and will need to be purchased new. This project will examine and test the current spares inventory and refurbish and replenish as needed.

IMPACT

This project will increase the reliability of electrical distribution to buildings throughout campus. Some transformers have failed over the past few years, notably at the Kibbie Dome in 2021. Predictive maintenance performed recently in 2023 has shown that some of the transformers on campus are at or near end-of-life. Discussions with the local utility, Avista, and other suppliers have revealed that replacement transformers are not readily available, making it prudent to replenish the spares inventory now.

SPUPI will provide the up-front funding to execute the project, with the UI repaying the up-front cost over time according to the formula contained in the Concession Agreement. Further, if approved by the Board, SPUPI would be responsible for all aspects of the project, from planning, to execution, to completion. The Capital Expenditure Fee for this Capital Improvement will amortize the Capital Improvement and return over a 20-year period at 6.627% return on capital. Funds to repay the cost of the Capital Improvement come from the \$225,000,000 the UI received under the Concession Agreement with SPUPI.

Under the Concession Agreement, UI has approved and/or completed 13 capital improvements to the utility system to date.

These capital improvements include:

- (1) Reclaimed Water Hypochlorite Generator Replacement
- (2) South Kibbie Dome Transformer Replacement
- (3) Utility Tunnel Improvements - 7th and Line Streets
- (4) Utility Tunnel Improvements - Renfrew Hall
- (5) SCCP Cooling Tower Improvements
- (6) McClure Chiller Improvements
- (7) Thermal Energy Storage Tank Sensor Upgrades
- (8) Energy Plant Catwalk Ladder and Safety Upgrades
- (9) Domestic Waterline Replacement - Campus Drive
- (10) SCCP Chiller Replacement and Upgrade
- (11) Water Treatment Improvements
- (12) Wood Fuel Handling System Upgrades
- (13) Kibbie Dome Electrical System Replacement

CONSENT
AUGUST 23, 2023

ATTACHMENTS

Attachment 1 - Electrical Transformer and Primary Components Equipment Reserve

BOARD STAFF COMMENTS AND RECOMMENDATIONS

This capital project falls under the UI's Concession Agreement originally approved by the Board in November 2020. The Concession Agreement between UI and SPUPI anticipates that all capital improvements to the utility system will be financed through the terms of the Agreement, performed solely by the Concessionaire and its contractors.

The public-private partnership (P3) that the University of Idaho has is a strategy to address deferred maintenance while still providing investment capital for the University's strategic investments.

Following Policy V.K., UI is requesting approval from the Board due to the cost of the project exceeding \$500,000.

Staff recommends approval.

BOARD ACTION

I move to approve the request by the University of Idaho to replenish its reserve of critical major electrical spare parts inventory for a cost of \$1,391,742.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

PROJECT CODE: 24/3-024

PROJECT NAME: Electrical Transformer and Primary Components Equipment Reserve

UTILITY SYSTEM: Electric

DATE SUBMITTED: July 9, 2023

SAFETY AND RESILIENCY ASSESSMENT:

The impact associated with safety is high (severe physical and life safety issues). The impact associated with resiliency is high (extended outage and building shutdown)

The likelihood of these events is high.

Likelihood	High	3	2	1
	Med	4	3	2
	Low	5	4	3
PHASE ASSIGNED		Low	Med	High
		Impact		

Background: Campus wide, the building electrical services, including conductors, connectors, transformers, and switches are aged, have no record of being tested or maintained, and are a significant risk to the reliability of the campus electrical system. The existing transformer reserve consists of failed, used, and otherwise unknown transformers that cannot be relied upon in the event of a failure. Work is needed to assess the condition of the transformers in reserve to determine their ability to be placed into service.

Completion of this project provides significant benefits to the University. These capital assets are required to complete planned replacements of primary electrical system components to reduce impact from long lead times. Recent failures indicate that substantial upgrade work is needed to bring the electrical distribution system up to the operating conditions required. This upgrade work is likely to take many years and additional failures are imminent,

Approval of this Capital Improvement is necessary to mitigate a variety of risks, claims and damages (including those associated with life safety, property damage, system downtime, system resilience, operational interruption), as well as compliance with Performance Standards and Key Performance Indicators.

Objectives: The main objectives of this Capital Improvement are:

- Improve the safety/reliability of the primary electrical distribution system by preparing immediate response to outages.
- Maintain Performance Standard Part V, Sections 6, 7, and 8 and mitigate negative impact to Availability KPIs.
- Provide reserve transformers for emergency replacement service.
- Achieve a reserve supply of strategic primary electrical assets.
- Establish baseline condition of primary electrical components.
- Procure generation as required by the Performance Standards and Prudent Industry Practices.

Scope of Work: The scope of work of this Capital Improvement is:

- Retain, refurbish, or dispose of existing transformer reserves as determined by the Additional Work.
- Purchase, receive, and stock an equipment reserve of strategic transformer sizes including (i) a 13.2kV:480V 1000kVA transformer, (ii) a 13.2kV:480V 1500 kVA transformer, and (iii) a 13.2kV:208V 500 kVA transformer.
- Coordinate the equipment reserve with transformer replacements to maintain a rotating stock.

This project originally sought to also establish a mechanism to respond to electrical distribution outages by providing a portable generator to support building level energy needs, while permanent solutions were being planned and implemented. Such item has been removed at the request of the University, but it is considered necessary to meet Performance Standards and to support building level function due to the lack of available rental units sized appropriately for such purpose and goes against the Concessionaire's operational recommendations.

There is no recommended related work beyond the Line of Demarcation associated to this Capital Improvement.

Deliverables: The deliverables of this Capital Improvement are:

- Additional Work (Preliminary Engineering Assessment):
 - Report documenting results of the transformer reserve assessment and inventory of in-service equipment.
- Project documents:
 - O&M manuals.
 - Commissioning report as applicable.

Safety and Logistics: To the extent required by applicable law, the University will provide (i) an asbestos survey covering any area to be disturbed by a demolition or renovation work; or (ii) proof that the original work was completed using asbestos-free materials. In accordance with the Concession Agreement, the University will be responsible for abatement of any Hazardous Substances, including asbestos and lead-based paint, which originated prior to Closing.

As part of the safety plan, equipment will be stored safely and prepared for safe deployment.

The Concessionaire will coordinate with the University to provide access to all transformers, switches, and vaults required for the Additional Work.

Approach: As established in section 4.3(c), the Concessionaire requests that the University respond to this proposed Capital Improvement only pursuant to section 4.3(c)(ii), requiring that the Concessionaire perform additional work, to provide more information regarding the scope, design, and cost of the proposed Capital Improvement. The anticipated cost of such additional work is \$72,930 and will also include (i) an assessment of the in-service transformers to determine number, size, and characteristics to stock, and (ii) an evaluation of the existing transformer reserve and testing to determine work needed, including: Megger testing on high and low voltage windings, over potential testing on high and low voltage windings, and transformer turns ratio (TTR) tests.

Additional Information:

Figure 1. Portable generation in place while transformer is being removed/replaced.

Figure 2. Replacement transformers can take over a year to procure. Dimensions and electrical specifications are critical.

Figure 3. Existing inventory has no known good spares.

Pursuant to the Long-term Lease and Concession Agreement, Section 4.3.(c) (2), the following information is presented for this Capital Improvement:

(A) Total Cost: \$1,391,742.

(B) Forecasted annual operations and maintenance costs: +\$0.

(C) Proposed modification to the Recovery Period: None.

(D) Explanation of all relevant assumptions, variables, and data sources: See previous narratives. In addition, it is assumed that (i) price is valid until November 4, 2023, (ii) spare transformers can be tested for operability in the field, (iii) work will be performed during normal business hours. Excluded work includes (i) refurbish work or replacement of in-service transformers, (ii) any oil sampling, thermography, or other testing of in-service transformers, (iii) shipping or off-site testing of transformers, and (iv) a portable generator for building level support in the event of an electrical outage.

(E) Proposed schedule: Dates may vary. EPC (Procur.) extends through June 2026. EPC (Commiss.) occurs in July 2026.

	06/23	07/23	08/23	09/23	10/23	11/23	12/23	01/24	02/24	03/24	04/24	05/24	06/24	07/24	08/24	09/24	10/24	11/25	12/25	01/25	02/25	03/25	04/25
Additional Work																							
EPC (Dev.)																							
EPC (Procur.)																							
EPC (Commiss.)																							

(F) Impact on Sustainability: Improved through the mitigation of potential damages.

(G) Anticipated tax credits or other benefits: No tax credits or other benefits have been identified.

(H) Fee or charge payable to the Operator: \$1,364,030.

(I) Proposed changes to the limits on the professional liability insurance coverage: All engineering and consulting firms engaged for Capital Improvements proposed for Approval will have a limit of \$1,000,000 limit or greater on the professional liability insurance coverage. The premium associated to such policy is usually prorated by the firm over their annual contracts.

(J) Potential change in Supply Costs or consumption of Supplies: None. The equipment will be static in reserve during normal operations.

UNIVERSITY OF IDAHO

SUBJECT

Amend existing site lease for Idaho Public Television (IPTV) communication tower on Regents' real property.

REFERENCE

October 15, 2009

Approved original site lease

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.I.5.b.i

BACKGROUND/DISCUSSION

In 1968, the Board of Regents of the University of Idaho (Regents) acquired 3.7 acres on Paradise Ridge south of Moscow to be used as the site for the television transmission tower and equipment building for the University of Idaho's (UI's) KUID. After KUID's management and operation was assigned to what is now IPTV in 1982 (Senate Bill 1476), the land and building were retained by the Regents and the facilities were utilized at no cost by IPTV. Eventually IPTV replaced the existing tower with a tower it constructed, owned and operated on the site. IPTV and Northwest Public Radio also owned and exclusively utilized the equipment within the equipment building. In 2009, the Regents conveyed the building and granted a site lease at no cost to IPTV.

That site lease limited the scope of uses that IPTV could conduct on the site to ensure use by IPTV would continue to benefit UI journalism and mass media students and academic programs. Those limitations on use, while still of value to UI educational purposes, inadvertently prohibited some uses which UI administration now conclude are in the best interests of UI and which are supported by IPTV. To address this determination, UI is proposing to amend the current site lease to allow IPTV to permit use of the property for those public entities performing public safety and emergency response functions in the State of Idaho or nearby Whitman County in the State of Washington.

As the 2009 lease with this proposed revision would otherwise terminate in just six years, and the provisions of the lease are still in the continued interest of both UI and IPTV, UI is also proposing at this time to also extend the term of the current lease as proposed for amendment to June 2043.

IMPACT

The additional scope of permitted uses will not impact UI operations beyond the significant benefits of improved public safety communications enabled by this proposed amendment. The proposed use of the site and IPTV's tower by public entities for public safety has been requested by IPTV.

CONSENT
AUGUST 23, 2023

ATTACHMENTS

Attachment 1 – Proposed Site Lease Amendment

STAFF COMMENTS AND RECOMMENDATIONS

UI's proposed amendment to the current site lease will preserve the mutually beneficial relationship between UI and IPTV as well as expand the use of the property to allow IPTV the ability to permit use of the property to entities related to public safety and emergency response functions. However, this expansion of use will be limited to only those eligible entities geographically located in the State of Idaho and/or nearby Whitman County, WA.

Continuation of the property conveyance and extension of real property lease through 2043 aligns the parties' interests in the respective properties to be consistent with current uses. The University and its students will continue to experience the educational benefits of IPTV's operations.

Staff recommends approval.

BOARD ACTION

I move to approve the request by University of Idaho to execute the proposed site lease amendment and authorize the Operations Officer for Finance and Administration of the University to execute such amendment in substantial conformance to the draft submitted as part of this request, and any other documents associated with the above authorized action.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

FIRST AMENDMENT TO SITE LEASE

This First Amendment to Site Lease ("First Amendment") is made by and between the Board of Regents of the University of Idaho ("Landlord"), and Idaho Public Television, ("Tenant"). This First Amendment shall revise the Site Lease between these parties dated November 1, 2009, ("Lease").

In consideration of the mutual promises contained herein, Landlord and Tenant agree as follows:

A. Section 3 of Lease is hereby deleted and replaced with the following Section 3:

"3. Term: Except as early termination is provided in paragraph 20 of this Lease, this Lease shall be effective from the date entered into and shall expire on June 30, 2043."

B. Section 8 of Lease is hereby deleted and replaced with the following Section 8:

"8. Right to Sublet and Assign: Tenant may only assign this Lease or sublet the Premises, or any part or portion thereof, with the prior written consent of Landlord. Any assignment of this Lease or any subletting of the Premises shall be subject to all provisions and limitations of this Lease including (but not limited to) the term and permitted uses of this Lease. Notwithstanding any assignment, Tenant shall continue to be bound and obligated by the terms, conditions, covenants and provisions of this Lease until the assignee shall execute and deliver to Landlord an instrument by the terms and provisions of which such assignee shall assume and agree to be bound by and to perform all of the terms, conditions, covenants and obligations of Tenant under this Lease. Upon the execution and delivery of such instrument, Tenant shall be relieved and discharged of and from all obligations under this Lease accruing from and after the date of execution of the instrument. Unless otherwise assumed by the assignee and such assumption is enforceable by Landlord, no assignment of this Lease shall release, waive or discharge Tenant from any liability or obligation arising from or accruing prior to the date any assignee assumes and agrees to be bound by and to perform all of the terms, conditions, covenants and obligations of Tenant under this Lease. Landlord's consent to one assignment shall not waive Tenant's obligation to obtain Landlord's consent or Landlord's right to object to any future assignment. Notwithstanding any sublease, Tenant shall continue to be bound and obligated by the terms, conditions, covenants and provisions of this Lease for all of the Premises. Landlord expressly consents to a sublease (or license granted by Tenant) for a licensee's attachment to the existing tower for purposes of communications transmission for public entities performing public safety and emergency response functions in the State of Idaho or Whitman County, and to Northwest Public Radio, a service of Washington State University, provided such sublease (or license) is first reviewed and consented to by Landlord and for consistency with this paragraph 8 and paragraph 11 herein.

In the event of sale, transfer or assignment by Landlord of Landlord's interest in the property on which the Premises are located, Landlord shall cause such successor in interest to expressly assume in writing all of Landlord's duties and obligations pursuant to this Lease. Upon receipt of such assumption by the successor in interest, Landlord shall be released from any and all obligations or duties arising under this Lease."

C. The Lease, as amended by this First Amendment, constitutes the entire agreement between the parties with respect to Premises and may only be further amended or altered by subsequent written agreement executed by both parties. All other provisions of the Lease are unchanged and shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this First Amendment on the date(s) set forth below.

Idaho Established Program to Stimulate Competitive Research (EPSCoR)
Committee Appointments

REFERENCE

October 2018	Board appointed Dr. Harold Blackman and Dr. Todd Combs to the Idaho EPSCoR Committee (replacing Dr. Mark Rudin and Dr. Kelly Beierschmitt, respectively).
June 2019	Board appointed David Barneby and reappointed Gynii Gyllian to the Idaho EPSCoR Committee, both representing the private sector.
February 2021	Board reappointed Mark Nye, Doyle Jacklin, and Dennis Stevens, and appointed Donna Lybecker, Christopher Nomura, and Marianne Walck to Idaho EPSCoR Committee.
October 2021	Board reappointed Laird Noh and Skip Oppenheimer, and appointed Dr. Nancy Glenn to the Committee to serve as an ex-officio member representing Boise State University.
August 2022	Board reappointed David R. Tuthill Jr. and appointed Martin Blair, Yolanda Bisbee and Mathew Reiber to the Committee.

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies and Procedures, Section III.W. Higher Education Research

BACKGROUND/DISCUSSION

The Established Program to Stimulate Competitive Research (EPSCoR) represents a federal-state partnership to enhance the science and engineering research, education, and technology capabilities of states that traditionally have received smaller amounts of federal research and development funds. As a participating state, Idaho EPSCoR is subject to federal program requirements and policies established by the Idaho State Board of Education. The purpose of EPSCoR is to build a high-quality academic research base to advance science, technology, engineering, and mathematics (STEM) to stimulate sustainable improvements in research and development capacity and competitiveness.

Idaho EPSCoR is guided by a committee of sixteen (16) members appointed by the Board for five (5)-year terms. The membership of this committee is constituted to provide for geographic, academic, business, and state governmental representation as specified in Board Policy III.W., and includes one member from each chamber of the Legislature.

Following the 2022 elections, the Idaho EPSCoR Committee is recommending the new appointments of Senator James Ruchti and Representative Britt Raybould to replace the late Senator Mark Nye and former Representative Laurie Lickley, respectively. The committee is also recommending the regular appointments of Carmen Achabal, Phillip Reppert, Will Osborne, and Ronald Jones for five (5)-

Idaho State Board of Education
650 West State Street, 3rd Floor
Boise, ID 83702

RE: Appointment to EPSCoR Committee

Dear Chair and Members of the Idaho State Board of Education:

The purpose of this letter is to inform you of my interest in being appointed to the EPSCoR Committee as a representative of the Idaho Senate. I would like to be a part of EPSCoR's efforts to bring more federal research and development money to Idaho to enhance science and engineering education and technology. I am particularly interested in the opportunities these funds will provide the next generation of Idaho scientists and engineers who are looking for ways to solve challenges we face in Idaho and throughout the nation.

I am a fifth generation Idahoan. I am a graduate of the United States Military Academy (1993) and a former United States Army Military Intelligence Officer (1993-98). I received my law degree from the University of Idaho (2001). I have been a trial attorney for over twenty years and own my own law practice in Pocatello. I served in the Idaho House from 2006-10 and returned to the House in 2020. I was elected to the Idaho Senate in 2022 and currently serve there.

My wife has her Ph.D. in education from the University of Idaho. She is a professor at the College of Education at Idaho State University. We have two adult sons who are off tackling the world and making us proud.

Thank you for considering my request. Please let me know if you have any questions I can answer.

Sincerely,

A handwritten signature in blue ink, reading "James D. Ruchti".

House of Representatives State of Idaho

July 13, 2023

Idaho State Board of Education
650 West State Street, 3rd Floor
Boise, ID 83702

RE: Appointment to EPSCoR Committee

Dear Chair & Members of the Idaho State Board of Education,

I write to request appointment to the EPSCoR committee as a representative of the Idaho House. EPSCoR's mission to build out Idaho's research capacity to improve its standing within the scientific and technological communities represents a critical contribution to our state's future success. Through EPSCoR, I anticipate that the state can support the consistent focus and investments needed during the next decade to advance essential research.

I received my undergraduate degree from Boise State University and my masters from Westminster College. In 2021, I returned to BSU to pursue a Ph.D. in Public Policy and Administration. Outside of school and the legislature, I'm the CFO for our third-generation family farm in Eastern Idaho. My prior experience also includes service on regional, state, and national boards with a significant amount of time spent in Washington, D.C., advocating for Idaho's potato industry.

Thank you for your consideration. Please let me know if you have any additional questions I can answer.

Sincerely,

A handwritten signature in black ink that reads "Britt Raybould".

June 20, 2023

Dr. Doyle Jacklin
Chair, Idaho EPSCoR Committee
875 Perimeter Drive, MS 3029
Moscow, ID 83844-3029

Dr. Jacklin,

Please accept this letter as my expressed interest in serving on the Established Program to Stimulate Competitive Research (EPSCoR) Committee for the State of Idaho. I am confident my work experience has uniquely prepared me to be a contributing member of the EPSCoR committee.

I currently serve as the Idaho Global Entrepreneurial Mission (IGEM) program manager for the Idaho Department of Commerce. The IGEM program is founded on public-private partnerships between Idaho's public research universities and Idaho businesses and industries. Together with the Offices of Research and Economic Development for Idaho's three public research universities: Boise State University, Idaho State University, and the University of Idaho, we work to bring forward research projects with commercial viability for IGEM funding consideration.

A critical responsibility in administering this program is identifying the needs of our customers. It is dependent on recognizing opportunities for collaboration, matching strategic partners together, and aligning resources and programs best suited to help Idaho companies and universities succeed. Likewise, understanding Idaho's research strengths and its impact to the economic fabric of Idaho is crucial to its development. As an inaugural member and contributing author to the Idaho Knowledge Report, a yearly publication that outlines Idaho's industry activity and trends, this experience provided me with a comprehensive understanding of Idaho's economic health. This, along with my experience in the private sector provides me with a truly unique and balanced approach in serving on the EPSCoR committee.

I am confident the professional and personal relationships I have fostered across the state of Idaho and region, coupled with my intimate knowledge Idaho's research capacity and Idaho businesses, makes me an ideal candidate to serve on the EPSCoR committee. Thank you for your consideration.

Respectfully submitted,

Carmen Mendez Achabal

CARMEN ACHABAL
4627 Berkshire Drive
Boise, Idaho 83704
208.941.3638
Carmen.Achabal@gmail.com

Renowned professional with over 20 years comprehensive experience in public and private service. Recognized Idaho entrepreneurial influencer. Successful grant administrator who cultivates university-industry partnerships fostering economic and workforce development. Accomplished director of a corporate process improvement program yielding over \$100 million dollars in savings. Technology project manager and business analyst whose clients included the State Department of Education, State Board of Education, and the Idaho Transportation Department. Motivational supervisor knowledgeable in organizational development and training. Excellent communicator, team member, and individual contributor. Respected Idaho volunteer and advocate.

PROFESSIONAL EXPERIENCE

Idaho Department of Commerce, Boise, Idaho 2014 – present
Idaho Global Entrepreneurial Mission Program Manager

Facilitate cooperative partnerships to bring innovative ideas, concepts, and products to commercialization; bridge partnerships by matching university expertise and capabilities with industry needs to advance economic development across the state; make Idaho receptive to new technologies and talent by supporting entrepreneurial endeavors like Trailhead, the Think Big Festival, and the Idaho Entrepreneurial Challenge; collaborate with economic and workforce development professionals and organizations to strengthen Idaho businesses and industries; explore opportunities to advance the Idaho National Lab and the Center for Advanced Energy Studies; lead Energy industry collaborations.

- Foster university-industry partnerships to bring new economic opportunities to Idaho
- Promote economic development through commercialization research with Idaho universities
- Liaise with Idaho's entrepreneurial, start-up, technology, and investment communities

Xtreme Consulting Group Inc. (formerly Blackfin Technology), Boise, Idaho 2011 – 2014
Business Analyst and Project Manager

Elicited, analyzed, and documented requirements for business processes, policies, and information systems; served as a liaison among business stakeholders to understand business problems and process improvement opportunities; assisted in the implementation of a multi-million-dollar driver services system.

- Translated customer needs into project work documents that led to business solutions
- Crafted project statement of work documents, requests for proposals, and project vendor contracts
- Prepared project vision documents, use cases, and business rules for project development

Division of Financial Management, Boise, Idaho 2009 – 2010
Legislative Session - State Efficiency Officer

Analyzed agency improvement plans and researched cost savings implications; compared and identified state organizational processes and expenditure saving opportunities; communicated operational recommendations to legislators, agency directors, members of the media, and the general public; generated and analyzed agency data for specific legislative topic reports.

- Evaluated agency performance and metric compliance to validate state operational funding
- Managed the state efficiency website and reported all activity in comprehensive public reports
- Implemented agency cost savings initiatives, while meeting program statutory directives

Weyerhaeuser, Boise, Idaho
Innovators Program Manager

2004 – 2009

Created, designed, and administered a World Class international corporate process improvement program; supervised program managers in Canada, Australia, Belgium, and in over 70 locations across the United States; implemented LEAN and innovative problem solving methodologies to resolve corporate inefficiencies; integrated the Innovators Program in New Product Development and Marketing initiatives; communicated program achievements to corporate leaders, shareholders, and employees; served as an integral member of various project development and commercialization teams.

- Delivered over \$100 million dollars in corporate savings
- Facilitated organizational development activities to increase team cooperation and dynamics
- Served as a certified corporate trainer in the areas of Coaching for Performance; Weyerhaeuser Value Stream and Proposition; Documenting and Discipline

Idaho Department of Labor, Boise, Idaho
Unemployment Insurance Technical Services Supervisor

1995 – 2004
2009 – 2011

Elevated the state of Idaho's Unemployment Insurance performance from 47th in the nation to 2nd in Benefit Timeliness and Quality; administered over \$1.1 Billion dollars in unemployment insurance benefits; supervised a professional team of program analysts who provided technical support to adjudicators and management across the state; validated the state of Idaho's unemployment insurance operations necessary to receive federal funding; crafted use cases for the development of the new Idaho Unemployment System.

- Adjudicated and reviewed over 10,000 legal determinations and rendered over 200 Appeals decisions
- Drafted, tracked, and presented Unemployment Insurance legislation before legislators, agency officials, members of the media, union officials, and constituents
- Interpreted and implemented US DOL regulations in state of Idaho operations for program compliance

Re: Idaho EPSCoR Committee Nomination

Dear Dr. Jacklin,

I'm writing to express my interest in participating as a member of the Idaho EPSCoR Committee. My background in academia along with my experience in the Department of Energy national laboratory system will be an asset to the committee. Additionally, in my current position as the director of Idaho University Collaborations and the Center for Advanced Energy Studies at Idaho National Laboratory, I have the opportunity to regularly interact with Idaho university researchers. This interaction provides me with a unique perspective of research in Idaho.

Please find attached a short resume of my experience.

Sincerely,

Philip M. Reppert, Ph.D.
Director, Idaho University Collaborations and
the Center for Advanced Energy Studies (CAES)

Biography

Philip Reppert, Ph.D.

Director, Center for Advanced Energy Studies and Idaho University Collaborations, Idaho National Laboratory

Dr. Philip Reppert provides oversight of the partnership between Idaho National Laboratory (INL) and its Idaho university partners in his role as director of the Center for Advanced Energy Studies and Idaho University Collaborations.

Reppert joined INL in 2022. He has a diverse background that crosses several disciplines related to advanced energy studies, both within and outside of government. His research in rock physics and near surface geophysics has helped him develop an extensive collaborative network that includes Department of Defense, Department of Homeland Security, Department of Transportation, U.S. Geological Survey, Department of Energy, industry and academia.

Prior to joining INL, Reppert served as associate director of Geological and Environmental Systems at the National Energy Technology Laboratory. There, he led an organization with laboratories in three states and set the strategic vision for research teams in disciplines that include geospatial science, geophysics, geochemistry, reservoir engineering, computational and data science, machine learning, and image science.

Reppert's experience includes more than a decade with two federal agencies, the National Geospatial-Intelligence Agency and Defense Threat Reduction Agency. At each, he held a number of supervisory positions.

At the National Geospatial-Intelligence Agency, Reppert led a multiagency program to detect and map deep tunnels. He also led the gravity gradiometer program, which developed a mobile land-based gravity gradiometer, and held several leadership positions, including chief of exploratory science and technology in the Innovision directorate, chief

continued on back...

of the Subsurface group in the Research directorate, and chair of the Interagency Geotechnical Assessment Team.

At the Defense Threat Reduction Agency, Reppert oversaw a program that developed an innovative technique for seismic while drilling and worked as a test scientist on the Massive Ordnance Penetrator program and other weapons effects tests. He also held several leadership positions at the agency, including section chief and chair of the Interagency Geotechnical Assessment Team.

His career in industry features research and engineering roles at Applied Research Associates, Pennsylvania Power and Light Company, Bechtel Power Corporation, and Texas Instruments.

Reppert has served as an assistant professor at Clemson University and a visiting scientist at the Earth Resources Laboratory, part of the Massachusetts Institute of Technology (MIT).

He earned a doctorate in geophysics from MIT and a bachelor's degree in electrical engineering from Pennsylvania State University. Reppert holds memberships in the American Geophysical Union and Society of Exploration Geophysicists.

He and his wife have four daughters. They enjoy colt starting and other equestrian activities. In his free time, he enjoys writing family-friendly novels.

November 10, 2022

To: Mr. Doyle Jacklin
From: Will Osborne
Re: Consideration for EPSCoR Committee Participation

Dear Mr. Jacklin:

Thank you for considering me for membership on the EPSCoR Committee.

Having lived and worked in Montana and Idaho my entire life, I've come to appreciate the value and challenges of higher education we are faced with in this region. As the world becomes more and more focused on technology, the importance of STEM opportunities continues to grow. I would be honored to play a small part in helping to improve opportunities for our local higher education institutions that have been historically underfunded, specifically in scientific research grants.

It appears that for the EPSCoR states, regardless of which metric is used, there is significant underfunding compared to more populated states outside the EPSCoR jurisdiction (see Exhibit 1). This not only hinders the institutions and their students, it also hinders the potential scientific contributions of our region and nation as a whole. Working with the Idaho EPSCoR committee to better utilize Federal grant money already on the table would be very interesting and rewarding.

Achieving a competitive level of research creates many benefits for the educational institution, such as:

- Improves student and faculty recruitment
- Improves technical expertise
- Increases opportunity for grants
- Increases media coverage and visibility
- Increased opportunity for the benefits of private philanthropy

As for my background, I received a BS degree with honors in Business Finance from Montana State University. I worked in tourism industry directly out of college, and then found my way into the construction industry. I have worked in construction for the last 30 years.

In my current role as Sr. Vice President of Operations for Great Floors, I am responsible for a large variety of business activity. I reflect on my education often and utilize many elements gained through the university experience. I truly believe solid education is critical for success in the business world.

One element of my current role that I do feel is pertinent to this discussion is the time I spend reviewing and approving contracts. This responsibility has given me a critical eye in reviewing contract language. I do possess strong written and verbal communication skills, which hopefully, can be a benefit to your efforts.

Regards,

Will Osborne

Vita for Ronald Jones, 3717 N 2544 E, Twin Falls, ID 83301, ronjones1977@gmail.com , 208-539-1393 for EPSCoR Committee Member consideration

Jones was raised on a family farm southwest of Twin Falls and graduated Filer High School in 1973 as a National Merit Finalist. He graduated South Dakota State University in 1976 with a BS in Agricultural Economics and Colorado State University in 2008 with an MBA.

In 1977 he was selected as one of 14 Americans for an agricultural technical exchange with the USSR. After immersion Russian language training, the group spent four months in Russia, Byelorussia and Ukraine exchanging technical and cultural information on farms and at agricultural colleges.

After marriage in 1977 to Carol Pearson, he returned to the family business and farmed until 2007.

While farming, he served as a Supervisor of the Snake River Soil and Water Conservation District (and still does). He served two years as President of the Salmon River Canal Co. In 1994 he was selected by the U S Bankruptcy Court to represent the 171 shareholders of the canal company in a bankruptcy case. This led to a deep education in water law and its application in Idaho, especially in water-short areas.

In 1997 he served as chairman of the organizers, then Chairman of the Board of Magic Valley Bank, a de novo bank in Twin Falls. That bank was merged in 2004 into Intermountain Bancorp (a NASDAQ company) and he served ten years there as a director, a member of the Audit Committee and the Directors Loan Committee.

Since 2002, he has served as CFO of Ecolotree, Inc., a small Iowa environmental engineering company that practices phytoremediation and evapotranspiration, the use of plants to mitigate contamination and transpire excess water. The company has about 100 sites across the US and abroad, treating landfill leachate, tertiary wastewater, excess nutrients, dioxane, in situ PCB, PAHs and petroleum byproducts. Clients include the USAF, Army, NASA, the cities of Seattle and Milwaukee and Republic Waste. Jones' primary responsibility is oversight of the company's patents and contracting. Current projects include cooperative research with the University of Iowa and the Dept. of Defense using a passive biological treatment system to remove dioxane from a groundwater plume. This research includes testing poplar trees inoculated with different microbes selected for efficacy in remediating the particular contaminant chemistry.

Jones currently serves as the Negotiator for the Couther Idaho Potato Cooperative. This group negotiates with the French fry processors to set the price farmers receive.

Jones serves on the Board of Leadership Idaho Agriculture.

The past seven years he has been a representative for farmers on the Mid Snake Watershed Area Group (WAG) reviewing the TMDL for the middle Snake River.

Jones is a member of Clean Water Partners, a group working to create pollution credit trading to mitigate nutrient contamination in the Snake and Boise rivers.

Jones served 25 years as a Scoutmaster and is a recipient of the Silver Beaver Award.

How I might be helpful as a member of the Idaho EPSCoR board

My background education is in agriculture, economics and finance. My life experience has given me an unusual combination of knowledge and skills related to some of the topics most important to Idaho's future.

It's cliché to say that water is the lifeblood of Idaho – but it's true. I believe my experience in agriculture, soil conservation, water law and water history, as well as an understanding of the “culture” of agriculture in Idaho could provide useful insight. I have served many years as a Soil and Water Conservation District supervisor and several years on the liaison committee for USDA Agricultural Research Service in Kimberly. The farmers are always interested in the basic research, but asking how that can be applied and scaled to have an effect on the real world of agriculture.

My experience as CFO of a small engineering company has taught me the challenge of moving from an idea to a patent, and from a patent to a product that generates revenue. Our company has been in existence since 1990 and is appropriately lean (but not mean). We have current active research projects involving the USAF and US Army and two universities. I am aware of the paperwork required and the overhead price of research; both in time and money. The process can be excruciatingly slow and companies can easily burn out in the continual search for research funding. Conversely, I believe research should have a clear goal, a timeline, a budget and deliverables that demand focus and expense management.

As a member of bank's senior loan committee (a very interesting job), we were continually reviewing new proposals and projects, looking at pro formas and forced to make judgement on the viability of the project and the borrower. That experience could be useful to EPSCoR. Although the measurements may be different, there is room for a funnel of review that focuses on the most useful and competitive research ideas, recognizing that EPSCoR is entrusted to identify and support deserving research.

The conditions in Idaho agriculture are unprecedented and, in my opinion, not fully recognized. We have never had this combination of growing demand, competition for acres, high input prices and uncertain water. Focus on these challenges will affect the demand for research to support the important political and practical decisions required.

In review of the current research supported by Idaho EPSCoR, I was intrigued to read of the genomic work on sagebrush. My backyard holds approximately 1/3 acre of native plants, including several species of sagebrush, penstemons, buckwheats, native grasses and various other low water plants. It's interesting how some of the plants not expected to grow here, do well. That may be climate change or it may be microclimates and unique soil conditions. That causes me to consider how those variations are related and the complexity of ecosystems. The rapid emergence of technology for soil analysis, biome evaluation, microbial activity and soil physics is moving much more quickly than the extension and application of the knowledge.

Respectfully,
Ron Jones

AUGUST 23, 2023

SUBJECT

Higher Education Research Council (HERC) Committee Re-Appointments

REFERENCE

August 2014	Board appointed Dr. Kelly Beierschmitt to the Higher Education Research Council as the INL representative, replacing Dr. Hill.
October 2014	Board appointed Ms. Robin Woods and re-appointed Dr. Haven Baker to the Higher Education Research Council for a three (3) year term.
August 2016	Board re-appointed Mr. Bill Canon to the Higher Education Research Council for a term expiring June 30, 2019.
October 2018	Board re-appointed Dr. Haven Baker and Ms. Robin Woods as non-institutional representatives for terms expiring June 30, 2020, and approved the appointment of Dr. Todd E. Combs as the INL representative.
June 2020	Board appointed Ms. Eileen Langan-Barber and Ms. Heather Messenger as non-institutional representatives for terms expiring June 30, 2023.
December 2021	Board appointed Mr. Douglas Sayer as a non-institutional representative for a term expiring June 30, 2024.

BACKGROUND/DISCUSSION

The Higher Education Research Council (HERC) is responsible for implementing the Board's research policy (Board Policy III.W.) and provides guidance to Idaho's four-year public institutions for a statewide collaborative effort to accomplish goals and objectives set forth in Board policy. HERC also provides direction for and oversees the use of research funding provided to the Board by the Legislature to promote research activities that will have a beneficial effect on the quality of education and the economy of the state.

HERC consists of the Vice Presidents of Research from Boise State University, Idaho State University, and the University of Idaho and a representative of Lewis-Clark State College; a representative of the Idaho National Laboratory (INL); and three (3) non-institutional representatives, with consideration of geographic, private industry involvement and other representation characteristics. The Board shall appoint the three non-institutional representatives. The appointments of the representative of INL shall be subject to approval of the Board. HERC appointments for non-institutional representatives are appointed for staggered three-year terms.

Ms. Eileen Barber has completed her first term as a non-institutional representative and desires to serve a second term. Barber co-founded Keynetics along with Geoff Hoyl and Dr. Timothy Barber in 1998 and has served on its board of directors since

CONSENT
AUGUST 23, 2023

that time. Eileen has been involved in the growth and expansion of Keynetics, ClickBank, and Kount, building a global reputation for quality solutions in the e-commerce industry. In addition to her continued service on the Keynetics and ClickBank board, Barber has served Keynetics in various capacities including President, Corporate Treasurer, Audit Committee Member, and Compensation Committee Member. She currently serves on the board of several non-profits including Boise State University Foundation, Trailhead, Small Village Foundation, and has been a member of Idaho Woman's Charitable Foundation since 2003. Additionally, Barber has served on the board of the Idaho Shakespeare Festival for over 10 years and was President of the Board, 2016-2017. She earned a BA in Chemistry from Virginia Tech in 1991.

Ms. Heather Messenger has completed her first term as a non-institutional representative and desires to serve a second term. Messenger has more than 25 years' experience in life-sciences industry across biotech startup, incubator, and dynamic growth companies. With a diverse background in both the pharmaceutical and biotechnology sectors, Messenger has led innovative therapeutic, medical device, and diagnostic development from R&D to commercialization. Her involvement in more than six startup biotech companies brings strategic insight to the business, operations and technical execution plans necessary for early stage company planning and growth. Holding a number of executive and leadership roles throughout her career, Messenger has cultivated significant partnership, joint venture, and executive sponsor relationships.

February 2023	The Board approved the appointment of Ms. Ballard.
April 2023	The Board approved the appointment of Dr. David Aiken and Ms. Jessica Matsaw, new at-large members, Dr. Dean Fisher, and reappointments of Ms. Joyce McFarland and Ms. Shirley Allman.

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies and Procedures, Section I.P.

BACKGROUND/DISCUSSION

The Idaho Indian Education Committee serves as an advisory committee to the State Board of Education (Board) and the State Department of Education (Department) on educational issues and how they impact Idaho's American Indian student population. The committee also serves as a link between Idaho's American Indian tribes. Pursuant to Board Policy I.P., the Idaho Indian Education Committee consists of 19 members appointed by the Board. Each member serves a term of five years. Appointments to vacant positions during a previous incumbent's term are filled for the remainder of the open term.

The membership consists of:

- One representative from each of the eight public postsecondary institutions
 - Nominations are submitted from the institution president

CONSENT
AUGUST 23, 2023

- One representative from each of the five tribal chairs or their designee
 - One representative from each of the five tribal education departments
 - One representative from each of the two Bureau of Indian Education schools
 - Representatives must be a school board member, administrator, or designee
 - One representative from the State Board of Education
- All members are voting members.

Members serve five-year terms and may be reappointed at the end of each term. Terms run from July 1 of the appointing year to June 30 of the year they expire.

IMPACT

The proposed appointments replace representatives for the Shoshone-Bannock Bureau of Indian Education school, the Shoshone-Bannock Tribes, and North Idaho College on the committee.

ATTACHMENTS

- Attachment 1 – Current Committee Membership
- Attachment 2 – Bureau of Indian Education School nomination
- Attachment 3 – Shoshone-Bannock Tribes nomination
- Attachment 4 – North Idaho College nomination

BOARD STAFF COMMENTS AND RECOMMENDATIONS

Mr. Allen Mayo is the Administrator for the Shoshone-Bannock Jr-Sr High School and will replace Mr. Hank McArthur as the school's representative on the committee. If approved, the term for Mr. Mayo will be effective August 23, 2023 and run through June 30, 2027. A letter of nomination is provided as Attachment 2.

Mr. Gaylen Edmo is a member of the Fort Hall Business Council and will replace Mr. Ladd Edmo as their education representative on the committee. If approved, the term for Mr. Gaylen Edmo will be effective August 23, 2023 and expire June 30, 2027. A tribal resolution is provided as Attachment 3.

Mr. Alex Harris is the Dean of Students at North Idaho College (NIC) and will replace Ms. Gail Ballard as NIC's representative on the committee. If approved, the term for Mr. Harris will be effective August 23, 2023 and expire June 30, 2027. A letter of nomination is provided as Attachment 4.

These nominations were shared with the Idaho Indian Education Committee on July 6, 2023 and the committee recommends approval of the appointments as presented.

Staff recommends approval.

March 1, 2023

Dear Office of the State Board of Education:

As a BIE Tribally Controlled School, the Shoshone-Bannock School Board does hereby nominate our District Administrator - Allen D. Mayo to represent our school on the Idaho Indian Education Committee.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Tony Saiz', is written over a faint, larger blue signature that is partially visible in the background.

Tony Saiz

Shoshone-Bannock School Board Chairperson

RESOLUTION

WHEREAS, the Idaho Indian Education Committee (IIEC) is a standing committee designated in advocate for American Indian students and schools, to act as an advisory board to the Idaho State Board of Education and provide a link for all five (5) tribes of Idaho; and

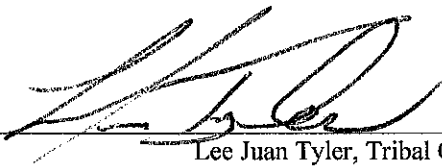

WHEREAS, the IIEC includes representation from the five tribal councils, Tribal education, and the BIE schools, college and university, and from the State Board of Education; and

WHEREAS, Business Council member Gaylen Edmo is the new Tribal Council representative serving on the Idaho Education Council; now

THEREFORE, BE IT RESOLVED BY THE BUSINESS COUNCIL OF THE SHOSHONE BANNOCK TRIBES, that approval is hereby given to authorize Business Council member Gaylen Edmo as liaison to the Idaho Indian Education Committee as a representative of the Shoshone-Bannock Tribes serving as Tribal designee.

Authority for the foregoing resolution is found in the Indian Reorganization Act of July 18, 1934 (48 Stat., 984), as amended, and in the Shoshone-Bannock Tribes Constitution and Bylaws of the Fort Hall Reservation, as amended, including but not limited to the authority found in the Constitution, Article VI.

Dated this 05th day of July 2023.

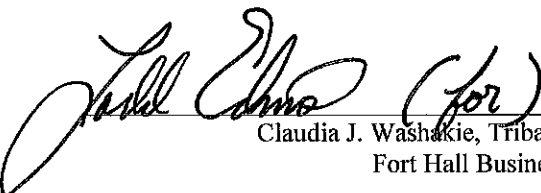

Lee Juan Tyler, Tribal Chairman
Fort Hall Business Council

S E A L

CERTIFICATION

I HEREBY CERTIFY, that the foregoing resolution was passed while a quorum of the Business Council was present by a vote of 5 in favor, 1 absent (SM), and 1 not voting (LJT) on the date this bears.

Claudia J. Washakie, Tribal Secretary

June 22, 2023

Patty Sanchez
Office of the State Board of Education
650 West State Street, 3rd Floor
Boise, ID 83702

Dear Ms. Sanchez:

Please accept my enthusiastic nomination of Alex Harris to serve as the North Idaho College representative on the Idaho Education Committee, replacing Gail Ballard.

Alex Harris currently serves as North Idaho College's Dean of Students. In his two-decade tenure at NIC, he has worked in or supervised multiple student services areas, including Student Development, Recreation, Conduct, Residence Life, Security, Disability Support Services, Athletics, Health Promotion, Counseling, Crisis Response, Student Activities and Clubs, New Student Orientation, the Children's Center, Program Review, and Cultural Diversity. In addition, he has served on several college committees, including Institutional Integrated Planning, Core Accreditation, Staff Assembly Executive Committee, and Senate.

Alex is a first-generation college graduate and knows firsthand the powerful impact of NIC's people and programs on students' lives. He earned his Associate degree at NIC and his Bachelor's degree at the University of Idaho. He has continued his education through professional development, completing hundreds of hours of training in threat assessment, behavioral intervention, Title IX, and organizational leadership. Alex feels fortunate to be a part of North Idaho College and is committed to working alongside the students, faculty, and staff to support the people and programs that deliver the academic excellence, student supports, and open access to education that our communities depend on.

Alex, his wife Emily, and their sons Fisher and Archer enjoy boating, fishing, attending baseball and football games, and spending time in nature. Alex is a long-time community advocate for Autism and is a reluctant but enthusiastic coach for several youth sports teams.

Thank you for your consideration and please do not hesitate to let me know if you need anything further to support this nomination.

Sincerely,

Nick Swayne, Ph.D.
President

Accountability Oversight Committee Appointments

REFERENCE

April 2010	Board approved Board Policy III.AA, creating the Accountability Oversight Committee.
April 2016	Board approved second reading of proposed amendments to Board Policy I.Q. to revise the Accountability Oversight Committee membership by adding a fifth at-large member who has a background in special education.
October 2018	Board approved second reading of proposed amendments to Board Policy I.Q. adding two (2) members to the committee and further designating representation.
April 2021	Board approved reappointment of Laurie Copmann and Jodie Mills.
June 2021	Board approved appointment of Iris Chimburas.
June 2022	Board approved appointment of Wendy Johnson and reappointment of Julian Duffey, Anne Ritter, and Roger Stewart.

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section I.Q.
Accountability Oversight Committee

BACKGROUND/DISCUSSION

The Board's Accountability Oversight Committee (AOC) was established in April 2010 as an ad-hoc committee of the Idaho State Board of Education. The committee is charged with providing "recommendations to the Board on the effectiveness of the statewide student achievement system and make recommendations on improvements and/or changes as needed." Board Policy I.Q., Accountability Oversight Committee, outlines the membership and responsibilities of the committee. The committee consists of:

- Two Board members
- The Superintendent of Public Instruction (or designee)
- One member with special education experience
- One member with experience serving in a school district with a focus on assessment and accountability
- One member with experience as a district superintendent
- One member with experience as a school principal or charter school administrator
- One person with experience working with student achievement assessments and data
- Two members at-large.

CONSENT
AUGUST 23, 2023

The current terms for Iris Chimburas, Laurie Copmann, and Jodie Mills ended on June 30, 2023. Laurie Copmann will not be seeking reappointment, but has agreed to serve on the committee until her replacement is confirmed by the Board. Iris Chimburas and Jodie Mills have provided letters of interest and resumes for consideration of reappointment (Attachments 2 and 3). The Accountability Oversight Committee recommends the reappointment of Iris Chimburas and Jodie Mills.

In June 2021, Iris Chimburas was appointed for her first term on the AOC as an at-large member. Iris was recommended by the Indian Education Committee and has over twenty years of experience as an educator. She is currently the Dean of Students for Lapwai School District in Lapwai, Idaho. As Director of Indian Education (previously titled Dean of Students), Iris works directly with students, teachers, parents, administration, tribal elders, and the community to improve student outcomes through the development of a school culture focused on optimism, respect, safety, and success. Prior to moving into her current role in 2019, she spent twenty years as a teacher in the Lapwai School District. Iris has served on both the Indian Education Committee and Professional Standards Committee. Iris Chimburas has a Bachelor of Science in Elementary Education K-8 and Standard Exceptional Child Generalist K-12 from Lewis Clark State College, and a Master in Education from the University of Idaho. Her notice of interest and resume are provided as Attachment 2.

Jodie Mills was initially appointed to the AOC in August 2018 and was reappointed in June 2019 and June 2021. Jodie is designated as the member with experience serving in a school district with a focus on assessment and accountability. Jodie joined the administration team for Boise Independent School District in April 2021, and is currently the Chief Academic Officer. In this role, Jodie oversees the development and implementation of the district's curriculum through all phases of the teaching, learning, and assessment cycle. Jodie previously held various leadership positions in the Caldwell School District, including Interim Superintendent and Chief Academic Officer. In the latter role, Jodie supervised all district academic and assessment services. She was previously the Systems Improvement Coordinator for the Idaho State Department of Education, supporting implementation of school improvement plans and guiding schools and districts in using data to identify strengths and weaknesses in their system. Jodie also has extensive experience working with school districts and schools, including as a Principal, Assistant Principal, Director of Testing, Director of Federal Programs, and as a Science and Physical Education Teacher. Jodie has a Bachelor of Science in Secondary Education from Western Montana College, a Master of Education from University of Idaho, and an Education Specialist in Education Leadership / Superintendent from University of Idaho. Her notice of interest and resume are provided as Attachment 3.

IMPACT

CONSENT
AUGUST 23, 2023

Reappointment of Iris Chimburas and Jodie Mills will allow them to maintain their positions on the committee through June 30, 2025.

ATTACHMENTS

Attachment 1 – Current Accountability Oversight Committee Membership List

Attachment 2 – Iris Chimburas Notice of Interest and Resume

Attachment 3 – Jodie Mills Notice of Interest and Resume

BOARD STAFF COMMENTS AND RECOMMENDATIONS

Pursuant to Board Policy I.Q., terms run from July 1 through June 30 of the applicable year. In making appointments to the Accountability Oversight Committee, consideration should be given to the appointees' background, representative district / school size, and regional distribution.

Staff recommends reappointment of Iris Chimburas and Jodie Mills.

Staff is supporting the committee in gathering resumes for consideration to recommend an individual to fill Laurie Copmann's position on the committee; this recommendation will be presented to the Board at the next meeting.

BOARD ACTION

I move to approve the reappointment of Iris Chimburas to the Accountability Oversight Committee, as an at-large member, for a term of 2 years commencing July 1, 2023 and ending on June 30, 2025.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

AND

I move to approve the reappointment of Jodie Mills to the Accountability Oversight Committee, representing district level assessment and accountability, for a term of 2 years commencing July 1, 2023 and ending on June 30, 2025.

July 24, 2023

Dear Members of the State Board of Education,

I am writing to confirm my interest in being reappointed to the Accountability Oversight Committee. I have served as an at large member, while sharing my perspective on the unique needs of our state's American Indian students. I would like to continue to share my perspective and work with the committee. If it is the pleasure of the Board, I would like to be considered for reappointment.

Thank you,

Iris Chimburas
Director of Indian Education
Lapwai School District

LAPWAI SCHOOL DISTRICT
Dean of Students

2019-Present

The goal of Dean of Students is to work directly with students, teachers, parents, administration, elders, and community in establishing a Culture of Hope. It required many to rethink how we view teaching and learning. Instilling optimism in students from low-income families cannot be random or occasional; it demands a unified, sustained, school wide effort. A Culture of Hope School

approach challenges from an optimistic, positive perspective. School improvements comes only with attention to attitudes, values, visions, and expectations of the entire community. These qualities were instilled within our schools, students, teachers, and our community. Together we created a school atmosphere focused on optimism, respect, safety, and success.

This was achieved through:

- Behavior Intervention and Support, Protocol
- PBIS/ Intentional classroom management training/restructuring to a more Cultural Response to PBIS
- Restorative Justice Practices teacher mindset shift
- Social Emotional Support System
- Universal Design of Intervention Strategies and Consequences
- Response to Intervention/MTSS-Multi-Tiered System of Supports including Culturally Responsive Practices
- Culturally Responsive Practices and Policies,
- Community
- Empowerment Assemblies and creating student empowerment in all areas
- we transformed our policies to reflect a more cultural approach partnership for student support & success aligning our community and Elder supports within our school. Community Mentors for teachers
- Alternative Learning/Alternative Learning Environment
- Student Leadership

LAPWAI SCHOOL DISTRICT
Certified Teacher

1999-2019

PLANNING FOR INSTRUCTION

- Create rigorous, objective-driven lessons directly aligned with state standards.
- Established clear objectives for all lessons, units, and projects and communicate those objectives to students.
- Plans and conducts balanced program of instruction, demonstration, and work time that provides students with opportunities to observe, question, and investigate.
- Incorporate research-based best practices into everyday teaching strategies.

DELIVERY OF INSTRUCTION

- Provide many and varied opportunities for students to achieve mastery while working to promote achievement by all students without exception.
- Clearly states objective while modeling, demonstrating, and explaining new content.
- Engaging students in the lesson through integrating verbal, visual, and physical modalities of learning.

ASSESSMENT

- Measure student achievement and progress towards goals using the formative and summative assessments.
- Provide ongoing and timely feedback to students on their progress by frequently checking for understanding.
- Use data to reflect on effectiveness of lessons and student achievement progress in order to improve on instruction and personal teaching practices.

LEARNING ENVIRONMENT

- Create a focused environment of respect that encourages students to take risks and strive to reach goals.
- Communicate and enforce high expectations and standards for behavior and academic performance, aligned with Fred Jones Positive Classroom Discipline, to create a strong culture of achievement and respect.
- Implement classroom procedures, systems, and routines that provide structure for students and maximize instructional time.
- Interact with students instructionally (explaining, checking, giving feedback) while creating mobility throughout the classroom.

FAMILY AND COMMUNITY RELATIONS

- Communicate respectfully and thoughtfully with parent/guardians remaining sensitive to different families' cultures, values and needs.
- Work collaboratively with parents/guardians, families, and other members of the community to involve them in academic activities and to support the success of a diverse student population and to bring in volunteers and additional resources.

July 24, 2023

Dear Idaho State Board of Education Members;

My term as a member of the Accountability Oversight Committee recently ended (on June 30, 2023). I would like to be considered for reappointment for another two-year term.

From my perspective, the current purpose of the AOC is to provide well-researched recommendations to the State Board to help guide conversations and decisions related to school accountability, continuous improvement, and student growth and achievement. Based on my background and expertise in curriculum and assessment, I would like to continue to contribute to the work of the Accountability Oversight Committee.

Respectfully submitted,

Jodie M. Mills,
Chief Academic Officer, Boise Independent School District #1

Jodie M. Mills

Objective

Seek a reappointment to the Accountability Oversight Committee.

Experience

Chief Academic Officer

April 2020 – Current

Boise Independent School District #1

- Administration and supervision of development plans for facilitating professional development programs for teachers and school leaders.
- Administration and supervision of academic and assessment services, including intervention programs. Oversight of the development and monitoring strategies to ensure achievement of performance outcomes and learning goals.
- Collect and analyze all state and district testing data and prepare reports for administration and teachers. Analyze student achievement data with recommendations of strengths, weaknesses and overall trends with sub-populations.
- Administration, supervision and maintenance of all federal and state education budgets associated to all education programs and federal programs.

Chief Academic Officer

July 2012 – March 2020

Caldwell School District #132

- Administration and supervision of development plans for facilitating professional development programs for teachers and school leaders.
- Administration and supervision of academic and assessment services, including intervention programs. Oversight of the development and monitoring strategies to ensure achievement of performance outcomes and learning goals.
- Collect and analyze all state and district testing data and prepare reports for administration and teachers. Analyze student achievement data with recommendations of strengths, weaknesses and overall trends with sub-populations.
- Administration, supervision and maintenance of all federal and state education budgets associated to all education programs and federal programs.
- ***Interim Superintendent: June 2015 – July 2016***

Education Solutions Manager

July 2011 – June 2012

SchoolNet, Inc.

- Management and supervision of *SchoolNet* deployment: Drafting and implementing overall project plan including risks, milestones, issues, deliverables and timelines
- Management and supervision of all project plans: Professional development, support, communication, assessment, curriculum, strategic planning, data and quality assurance.

Jodie M. Mills

- Supervision of all personnel including recommendations for hiring/termination, workload, delegating of assignments, staff training, monitoring and evaluating performance, initiating corrective or disciplinary actions.

Systems Improvement Coordinator

July 2009 – July 2011

Idaho State Department of Education

- Management, implementation and coordination of all school improvement plans for districts and schools identified as “persistently low achieving”.
- Collect and analyze all state and district testing data and prepare reports for administration and teachers. Analyze student achievement data with recommendations of strengths, weaknesses and overall trends with sub-populations.
- Provide specific technical assistance and professional development to districts and schools in areas identifies as weak, specifically working with building and district leadership teams.

Principal

July 2007 – July 2009

Burley High School - Cassia County School District #151

- Administration and supervision of all classroom instruction, standards and benchmark implementation, progress monitoring and formative/summative assessments, and teacher effectiveness.
- Administration and development of all building maintenance and operations including all safety inspections and incident reporting.
- Supervision of all personnel including recommendations for hiring/termination, workload, delegating of assignments, staff training, monitoring and evaluating performance, initiating corrective or disciplinary actions.
- Administration, supervision and maintenance of all building budgets.

Director of Testing, Data Analysis and Technology

SUBJECT

Paraprofessional Academic Assessment

REFERENCE

June 2, 2023

The Office of the Idaho State Board of Education requested the Paraprofessional Academic Assessment cut score and it was provided by the State Department of Education.

APPLICABLE STATUTE, RULE, OR POLICY

IDAPA 08.02.02.007.10

BACKGROUND/DISCUSSION

A paraprofessional is a non-certificated individual who is employed by a school district or charter school to support educational programming. Paraprofessionals must work under the direct supervision of a properly certificated staff member for the areas they are providing support. Paraprofessionals cannot serve as the teacher of record and may not provide direct instruction to a student unless the paraprofessional is working under the direct supervision of a teacher.

a. To qualify as a paraprofessional the individual must have a high school diploma or general equivalency diploma (GED) and:

- i. Demonstrate through a state approved academic assessment knowledge of and the ability to assist in instructing or preparing students to be instructed as applicable to the academic areas they are providing support in; or
- ii. Have completed at least two (2) years of study at an accredited postsecondary educational institution; or
- iii. Obtained an associate degree or higher-level degree; demonstrate through a state approved academic assessment knowledge of and the ability to assist in instructing or preparing students to be instructed as applicable to the academic areas they are providing support in.

b. Individuals who do not meet these requirements will be considered school or classroom aides.

c. Duties of a paraprofessional include, but are not limited to, one-on-one tutoring; assisting in classroom management; assisting in computer instruction; conducting parent involvement activities; providing instructional support in a library or media center; acting as a translator in instructional matters; and providing instructional support services. Non-instructional duties such as providing technical support for computers, personal care services, and clerical duties are generally performed by classroom or school aides, however, this does not preclude paraprofessionals from also assisting in these non-instructional areas. Every Student Succeeds Act (ESSA) Section 1111(g)(2)(J) the State educational agency will ensure that all teachers and paraprofessionals working in a program supported with funds under

CONSESNT
AUGUST 23, 2023

this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification;

IMPACT

If the Board approves the Paraprofessional Academic Assessment and cut score through ETS listed in Attachment 1, there would be a state-board approved academic assessment that an individual could take to qualify as a paraprofessional.

ATTACHMENTS

Attachment 1 – Paraprofessional Academic Assessment Cut Score
Attachment 2 – Paraprofessional Requirements and Standards
Attachment 3 – Paraprofessional Assessment Information Bulletin

STAFF COMMENTS AND RECOMMENDATIONS

There is not a current Paraprofessional Academic Assessment that is State Board approved. As stated in IDAPA 08.02.02.007.10, individuals may qualify as a paraprofessional through a State Board approved academic assessment. This assessment would serve as an additional option individuals may access to become a paraprofessional.

BOARD ACTION

I move to approve the Paraprofessional Academic Assessment and cut score to be used as a State Board approved Academic Assessment for qualifying paraprofessionals, as submitted in Attachment 1.

Moved by _____ Seconded by _____ Carried Yes _____ No _____

Paraprofessional Requirements and Standards

PARAPROFESSIONAL REQUIREMENTS

Idaho Code 08.02.02.007.10

Paraprofessional. A noncertificated individual who is employed by a school district or charter school to support educational programming. Paraprofessionals must work under the direct supervision of a properly certificated staff member for the areas they are providing support. Paraprofessionals cannot serve as the teacher of record and may not provide direct instruction to a student unless the paraprofessional is working under the direct supervision of a teacher.

a. To qualify as a paraprofessional the individual must have a high school diploma or general equivalency diploma (GED) and:

i. Demonstrate through a state approved academic assessment knowledge of and the ability to assist in instructing or preparing students to be instructed as applicable to the academic areas they are providing support in; or

ii. Have completed at least two (2) years of study at an accredited postsecondary educational institution; or

iii. Obtained an associate degree or higher level degree; demonstrate through a state approved academic assessment knowledge of and the ability to assist in instructing or preparing students to be instructed as applicable to the academic areas they are providing support in.

b. Individuals who do not meet these requirements will be considered school or classroom aides.

c. Duties of a paraprofessional include, but are not limited to, one-on-one tutoring; assisting in classroom management; assisting in computer instruction; conducting parent involvement activities; providing instructional support in a library or media center; acting as a translator in instructional matters; and providing instructional support services. Non-instructional duties such as providing technical support for computers, personal care services, and clerical duties are generally performed by classroom or school aides, however, this does not preclude paraprofessionals from also assisting in these non-instructional areas.

Every Student Succeeds Act (ESSA) Section 1111(g)(2)(J) the State educational agency will ensure that all teachers and paraprofessionals working in a program supported with funds under this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification;

PARAPROFESSIONAL STANDARDS

Paraprofessional Standards – May be used by LEAs as guidance for teachers and paraprofessionals.

#1 The paraprofessional has a basic knowledge of the subject areas being taught; the paraprofessional supports the teacher/provider in creating meaningful learning experiences.

#2 The paraprofessional has a basic knowledge of how students learn and develop, which supports students' intellectual, social, and emotional development.

#3 The paraprofessional is knowledgeable regarding how students differ in their approaches to learning, and are able to adapt to students' diverse needs.

#4 The paraprofessional utilizes a variety of instructional strategies to assist the teacher/provider in meeting students' needs.

#5 The paraprofessional understands the importance of and assists in creating a positive educational environment.

#6 The paraprofessional uses various communication techniques to effectively meet students' needs.

#7 The paraprofessional delivers teacher/provider designed instructional plans effectively based upon knowledge of the students, subject areas, community, and curriculum goals.

#8 The paraprofessional supports the teacher/provider in observing and collecting data related to the student.

#9 The paraprofessional engages in meaningful professional development on a regular basis.

#10 The paraprofessional interacts in a professional manner with colleagues, parents, and other members of the community.

For the ParaPro Free Test Preparation, visit [ETS Parapro Test Prep Materials](#). For the ParaPro Assessment information, visit [ETS Parapro Assessment](#).

Every Student Succeeds Act (ESSA) Section 1111(g)(2)(M) the State has professional standards for paraprofessionals working in a program supported with funds under this part, including qualifications that were in place on the day before the date of enactment of the Every Student Succeeds Act;

ParaPro at a Glance

Visit the ParaPro website at www.ets.org/parapro for the most up-to-date information.

REGISTRATION

The ETS® ParaPro Assessment is delivered on computer and is administered by appointment by Prometric® at Prometric test centers and at home. Please be sure to determine if your state uses the ParaPro Assessment BEFORE scheduling a testing appointment.

To register for the ParaPro Assessment either at a test center or at home, please visit the Prometric website at <https://www.prometric.com/ParaPro>. The test fee for the ParaPro Assessment is \$85.

At home testing is:

- taken on your own computer at home or another secure location
- monitored by a human proctor online through ProProctor
- available 8 a.m. - 5 p.m. ET, Monday through Friday.

TEST TAKERS WITH DISABILITIES OR HEALTH-RELATED NEEDS

- ETS is committed to serving test takers with disabilities or health-related needs by providing services and accommodations that are reasonable and appropriate given the purpose of the test. Testing accommodations are available for test takers with disabilities who meet ETS requirements.
- To request a testing accommodation, **you must register through ETS Disability Services and have your accommodations approved before testing.**
- For information on requesting testing accommodations due to a disability or health-related need, please see "Registration Options" on page 9. Disability documentation policy statements and forms are available on the ETS website at www.ets.org/disabilities/.

TEST PREPARATION MATERIAL

ETS is committed to helping you do your best on the *ParaPro* assessment by offering a variety of test preparation materials. We offer both free and low-cost test preparation materials including **study companions, online tutorials, and interactive practice tests** to help you feel ready and confident on test day. Find your test preparation materials at the *ParaPro* website at www.ets.org/parapro/testprep.

ParaPro at a Glance *(continued)*

ON TEST DAY

Test Center Appointments

- Report to the test center at least 30 minutes before your appointment. If you arrive after your scheduled test time, you will not be permitted to test, and you will forfeit your test fee.
- Review the section on ID Requirements on pages 17–20 and be certain to take the required documents with you. Without the required ID documents, you will not be permitted to test.
- Possession of or use of any phones, tablets, Chromebooks™, wearable technology, and other electronic, recording, listening, scanning, or photographic devices is strictly prohibited in the test center at all times and will result in your dismissal from the test, forfeiture of your test fees, and cancellation of scores by ETS even if dismissal is not enforced on the day of the test. This includes, but is not limited to, accessing the device for any reason, including checking the time, making calls, checking for messages or any other reason at any time during the test administration, including scheduled, optional, or unscheduled breaks.
- Watches are not allowed in the test room. If you bring a watch to the test center, you will be asked to remove the watch and store it during the administration.

At Home Appointments

Before your session begins:

- Review the environment and testing space requirements to ensure your workstation meets the requirements. Review the Prometric® User Guide (PDF) for detailed information on at home testing with Prometric.
- Run a final systems check — Fix any issues before you attempt to check in to your test. All issues must be resolved before your appointment time. **Note:** If you require technical support before or during your exam, please visit the ProProctor® help center or call 1-800-226-7958.
- Assemble your identification documents — See ID requirements to be sure your documents will be accepted. You will not be allowed to test without the correct documents.
- Watch What to Expect on Test Day (video) — This video provides step-by-step information on what to expect during your ProProctor test appointment.
- Be prepared to launch the at home test 30 minutes before the scheduled appointment time to allow time for check-in procedures and completion of the Background Information Questionnaire. If you sign in after your scheduled appointment time, you will not be allowed to test and you will forfeit your fee.

For other important information regarding the test day, see:

- ID Requirements (*pages 17–20*)
- Test Center Procedures and Regulations (*pages 20–22*)
- Cancellation of Scores by ETS (*page 25*)

About the ParaPro Assessment www.ets.org/parapro/about

The ETS ParaPro Assessment was developed in response to the federal *No Child Left Behind Act*, which was signed into law by President Bush in January 2002. The Every Student Succeeds Act (ESSA), which has replaced NCLB, leaves these requirements in place. The law requires that paraprofessionals serving in an instructional capacity satisfy one of the following:

- An associate of arts degree OR
- Two years of college OR
- Demonstrate, through a state or local academic assessment, knowledge of, and the ability to assist in, the instruction of reading, writing, and math

The choice of test(s) to satisfy the third option is left to the discretion of states and districts.

The ParaPro Assessment measures prospective and practicing paraprofessionals' skills and knowledge in reading, mathematics and writing, as well as the ability to apply those skills and knowledge to assist in classroom instruction.

The Assessment is available in computer-delivered format only. **Please note:** the ParaPro Assessment is administered in English only.

How the Assessment Was Developed

The ParaPro Assessment reflects research and professional judgment and experience of educators across the country. The 2½ hour test was developed with the assistance of an advisory committee composed of paraprofessionals and teachers who work with paraprofessionals. A thorough job analysis was conducted to determine what knowledge and skills in the areas of reading, writing and mathematics are important for paraprofessionals.

Each edition of the test is reviewed for accuracy, fairness and relevance many times during its development. After the test is administered, but before scores are released, each question undergoes rigorous statistical analysis to confirm that it is accurate, comparable to previous tests and fair to subgroups of test takers. These procedures meet and exceed the exacting standards of the professional measurement community and ETS's own Standards for Quality and Fairness.

The ParaPro Assessment is reviewed and updated on an ongoing basis to confirm that it provides the valid, reliable information states and districts need to meet legislative mandates.

Establishing Qualifying (Passing) Scores

ETS does not set qualifying (passing) scores for the ParaPro Assessment. Each agency (state, district, or other institution) that elects to use the Assessment for purposes of qualifying paraprofessionals is responsible for establishing its own qualifying (passing) score. ETS offers to work with agencies to conduct passing score studies in accordance with recommended professional practices, as described, for example, in the *ETS Standards for Quality and Fairness* and the *Standards for Educational and Psychological Testing*, developed jointly by the AERA, APA and NCME. ETS's agreement with agencies using the ParaPro Assessment is that scores from the assessment not be the sole criterion for decisions reached by the agency. To view a current list of states and school districts that use the ParaPro Assessment along with their passing scores, please visit:

http://www.ets.org/parapro/state_requirements/.

Fees for Tests and Related Services

\$85 Test Fee

Prometric® administers the ParaPro assessment, both at test centers and at home.

Note: Test takers requesting accommodations other than extended testing time due to a disability or health-related needs should see “Test Takers with Disabilities or Health-Related Needs” on *page 10* for payment information.

\$42.50 Reschedule Fee (nonrefundable)

See the Prometric® website (<https://www.prometric.com/ParaPro>) for additional information

Special Services

(nonrefundable)

\$50 each. Additional Score Reports

Fees are subject to change without notice. The above amounts are exclusive of any Value Added or similar taxes, which will be added to these amounts, if applicable.

Test and test-related fees are inclusive of any sales, use, value-added or similar taxes. In jurisdictions where the customer is required to account for any local taxes due, the price remitted to ETS excludes those taxes. In those circumstances, it is the sole responsibility of the customer to pay those taxes to the local tax authority. ETS is not responsible or liable for collecting and remitting those taxes on the customer's behalf.

In the jurisdictions noted test and test-related fees are exclusive of any sales, use, value-added or similar taxes and will be added to the order when it is placed.*

*** Australia, Colombia, Nigeria, Turkey, United States**
(effective through December 31, 2022)

*** Australia, Canada, Colombia, Nigeria, Turkey, United States, Vietnam, and Singapore**
(effective beginning January 1, 2023)

ETS Preferred Forms of Payment

Test Takers Approved for Paper-delivered Testing Accommodations ONLY

- Credit or Debit Card (American Express, Discover, JCB, MasterCard, VISA, Union Pay, Diners Club International and RuPay Global)
- Note:** Any debit/credit card branded with one of the five accepted credit card logos can be processed. ETS reserves the right to add or remove payment methods at its own discretion and without notice.
- eCheck
- U.S. Postal Money Order
- Bank Check
- After entering your credit card account number and selecting “Process Payment,” you may be given the option to pay in the currency supported by your card issuer or in USD.
- ETS processes payments with your security in mind. This may impact your on-line experience. Visa Secure/Verified by Visa, MasterCard SecureCode, American Express SafeKey, and Discover ProtectBuy are 3D Secure (3DS) online fraud prevention measures used by card companies as an added layer of security to protect cardholder account information. During the payment process you may be asked by your card issuing bank to verify cardholder identity by entering an authentication code known only to the cardholder and the bank. Failure to enter the required information or entry of invalid information will result in the sale being rejected. If you don't know your 3D-Secure passcode or password, and you are not being given the option to enroll online in the bank's pop up screen, then you will need to contact your bank.

Other Payment Policies

- All fees are stated in U.S. dollars.
- All payments must be for the full amount.

Registration Information *(continued)*

- Payments made by check or U.S. Postal money order should be made payable to ETS — ParaPro Assessment.

If paying by check, please comply with the following:

- o Bank name and its address should be preprinted on the face of the check.
- o Check must have a preprinted check number.
- o Check must include Test Taker or Payer name and address.
- o Check date CANNOT be over 90 days old.
- o Checks missing the preprinted name and address, and checks with typewritten names, are not acceptable.
- A check in U.S. dollars must be drawn on a bank in the U.S. or Canada. By sending your check, be aware that you are authorizing ETS, at its discretion, to use the information on your check to make a one-time electronic debit from your account for the amount of your check; no additional amount will be added.
- If you do not have sufficient funds in your account, your scores will be withheld, you will be unable to register for additional tests, and an additional service fee of \$30 will be added to your account. You will receive your scores as soon as the total outstanding balance has been cleared. Contact ETS to learn about other payment options if you prefer not to have your check used in this way.
- Services may be withheld for nonpayment of fees.
- There are no refunds.
- Credit or debit cards may also be used for services ordered directly from ETS—ParaPro Assessment.
- There is a \$30 fee for a declined credit card.
- Cash payments cannot be accepted.

Registration Options

At Test Centers

To register for the ParaPro assessment visit

<https://www.prometric.com/ParaPro>.

At Home Testing

You can take the ParaPro test remotely on your own computer at home or another secure location. The test is monitored by a human proctor online through ProProctor®, and appointments are available 8 a.m.–5 p.m. ET, Monday through Friday.

Before scheduling an at home appointment, be sure that you meet the equipment and environment requirements for at home testing (https://www.ets.org/parapro/register/at_home_testing). If you don't meet these requirements, you won't be able to test at home. Once you've confirmed that you meet the requirements, you can register and schedule your appointment through ProProctor (<https://www.prometric.com/ParaPro>).

If Your Primary Language Is Not English (PLNE)

Test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

How to Request Additional Testing Time

Your request must include the following:

1. A completed Certification of Documentation form (page 27) and ParaPro Registration Form (page 29). A business card, school seal, or school stamp must be affixed to the Certification of Documentation form.
2. A completed Eligibility Form for test takers whose primary language is not English (page 28).

Registration Information *(continued)*

All materials must be submitted together and received at ETS at least three weeks before the test date administration at the center selected. Incomplete requests and requests received on outdated forms will be returned to you unprocessed. All documentation must be approved before the test administration date. The Program will make every effort to evaluate all requests in a timely manner. If further verification of the professional's credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date. Because of ETS's need to review documentation in order to provide accommodations, all test takers must register through ETS.

Special Instructions for Completing the Registration Form

Mail the registration form, Certification of Documentation and Eligibility form to ETS Disability Services, P.O. Box 6054, Princeton, NJ 08541-6054 or disability.reg@ets.org. Do not send payment with the forms to ETS; you will pay the test fee when you schedule your appointment. Once your accommodation request is approved, you will receive an email with registration instructions. Please wait for your email approval before registering for the test.

ETS recognizes the right of individuals to confidentiality with regard to documentation supplied by and about them that may be stored in files held by ETS and the concomitant responsibility of ETS to safeguard information in its files from unauthorized disclosure.

Reregistration

If you have previously registered and your request for accommodations has been approved by ETS, you may request the same testing accommodations for subsequent test dates. Review your approval letter for instructions and testing options. If your approved accommodations have expired, **please follow the procedures outlined in the "How to Request Additional Testing Time" section on the prior page.**

Test Takers with Disabilities or Health-related Needs

ETS is committed to serving test takers with disabilities or health-related needs by providing reasonable accommodations that are appropriate given the purpose of the test. You must submit your request and have your accommodations approved by ETS Disability Services before your test may be scheduled. Accommodations cannot be applied to a test that has already been scheduled.

Submit your request as early as possible, especially if you are requesting an alternate test format. ETS is committed to producing alternate test formats as quickly as possible; however, production times may vary. Documentation review takes approximately four to six weeks once your request and complete paperwork have been received at ETS. If additional documentation must be submitted, it can be approximately another two to four weeks from the time the new documentation is received until the review is complete.

Commonly Requested Accommodations

- **Extended Test Time** (all tests are timed)
 - 25 percent (time and one quarter) 50 percent (time and one-half) or 100 percent (double time)
- **Breaks** —The testing clock stops for breaks and does not affect your testing time. Breaks may be used for medication, snacks, trips to the restroom, etc. Some disabilities, by their nature, result in fatigue, the need for rest, and/or restroom breaks while not impacting the actual test taking. In these cases, breaks may be more appropriate than extended test time.

Registration Information *(continued)*

• Assistance

- o Human reader (available only at test centers)
- o Human scribe (available only at test centers)
- o Assistance for spoken directions (only for applicants who are deaf or hard-of-hearing; available only at test centers)
 - » Oral interpreter
 - » Sign language interpreter
- o Assistance for note taking (only for applicants who are blind, legally blind, or have low vision)
 - » Braille slate and stylus
 - » Perkins braille
- Alternate Test Formats
 - o Braille
 - o Large-print test book
 - o Large-print answer sheet

How to Request Accommodations for a Disability or Health-related Need

To request accommodations for the ParaPro Assessment, follow the steps below:

1. Complete the *Testing Accommodations Request Form*.
2. Complete the ParaPro Registration Forms.
3. Gather your disability documentation.
4. Submit completed forms.

Detailed information regarding each of these steps is provided in this *Bulletin*.

☐ **STEP 1: Complete the Testing Accommodations Request Form**

Complete the *Testing Accommodations Request Form* on pages 36–43 in this *Bulletin*.

Part I — Applicant Information

Complete this section and sign the Applicant's Verification Statement even if you are requesting accommodations identical to those approved for you by ETS within the last two years.

Part II — Accommodations Requested

Complete this section even if you are requesting accommodations identical to those approved for you by ETS within the last two years. If you are requesting accommodations other than those listed in Part II, you must describe them under "Other Accommodations."

Part III — Certification of Eligibility: Accommodations History

All applicants are encouraged to submit *Part III — Certification of Eligibility: Accommodations History* form which serves two distinct purposes:

- To provide verification of an individual's use of accommodations either in college or in the workplace
- As a shortcut for approval of certain specific accommodations for particular disabilities

Accommodations for Health-related Needs

Health-related needs are most commonly those affecting digestion, immune function, respiration, circulation, endocrine functions, etc., and frequently require only minor accommodations. Documented health needs include conditions such as diabetes, Crohn's disease and chronic pain. Minor accommodations include but are not limited to: breaks for medication, snacks, beverages or glucose testing materials which are necessary during the test session.

Documentation for health-related needs should include a letter of support from a medical doctor or other qualified professional stating the nature of the condition and the rationale for the requested accommodation(s). Please note, handwritten documentation or a note on a prescription pad is not acceptable.

☐ **STEP 2: Complete ParaPro Registration Form**

Complete the ParaPro Registration Form on pages 29–35 in this *Bulletin*.

☐ **STEP 3: Gather Your Disability Documentation**

Registration Information *(continued)*

You must submit disability documentation if any of the following are true:

- You are requesting accommodations greater than 50 percent extended test time (time and one-half) and/or breaks.
- You indicate in Part I of the *Testing Accommodations Request Form* you have a medical condition, or you check "Other" under "Nature of your disability."
- You were first diagnosed with a disability within the past 12 months.
- You are requesting accommodations different from those ETS approved for you within the last two years.
- You have not previously used the accommodations being requested.
- You have a sensory disability and your accommodations request does NOT match the specifications which follow below.
- You are unable to submit a valid *Part III — Certification of Eligibility: Accommodations History* form.

DO NOT send documentation if you are not required to do so. Submitting unrequired documentation will delay the review process. **For more information regarding documentation guidelines, please visit www.ets.org/disabilities.**

If you have low vision or some other condition which affects visual functioning, such as an eye coordination disorder, refer to the "Guidelines for Documentation of Blindness and Low Vision in Adolescents and Adults" online at <https://www.ets.org/disabilities/documentation/> and submit your documentation.

If you are blind or legally blind, you do NOT need to submit documentation if you are submitting a *Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- Screen magnification
- Selectable background and foreground colors
- Braille

- Large print (test book and/or answer sheet)
- Recorded audio
- Human reader
- Human scribe
- Braille slate and stylus for note-taking only
- Perkins braille for note-taking only
- 50 percent or less extended test time (time and one-half)
- Breaks

If you are blind or legally blind, a request for 100 percent extended test time (double time) does not require documentation if you are submitting a *Part III — Certification of Eligibility: Accommodations History* form and you are requesting braille, a human reader or recorded audio.

If you are deaf or hard-of-hearing, you do NOT need to submit documentation if you are submitting a *Part III — Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- 50 percent or less extended test time (time and one-half)
- Breaks
- Sign language interpreter (for check-in assistance and spoken directions only)
- Oral interpreter (for check-in assistance and spoken directions only)

☐ **STEP 4: Submit Your Completed Forms and Documentation to ETS Disability Services**

Requests for testing accommodations may be submitted by mail or email. Be sure to include the appropriate documents with your submission. An incomplete application will cause a delay in processing your request.

Submitting Your Material By Email

Be sure to attach the following items with your email message:

- Completed *Testing Accommodations Request Form*
- Completed *ParaPro Registration Form*
- Disability documentation (if required)

Registration Information *(continued)*

Requests for accommodations should be sent to **disability.reg@ets.org**.

Please note: Do not include credit card information with your email. Once your application has been received at ETS, you will receive an email with instructions regarding payment options.

Submitting Your Material by Mail

Be sure to include the following with your request:

- Completed *Testing Accommodations Request Form*
- Completed *ParaPro Registration Form*
- Disability documentation (if required)

Mail your material to the appropriate address below.

Mail

ETS Disability Services
PO Box 6054
Princeton, NJ 08541-6054
U.S.A.

Courier Service

ETS Disability Services
225 Phillips Boulevard
Ewing, NJ 08628-1426
U.S.A.

Once your accommodations have been approved, you will receive an email from ETS Disability Services with instructions regarding how to register for the test.

Regardless of how you submit your material, ETS Disability Services will contact you via email regarding your application.

Using Previously Approved Accommodations

If you have received approved accommodations from ETS and your documentation is still current, review your approval letter for instructions and testing options.

If your approved accommodations have expired, please refer to How to Request Accommodations for a Disability or Health-related Need section, on page 11.

File Corrections

You may not change your name on the file. However, if your file contains an error, you may correct your date of birth, Social Security number, the spelling of your name, or other information by contacting ETS at **parapro@ets.org** or 1-800-772-9476. Please provide the information as it now exists on the file, along with the change(s) requested.

If you made corrections after the test administration and need your scores resent to a score recipient, you may order an Additional Score Report (ASR) by mail, phone, or fax. ASRs cost \$50 per score recipient (see page 24).

Change a Test Registration

You must make changes at least 3 days before your appointment or your fees will be forfeited. The fee to change your appointment is \$42.50. For additional information, please visit the Prometric website, **www.prometric.com/parapro**.

Cancellations and Test Fee Refunds

You must cancel your test at least three days before the test date or your fees will be forfeited. If you cancel the original test by the appropriate deadline, you may be eligible for a refund of \$42.50. For additional information, please visit the Prometric website, **www.prometric.com/parapro**.

Test Retake Policy

Whether you take the test at home or at a test center, you cannot retake a ParaPro Assessment within 28 days of your test date. You must wait 28 days before taking the test again. If you violate this restriction, the scores from your retest will not be reported and your test fees will not be refunded.

Acknowledgment and Data Retention

Acknowledgment

This Acknowledgment, including the Privacy Notice at **www.ets.org/legal/privacy**, contains the terms and conditions between you and Educational Testing Service ("ETS," "we," "us," "our") regarding the ETS test you are now registering for and/or the testing products and services you are now requesting (these

Registration Information *(continued)*

are together referred to as “Testing Services”). It applies to all actions you take regarding the Testing Services, including creating an online account, providing survey information regarding a test that you take, requesting one of our services relating to the test and completing a test or product order and providing payment information.

Personal Information

In registering for the Testing Services, you acknowledge and agree that we have the right to obtain, collect, store, use, disclose (including to public authorities and score recipients), extract and transmit (collectively “use”) the personal information you provide, including your full name, home address, email address, telephone number, social security or similar number, passport number, national ID number, gender, nationality, age, date of birth, responses to other background information questions, test administration date and details, payment information and how you specifically use our Website. This also includes our use of biometric data (including fingerprints, audio recordings, facial images and video files) provided by you in the course of your registering for and participating in the Testing Services. All of the above data is referred to as “Personal Information.” Which Personal Information we hold, how we use it and how long we hold it for may be subject to legal limitations in the jurisdiction in which you receive the Testing Services. ETS strives to meet these legal requirements, and further information on how we do so is provided below.

How We Use Your Personal Information

We use your Personal Information to:

- o complete any registration, purchases or other transactions you request
- o improve our products and services, and identify, develop and offer new or expanded products and services
- o improve and personalize your experience on the Website, and customize the content and/or format of the pages you visit
- o subject to your opting-in (see below), notify you about updates, products, services and/or special offers from ETS, its affiliates and selected third parties
- o ask you to participate in brief surveys or provide other information
- o generate aggregate statistical studies and conduct research ourselves or jointly with others related to our products and services and the use of our Website

If you agree (or have agreed) under other agreements with ETS that we may use your Personal Information in additional ways, those other agreements will not be limited by this separate Acknowledgment.

International Transfer

ETS, its Website, and its servers are located in the United States. Therefore, your information, including Personal Information, will be transferred from your location to the United States in accordance with applicable laws. It may also be transferred directly from your location or via the U.S. to other countries who provide processing services to ETS, all at the direction of ETS and in accordance with applicable laws. In accepting this Acknowledgment, you are agreeing to cross-border transfers of your information, including your Personal Information. If you do not agree to these cross-border transfers, then you should refrain from using the Website. You may have a right under applicable law to revoke your consent to the international transfer of your Personal Information. If you do so, we are unlikely to be able to continue providing the Testing Services to you.

Third-Party Disclosure

We communicate your Personal Information to certain third parties, within the jurisdiction of your location and elsewhere, with whom we have a direct or indirect business or contract relationship in order to provide you with the Testing Services you have requested. These third parties assist with various aspects of the delivery of the Testing Services, including security services and score distribution services.

Registration Information *(continued)*

Your Rights

In some instances, under applicable laws, you have the right to withdraw your consent and require us to delete your Personal Information should the lawful purposes for which we hold it cease. You may also request that we correct your Personal Information if it is incorrect, inaccurate, misleading or incomplete. To protect your privacy and security, we will take reasonable steps to verify your identity before granting access or making corrections.

If required under applicable laws, at your request and on satisfactory proof of identity (as determined by ETS), we will provide you (I) confirmation that we hold your Personal Information, (II) details or a description of the Personal Information we hold in an intelligible form; (III) information of how we came to hold the Personal Information, the purposes for which we are using it, and in some cases the methods and logic we use in processing the Personal Information; (IV) further corporate information regarding ETS and, in some circumstances, the other corporate entities who may process the Personal Information on behalf of ETS.

To request any of the above actions, please contact us at: Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA, email: etsinfo@ets.org.

You may also have the right under certain applicable laws to complain to a regulatory authority in your country if you believe we have not processed your Personal Information in compliance with applicable laws.

Further Communications

We ask you to provide your contact details, including email address, telephone and mobile phone details. We use this information so that we can quickly provide you with information (principally by way of email, telephone, SMS or other electronic means) regarding the Testing Services you have requested and to provide you with information about other testing products and services (which we will do in accordance with applicable laws). When you receive communications from us about other testing

products and services, you will have the opportunity of subsequently opting-out of receiving these, and our communications will contain instructions on how to do so. Remember, however, that we may still send emails or call you in order to provide the Testing Service you have purchased or otherwise requested from us.

Governing Law

You agree that this Acknowledgment will be governed by and construed in accordance with the laws of the United States and the State of New Jersey, without regard to principles of conflict of laws.

Additional Information

This paragraph containing additional information is of general application, but it is also provided for purposes of the *EU General Data Protection Regulation* when it comes into force (to the extent the Regulation is applicable to you in the context of the Testing Services):

ETS Corporate Details (including contact details): Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA, email: etsinfo@ets.org.

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

International Transfers: Data will be transferred to data processors engaged by ETS in various jurisdictions outside of the EEA, depending on the particular Testing Services requested. These transfers are made in accordance with the acknowledgment you have given above and intercompany and third party transfer agreements, in accordance with applicable laws.

Registration Information *(continued)*

Personal Information Retention: Personal Information is generally held for 5 years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

Supervisory Body: Please contact the national data processing authority in the jurisdiction in which you receive the Testing Services.

For Hong Kong residents only: Subject to applicable laws regarding our use of your Personal Information, we will not use your Personal Information if we do not reasonably believe that such use is in your interests. In order for us to supply you with the Testing Services, you must supply us with your Personal Information to complete any registration, purchase or other transaction you request online and/or perform any of our other contractual obligations to you which requires us to have the Personal Information.

For Australian residents only: Please be informed that if you agree to the overseas disclosure of the information or transfer of your data outside of Australia, ETS and its affiliates will not be required to take reasonable steps to ensure that ETS or its affiliates' use of such data outside of Australia does not breach the Australian Privacy Principles.

For Canadian Residents only: This is the notification that ETS is required to provide to Canadian residents. Please see *page 14* regarding International Data Transfers. Where we transfer Personal Data to third parties we contractually require third parties to have a written procedures in place that comply with the requirements of the applicable privacy laws in Canada.

For Singapore Residents only: In connection with the transfer of your Personal Information outside of Singapore, ETS believes that the laws of the recipient country of your Personal Information will provide a standard of protection comparable to the applicable laws of Singapore.

Contact Information

If you have questions or requests concerning our use of your Personal Information, you should contact: etsinfo@ets.org.

By indicating "Accept," you expressly and voluntarily acknowledge and agree to the terms and conditions above, particularly those relating to our use of biometric data and the international transfer of Personal Information.¹

Data Retention

Educational Testing Service shall at all times protect your personal information with operational, administrative, technical and physical security safeguards. Unless your photograph or other biometric samples taken on the day of the test during the check-in or registration process are being used in connection with a test security investigation, ETS shall retain them for a maximum of three years unless local regulations limit retention.

We will keep your information as required to meet the following requirements:

- o Protect against fraud, theft, and misrepresentation by unauthorized test takers
- o Purpose of identity verification
- o Maintain integrity of the testing process

¹ If you are a minor as determined by applicable law and living outside of the United States, to the extent required by applicable law, the person clicking "Accept" must be a parent or guardian.

On Test Day

Identification (ID) Requirements

You are responsible for having valid and acceptable ID each time you test. It's your responsibility to bring the correct documents and to make sure they're up to date on test day.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific section for acceptable primary and supplemental ID documents and allowed exceptions.

- You are responsible for ensuring that the first and last names you enter into the Registration Information fields **exactly** match the name on the ID document(s) you present on test day.
- If the test administrator questions the ID you present, you may be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test score may be withheld.
- All test takers are encouraged to have at least two forms of acceptable ID each time they test. Prior admission to test based on a given ID document does not assure that that document will be considered acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.
- Admission to the test center, or acceptance by a proctor for the at-home test, does not assure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements set forth herein are not met.
- You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
- Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

ID Document Requirements

With few exceptions, ID documents must meet *all* of the following requirements. Each ID document must:

- be an **original** document; photocopied documents are not acceptable and documents cannot be presented on a cell phone or any other electronic device
- be a government-issued national/state/province identity card that is recognized by the country in which you are a citizen or permanent resident
- be **valid**; expired documents (bearing expiration dates that have passed) are not acceptable
- bear the test taker's **first and last name** *exactly* as it was used when registering for the test
- bear a recent **photograph** that clearly matches the test taker
- bear the test taker's **signature**; the name and signature on the ID document must match
- See "Unacceptable Documents" on page 18.

See Exceptions and Requirements on pages 18–19 if:

- you are testing outside your country of citizenship
- you are not a U.S. citizen and you are testing in the U.S., including renewal of documents
- you have a multiple part last name
- you are in the process of renewing your driver's license
- you are in the military and your Military ID does not contain your signature
- you have been granted political asylum or refugee status
- you have *any* questions about the acceptability of your ID document(s)
- you are unable to meet the ID requirements

On Test Day *(continued)*

Acceptable Primary ID Documents

The following government-issued ID documents are acceptable for admission to a test center, or to the at-home test within your country of citizenship:

- Passport
- Passport Card (United States only — must be accompanied by valid supplemental ID)
- Driver's license
- State or Province ID card (including those issued by the motor vehicle agencies)
- National ID card
- Military ID card

Supplemental ID Documents

- You may be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise acceptable but does not bear your full name, photograph or signature.
- Supplemental ID documents may not be used to resolve last name discrepancies. The last name on your primary ID must match the name on your admission ticket.
- If your supplemental ID does not contain a signature, you may present a second government-issued photo ID. If you cannot present two forms of government-issued, photo-bearing identification in the same name of the registration, you will not be permitted to take the test.

The following ID documents are generally acceptable as supplemental ID:

- **Government-issued ID card** (including, but not limited to, those listed under Primary ID Documents earlier in this section)
- **Student ID card**
- **Confirmation of identity letter from your educational institution.** This letter must be typed or printed on the original letterhead of the educational institution you attend(ed) and, in addition to meeting all of the ID Document

Requirements listed earlier in this section, must include your date of birth and the date issued. Additionally, a school official's signature and the school seal must be present and both must overlap your photograph. Such letters are valid for only one year from the date issued.

Unacceptable Documents

The following documents are *not* acceptable as primary or supplemental ID under any circumstances:

- Any document that is photocopied or expired
- Any ID document presented at the center on a cell phone or any other electronic device
- Any document that does not bear your first and last names *exactly* as they appear on the admission ticket
- International driver's license
- Draft classification card
- International student ID
- Credit/debit card of any kind
- Notary-prepared letter or document
- Birth certificate
- Social Security card
- Employee ID card
- Temporary ID card, excluding driver's license, resident card, or employment authorization card renewals
- Diplomatic, consulate or embassy ID card
- Any document that is not recognized by a government agency

Exceptions and Requirements:

Testing Outside Your Country of Citizenship

- You must present a valid **passport** with your name, photograph and signature as your primary ID document.
- If you are not a U.S. citizen and you are testing within the U.S., you must present a passport that meets all of the ID document requirements listed earlier in this section.

On Test Day *(continued)*

- If your passport is not written in English-language letters, you must also present a supplemental ID that contains your name, a recent, recognizable photo, signature, and is in English. If you do not have a supplemental ID and the test center staff cannot read the language in which it is written, you may not be permitted to take the test.
- Diplomatic and embassy ID cards cannot be used as primary identification in place of a passport.
- The following documents may be acceptable for admission to U.S. test centers if presented along with an acceptable supplemental ID. If you are in the process of renewing the document and have the expired document in your possession, you may present it together with the government-issued renewal extension letter.
 - o Permanent Resident Card/Resident Alien Card
 - o Temporary Resident Card
 - o Employment Authorization Card
 - o Mexican Border Crosser Card (This form of ID may be accepted only at test centers within 25 miles of the Mexican border.)
- Driver's license renewal certificate — Temporary Policy for the **Philippines**. If your driver's license is expired and you have been issued a renewal certificate receipt, providing both documents together is acceptable as long as the name on the expired driver's license and the name on the renewal certificate are the same.
- **Testing in Canada** — A test taker who is not a Canadian citizen and cannot present a passport can be admitted to a Canadian test center with one of the following alternative ID documents. If the alternative document is missing your photo or signature, it must be presented along with a secondary ID, such as a driver's license, student ID card, letter of identity from a school or sponsoring agency, or Canadian Health Card.

- o Record of Landing/Permanent Resident Card (IMM1000)
- o Notice of Decision (for a Convention Refugee) or Refugee Protection Claimant Document (IMM1442)

Multiple-Part Last Name

If the ID document you will present on the day of the test contains a multiple-part last name, your admission ticket must **exactly** match your ID. You cannot use a supplemental ID to resolve last name discrepancies.

Driver's License Renewals

- If you are in the U.S. military and your driver's license has an official extension sticker validating that your driver's license has been extended, this can be used as supplemental ID along with your U.S. Military ID.
- If your driver's license has expired, but you present it along with your original Department of Public Safety renewal certificate, these two documents together are acceptable provided the names on both documents match exactly. If a provisional driver's license is issued in lieu of a renewal certificate, this is acceptable as a primary ID document provided it contains your photo, signature, and an expiration date.

Military ID Without Signature

If your Military ID does not contain your signature, you must present a supplemental ID.

Unable to Meet ID Requirements

If you have been granted political asylum, have refugee status or are otherwise unable to meet the identification requirements, you *must* contact the ETS Office of Testing Integrity (OTI) at least seven days *before* registering to test. You must receive approval from OTI before you may register. You should also be prepared to submit any requested documents to OTI for review before receiving approval. If you do not contact OTI before you register, and as a result you are not permitted to test or your test scores are withheld, your test fees will not be refunded.

On Test Day *(continued)*

ETS Office of Testing Integrity (OTI)

Office Hours: Monday–Friday 7:30 am–5:30 pm ET

Email: TSReturns@ets.org

Phone: 1-800-750-6991 (U.S., U.S. Virgin Islands, Puerto Rico, and Canada)

1-609-406-5430 (all other locations)

For general questions about acceptable ID, call:

1-609-771-7395 (all other locations)

Test Center Procedures and Regulations

On Test Day

- Test-related information written on ID documents, one's clothing and footwear, or on any part of the body is prohibited.
- The test administrator will assign you a seat.
- Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress or during a break.
- Do not bring any phone, wearable technology, or other electronic, photographic, scanning, recording, or listening device into the test center. **These devices are prohibited. If you violate this restriction and are seen with any of these devices at the center, you will be dismissed from the test, your scores will be canceled, and you will forfeit your test fees.** If you are seen using or accessing any of these electronic devices and/or scanning or transmitting data including but not limited to text messaging, email, or photographs, your device may be confiscated or inspected.

- You may not have access to your personal items during the test including during a break except for food, beverages or medication. Storage space is limited, so please plan accordingly. Test centers assume no responsibility for personal items that you choose to bring into the test center.
- Watches are not allowed in the testing room; you will be asked to remove your watch and store it during the administration.
- The test administrator will assign you a seat.
- On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test. If you anticipate inclement weather in your area on test day, check your test center's office or website and/or local news and radio station broadcasts for updates.
- The testing session is actively monitored by test center staff. This includes staff walking around, and entering and leaving the testing room.

During the Assessment

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

Test Center Testing

- Take your photo ID to the test center.
- You will be required to read and sign a Confidentiality and Regulations Agreement at the test center. If you do not complete and sign the agreement, you will not be allowed to test and your fees will NOT be refunded.
- You are required to present acceptable and valid identification.
- Two tissues are permitted at the workstation, but must be inspected by the proctor before the exam starts.

On Test Day *(continued)*

Prohibited Items and Restrictions

At Home Testing

- No paper of any kind is permitted in the testing room. However, a hand-held whiteboard, whiteboard eraser, and up to three (3) dry erase markers of any color may be used for note-taking. You will be asked to erase all notes in view of the proctor at the end of the test.
- You must disable any screen-sharing or remote-access software (such as Zoom, Skype™, TeamViewer™, Microsoft Teams™ and Apple Remote Desktop™) before the test. It must remain disabled throughout the test.
- Make sure that the software will not open automatically during the test.
- You must be alone in a room with no one else entering during the test and all doors must be closed before beginning testing.
- You must remain in view of the proctor. You should avoid doing anything that may look suspicious, like talking out loud or looking away from the screen.

Test Center Testing

- You are required to remain in the test center building. It is your responsibility to ask the test administrator for permission to leave the test center vicinity — for example, to go to the nearest restroom. If you leave the test center without permission, you may be dismissed or your scores canceled. Any time lost cannot be made up.
- Watch alarms and clocks on cell phones or any other devices are not permitted.
- Early departure and sign out is permitted if you finish the test before the end of the test session.
- The test administrator will provide you with scratch paper for use during the test to assist you in working out problems and for appropriate note-taking during timed sections of the test. You may not take your own scratch paper to the test. Scratch paper

is not to be used before the test or during a break. During the test, if you have used all of your scratch paper, you must return it to the test center staff to receive more. You cannot remove a page or portion of the scratch paper at any time. All paper, in its entirety, must be returned to the test center administrator at the end of the testing session. You may not write on anything other than the scratch paper provided (e.g., computer or workstation or ID document). Scratch paper should NOT be used during the untimed sections or during a break. If you are observed using any documents or unauthorized papers other than the designated scratch paper distributed by the test site, they will be confiscated by the test center staff.

- For paper-delivered tests administered as an accommodation for a disability, test takers may use the test book for scratch work. Scratch paper is not provided except as an approved accommodation.

The following **additional** procedures and regulations apply to test takers who are taking the test with testing accommodations:

- Test takers must bring their letter approving testing accommodations along with acceptable ID to the test center.
- Test administrators cannot honor requests for schedule changes.
- No test taker will be admitted after testing has begun.

ETS reserves the right to take appropriate action and/or notify appropriate authorities including, but not limited to, law enforcement authorities, if a test taker responds in a threatening or disturbing way to essay questions or communicates with ETS either verbally or in writing in a threatening or disturbing manner.

NOTE: ETS takes test security very seriously. Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please

On Test Day *(continued)*

contact ETS as soon as possible after the test to report any irregular behavior that is either observed or reported to you — for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence. Reports of cheating or fraud will be investigated thoroughly and offenders may be prosecuted to the full extent of the law.

Email: TSReturns@ets.org

**Phone: 1-800-353-8570 (U.S., U.S. Virgin Islands, Puerto Rico, and Canada)
1-609-406-5430 (all other locations)**

Dismissal from a Test Administration

A test administrator is authorized to dismiss you from a test session and/or your scores may be canceled by ETS for actions such as, but not limited to, the following:

- Attempting to take the test for someone else or having someone else take the test for you.
- Failing to provide acceptable identification.
- Obtaining improper access to the test, a part of the test, or information about the test. This includes having test questions or answers in advance of the test administration and bringing preknowledge of test information into the test center in any form or on any item, including, but not limited to, identification documents, prohibited devices, or via any other item that may or may not be permitted in the test center.
- Using or having any phone, wearable technology, or other electronic, photographic, scanning, listening or recording device in your possession at the test center. Possession of or use of such devices at the test center is prohibited and will result in your dismissal from the test center, forfeiture of your test fees and cancellation of your scores by ETS.
- Using any aids in connection with the test, or other prohibited devices, such as: mechanical pencils, pens, scan pens or devices, pagers, beepers, calculators, any watch, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, any phone, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, compasses, protractors, rulers, and any hand-held electronic, photographic, or recording devices.
- Creating a disturbance. Disruptive behavior in any form will not be tolerated. The test administrator and ETS have sole discretion in determining what constitutes disruptive behavior.
- Attempting to give or receive assistance. Discussion or sharing of test content or answers during the test administration, during a break, or after the test is prohibited. Communication in any form is not permitted during the test administration.
- Removing or attempting to remove test content from the test center. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.
- Bringing a weapon or firearm into the test center.
- Bringing food, beverages, tobacco, or electronic cigarettes into the testing room.
- Leaving the test center vicinity during the test or during a break without permission.
- Leaving the testing room without permission.
- You are not permitted to go outside the test center building unless it is to use the restroom during the test administration, including a break.

On Test Day *(continued)*

- Taking excessive or extended unscheduled breaks during the test session. Test center administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- Referring to, looking through, or working on any test or test section, **when not authorized to do so**, or working after time has been called.
- Failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator or specified in any test materials.

ETS reserves the right to take all action — including, but not limited to, barring you from future testing and/or canceling your scores — for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your test fees will not be refunded.

Scores & Score Reports www.ets.org/parapro/scores

Reporting Your Test Scores

If you test in Alaska, Arizona, Arkansas, Colorado, Connecticut, Delaware, District of Columbia, Hawaii, Idaho, Illinois, Indiana, Kansas, Louisiana, Maryland, Minnesota, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, North Dakota, Ohio, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, Virginia, or Washington, a copy of your scores will automatically be sent to that state's teacher credentialing agency.

Your Unofficial Score Report

Your unofficial score will be sent to you by e-mail within one hour of test completion.

Your Official Score Report

For each test date, an official score report will be sent to you and one score recipient approximately 2–3 weeks after the test date. For a fee, you can request more than one score recipient. See “Additional Score Reports” under “Scoring Services.”

Your scores for a specific test will be sent to a designated recipient only if that school district or agency is eligible to receive those test scores. For exceptions, please see Confidentiality of Information (page 26). Official score reports will list your current score and highest score earned over the last 10 years. Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from the *Praxis*® Program.

Scores from the current testing year will be available for reporting on Additional Score Reports for 10 years. Test taker background data will be retained for the same time period.

For more information about your scores, you may download *Understanding Your Praxis*® Scores from the ParaPro website at www.ets.org/parapro.

Questions That Do Not Count Toward Your Score

The test you take may include one or more questions that do not count toward your score. These “pretest questions” are new questions that are being tried out in actual test administrations.

Test takers are not told which questions are in this category, because ETS needs to determine how such questions function under actual testing conditions. Questions that are not scored may appear in some, but not all, ParaPro tests.

Scoring Services

Official score reports will be mailed to you approximately 2–3 weeks after your test date.

Additional Score Reports (ASRs)

Fee: \$50 each

At your request, ETS will send your scores and reportable background information to additional school districts or agencies for each test taken over the last 10 years. You may complete your request by mail, phone, or fax. To request an ASR by mail or fax, download and complete the Additional Score Report Request form located on the ParaPro website at www.ets.org/parapro/scores. Additional score reports are issued within seven business days for phone requests and 10 business days for mailed or faxed requests.

When you ask ETS to send additional score reports to school districts or agencies, you automatically authorize ETS to report your highest scores from all tests taken over the past 10 years.

The ASR will include your highest score for the test, but will not include the raw score information that is available on the original score report.

You will automatically receive a copy of your score report confirming that your score report was sent.

Scores & Score Reports *(continued)*

Cancellation of Scores by ETS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score whether or not it has already been reported, and to take such other actions as ETS deems appropriate, including banning the test taker from taking any future ETS test and referring the matter to law enforcement authorities, when, in ETS's judgment: a testing irregularity occurs; there is an apparent discrepancy in a test taker's identification; the test taker engages in misconduct, including without limitation having someone else take the test for the test taker, obtaining improper access to test questions or answers, disclosing test questions or answers to third parties, plagiarism, or copying or communication; or the score is invalid for another reason. When ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled.

Testing Irregularities

"Testing Irregularities" refer to problems with the administration of a test. Testing irregularities may result from actions of the test taker, test center personnel, ETS, or from man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials [e.g., improper test forms], and defective equipment); improper access to test content and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When, in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

Identification Discrepancies

When, in ETS's judgment or the judgment of test center administrators, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents or photos from the test day cannot be validated or if ETS has evidence that you did not appear for the test. If test scores are canceled by ETS, the test fees will NOT be refunded. ETS may also ban you from taking any future ETS test.

Misconduct

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, ETS may decline to score the test, cancel the test and may ban you from taking any future ETS tests. Test takers whose scores are canceled will forfeit their test fees. If fraudulent activity is detected after scores have been reported, ETS will cancel scores and notify score recipients of the cancellation. Misconduct includes, but is not limited to, noncompliance with the Test Center Procedures and Regulations, on *pages 20–22* of this *Bulletin*.

Invalid Scores

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Substantial evidence means evidence that is sufficient to persuade a reasonable person; the substantial evidence standard is lower (i.e., requires less proof) than reasonable doubt, clear and convincing, and preponderance of the evidence standards. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options may include voluntary score cancellation, a future test without charge

Scores & Score Reports *(continued)*

or arbitration in accordance with ETS's standard Arbitration Agreement. The arbitration option is available only to test takers who test in the United States and U.S. Virgin Islands and Puerto Rico. For more detailed information please reference Why and How ETS Questions Test Scores at

<https://www.ets.org/praxis/scores/questioning>.

Confidentiality of Information

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted on the registration form is reported to some states and school districts. To protect your right to control the distribution of your scores, reports will be released only at your specific written request and only to ETS-approved score recipients. Every recipient must be specified by you in writing on one of the designated forms or in correspondence. ETS will not release your scores at the request of institutions or agencies except:

- or use in research studies approved by ETS and that preserve your anonymity
- when information is required under compulsion of legal processes, in which case your score record and the documents you completed that are retained at ETS may be released to third parties, e.g., government agencies, parties to a lawsuit, etc., if requested pursuant to a subpoena, including but not limited to photos and documents completed at check-in on test day.

- when a state's central regents office or board of governors requests copies of scores that have been reported to its member institutions
- when test takers have been informed by the test administrator beforehand that their scores will automatically be released to the state or school district
- when a school district requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a ParaPro Assessment score directly to an educational institution, agency or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

Test Takers' Performance Data

Test takers' performance data may be used in analysis samples, score interpretation data, group statistics and research studies. In each instance, all identifying information will be removed.

Certification of Documentation

Mail to:
ETS—ParaPro Assessment
Disability Services
P.O. Box 6054
Princeton, NJ 08541-6054

If you have previously registered and your request for accommodations has been approved by ETS, you need to submit the Eligibility Form on *page 28*. See *page 10* for more information.

TO BE COMPLETED BY A QUALIFIED PROFESSIONAL AND SENT TO ETS WITH THE TEST TAKER'S ELIGIBILITY FORM AND REGISTRATION FORM. **DO NOT MAIL THIS FORM SEPARATELY TO ETS. Note:** Do not send payment with the PLNE request forms to ETS. Payment must be made to the test center administering the ParaPro Assessment. Please see page 10 of the 2022–23 ParaPro Bulletin for more information.

Complete and sign. Cross out material within brackets that does not apply.

- I, _____, am [a qualified ESL teacher/coordinator, foreign language department supervisor/chairperson, or other appropriate professional (specify) _____] at _____
(Name of Institution) _____ I have held that position since _____ (Date) _____.
- I have worked with and/or reviewed pertinent documentation about _____

2022–23 REGISTRATION FORM AND BACKGROUND INFORMATION QUESTIONNAIRE FOR TEST TAKERS REQUESTING TESTING ACCOMMODATIONS

This form can be downloaded at www.ets.org/parapro/register.

This form is to be used to request extended-testing time and other accommodations for test takers whose primary language is not English (PLNE) and for test takers with disabilities or other health-related needs. **This form cannot be used for regular registration.** For standard registration, test takers will provide their information when they arrive for their scheduled test appointment. For additional information on registration procedures, please review *The ParaPro Assessment Information Bulletin*. Print all information clearly in **black ink**. Be sure to complete all pages, and staple the completed form before mailing.

• **Test takers whose primary language is not English (PLNE)**

If you are requesting extended testing time for PLNE, you must submit this form, along with other required forms and documentation, to ETS. Do NOT submit payment. For additional information on registering for the PLNE accommodation, see page 9 of this *Bulletin*.

• **Test takers with disabilities or other health-related needs:**

If you are requesting accommodations due to a disability or health-related need, you must submit this registration form along with other required forms and all appropriate documentation to ETS. Do NOT submit payments. For additional information on requesting testing accommodations for a disability or health-related need, see page 10 of this *Bulletin*.

--------------	---	--	--	--	--	--

This page should be filled out only by test takers with a disability or health-related need who are requesting accommodations other than extended testing time. Test takers who are registering for the extended testing time accommodation only will provide their background information at the test center. They do not need to fill out this page of the form.

BACKGROUND INFORMATION – Select one answer for each question below.

***a.** How do you describe yourself?

1. ☐ African American or Black
2. ☐ Asian American/Asian (e.g., Japanese, Chinese, Korean)
3. ☐ Southeast Asian American/Southeast Asian (e.g., Cambodian, Hmong, Khmer, Laotian, Vietnamese)
4. ☐ Pacific Island American/Pacific Islander
5. ☐ Mexican, Mexican American, or Chicano
6. ☐ Puerto Rican
7. ☐ Other Hispanic, Latino, or Latin American
8. ☐ Native American, American Indian, or Alaskan Native
9. ☐ White
10. ☐ Other
11. ☐ Two or more races

b. What is your best language of communication?

1. ☐ English
2. ☐ Spanish
3. ☐ Chinese
4. ☐ Vietnamese
5. ☐ Another language

c. What language(s) did you first learn as a child?

1. ☐ English only
2. ☐ English and another language
3. ☐ Another language only

d. For which language other than English do you consider yourself proficient? (select all that apply)

1. ☐ English only
2. ☐ Spanish
3. ☐ Chinese
4. ☐ Other

***e.** What is the highest education level you have attained?

1. ☐ GED
2. ☐ High school diploma
3. ☐ Less than 2 years of college
4. ☐ Less than an associate's degree
5. ☐ Earned associate's degree
6. ☐ Earned bachelor's degree

f. Are you currently employed as an instructional paraprofessional?

1. ☐ Yes
2. ☐ No

g. Do you work in a Title I district or school?

1. ☐ Yes
2. ☐ No

h. Do you work in a special education program?

1. ☐ Yes
2. ☐ No

i. How would you describe the school setting in which you work?

1. ☐ Rural
2. ☐ Suburban
3. ☐ Urban

j. How many years of experience do you have as an instructional paraprofessional?

1. ☐ Less than 1 year
2. ☐ 1–3 years
3. ☐ 4–6 years
4. ☐ 7–10 years
5. ☐ More than 10 years

*Question **a** will be reported to states or institutions that receive electronic reporting. Other questions and/or sections with asterisks will be reported on the test taker and recipient score reports. All other background questions are for research purposes only, and respondents will remain anonymous.

Do NOT send payment at this time. Test takers who are requesting extended testing time for PLNE will pay the test fee at the test center at their testing appointment. Test takers who are requesting other accommodations will be contacted by ETS after their request has been approved to schedule the test appointment and will collect payment information at that time.

☐ I understand and acknowledge the terms and conditions outlined in the Acknowledgment policy on the next page.

Please write, DO NOT PRINT, the following statement.

☐ I hereby agree to the conditions set forth in the 2022–23 *ParaPro Assessment Information Bulletin*, specifically those concerning test administration, payment of fees, the reporting of scores, and the confidentiality of test questions. I certify that I am the person who will take the test at the center and whose name and address appear on this form.

Acknowledgment

This Acknowledgment, including the Privacy Notice at www.ets.org/legal/privacy, contains the terms and conditions between you and Educational Testing Service (“ETS,” “we,” “us,” “our”) regarding the ETS test you are now registering for and/or the testing products and services you are now requesting (these are together referred to as “Testing Services”). It applies to all actions you take regarding the Testing Services, including creating an online account, providing survey information regarding a test that you take, requesting one of our services relating to the test and completing a test or product order and providing payment information.

Personal Information

In registering for the Testing Services, you acknowledge and agree that we have the right to obtain, collect, store, use, disclose (including to public authorities and score recipients), extract and transmit (collectively “use”) the personal information you provide, including your full name, home address, email address, telephone number, social security or similar number, passport number, national ID number, gender, nationality, age, date of birth, responses to other background information questions, test administration date and details, payment information and how you specifically use our Website. This also includes our use of biometric data (including fingerprints, audio recordings, facial images and video files) provided by you in the course of your registering for and participating in the Testing Services. All of the above data is referred to as “Personal Information.” Which Personal Information we hold, how we use it and how long we hold it for may be subject to legal limitations in the jurisdiction in which you receive the Testing Services. ETS strives to meet these legal requirements, and further information on how we do so is provided below.

How We Use Personal Information

We use your Personal Information to:

- o complete any registration, purchases or other transactions you request
- o improve our products and services, and identify, develop and offer new or expanded products and services
- o improve and personalize your experience on the Website, and customize the content and/or format of the pages you visit
- o subject to your opting-in (see below), notify you about updates, products, services and/or special offers from ETS, its affiliates and selected third parties
- o ask you to participate in brief surveys or provide other information
- o generate aggregate statistical studies and conduct research ourselves or jointly with others related to our products and services and the use of our Website

If you agree (or have agreed) under other agreements with ETS that we may use your Personal Information in additional ways, those other agreements will not be limited by this separate Acknowledgment.

International Transfer

ETS, its Website, and its servers are located in the United States. Therefore, your information, including Personal Information, will be transferred from your location to the United States in accordance with applicable laws. It may also be transferred directly from your location or via the U.S. to other countries who provide processing services to ETS, all at the direction of ETS and in accordance with applicable laws. In accepting this Acknowledgment, you are agreeing to cross-border transfers of your information, including your Personal Information. If you do not agree to these cross-border transfers, then you should refrain from using the Website. You may have a right under applicable law to revoke your consent to the international transfer of your Personal Information. If you do so, we are unlikely to be able to continue providing the Testing Services to you.

Third-Party Disclosure

We communicate your Personal Information to certain third parties, within the jurisdiction of your location and elsewhere, with whom we have a direct or indirect business or contract relationship in order to provide you with the Testing Services you have requested. These third parties assist with various aspects of the delivery of the Testing Services, including security services and score distribution services.

Your Rights

In some instances, under applicable laws, you have the right to withdraw your consent and require us to delete your Personal Information should the lawful purposes for which we hold it cease. You may also request that we correct your Personal Information if it is incorrect, inaccurate, misleading or incomplete. To protect your privacy and security, we will take reasonable steps to verify your identity before granting access or making corrections.

If required under applicable laws, at your request and on satisfactory proof of identity (as determined by ETS), we will provide you (I) confirmation that we hold your Personal Information, (II) details or a description of the Personal Information we hold in an intelligible form; (III) information of how we came to hold the Personal Information, the purposes for which we are using it, and in some cases the methods and logic we use in processing the Personal Information; (IV) further corporate information regarding ETS and, in some circumstances, the other corporate entities who may process the Personal Information on behalf of ETS.

To request any of the above actions, please contact us at: Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA, email: etsinfo@ets.org.

You may also have the right under certain applicable laws to complain to a regulatory authority in your country if you believe we have not processed your Personal Information in compliance with applicable laws.

Further Communications

We ask you to provide your contact details, including email address, telephone and mobile phone details. We use this information so that we can quickly provide you with information (principally by way of email, telephone, SMS or other electronic means) regarding the Testing Services you have requested and to provide you with information about other testing products and services (which we will do in accordance with applicable laws). When you receive communications from us about other testing products and services, you will have the opportunity of subsequently opting-out of receiving these, and our communications will contain instructions on how to do so. Remember, however, that we may still send emails or call you in order to provide the Testing Service you have purchased or otherwise requested from us.

Governing Law

You agree that this Acknowledgment will be governed by and construed in accordance with the laws of the United States and the State of New Jersey, without regard to principles of conflict of laws.

Additional Information

This paragraph containing additional information is of general application, but it is also provided for purposes of the *EU General Data Protection Regulation* when it comes into force (to the extent the Regulation is applicable to you in the context of the Testing Services):

ETS Corporate Details (including contact details): Educational Testing Service, 660 Rosedale Road, Princeton, NJ 08541, USA, email: etsinfo@ets.org.

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

International Transfers: Data will be transferred to data processors engaged by ETS in various jurisdictions outside of the EEA, depending on the particular Testing Services requested. These transfers are made in accordance with the acknowledgment you have given above and intercompany and third party transfer agreements, in accordance with applicable laws.

Personal Information Retention: Personal Information is generally held for 5 years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

Supervisory Body: Please contact the national data processing authority in the jurisdiction in which you receive the Testing Services.

For Hong Kong residents only: Subject to applicable laws regarding our use of your Personal Information, we will not use your Personal Information if we do not reasonably believe that such use is in your interests. In order for us to supply you with the Testing Services, you must supply us with your Personal Information to complete any registration, purchase or other transaction you request online and/or perform any of our other contractual obligations to you which requires us to have the Personal Information.

For Australian residents only: Please be informed that if you agree to the overseas disclosure of the information or transfer of your data outside of Australia, ETS and its affiliates will not be required to take reasonable steps to ensure that ETS or its affiliates' use of such data outside of Australia does not breach the Australian Privacy Principles.

For Canadian Residents only: This is the notification that ETS is required to provide to Canadian residents. Please see above regarding International Data Transfers. Where we transfer Personal Data to third parties we contractually require third parties to have a written procedures in place that comply with the requirements of the applicable privacy laws in Canada.

For Singapore Residents only: In connection with the transfer of your Personal Information outside of Singapore, ETS believes that the laws of the recipient country of your Personal Information will provide a standard of protection comparable to the applicable laws of Singapore.

CONTACT INFORMATION

If you have questions or requests concerning our use of your Personal Information, you should contact:
etsinfo@ets.org.

By indicating "Accept," you expressly and voluntarily acknowledge and agree to the terms and conditions above, particularly those relating to our use of biometric data and the international transfer of Personal Information.

Applicant's Verification Statement

I attest to the fact that the information recorded on this application is true, and if this application is not sufficient, I agree to provide ETS with any additional information or documentation requested in order to evaluate my request for accommodations. I also give permission to release to ETS a copy of any pertinent information required to establish the need for the accommodation(s) requested herein. If I am requesting the use of an assistive device, I am familiar with its use.

I understand that all information that is necessary to process this application must be available to ETS sufficiently in advance of the test administration date to provide time to evaluate and process my request for accommodations.

I acknowledge that ETS reserves the right to make final determination as to whether any requested accommodation is warranted and appropriate.

If I am submitting Part III — Certification of Eligibility: Accommodations History, I acknowledge that my request for accommodations will not be processed if I alter or revise Part III in any way after the appropriate official has completed it.

I also understand that ETS does not waive its right to ask the person who completes Part III on my behalf to submit the supporting documentation, if necessary, either before or after the test administration date. I authorize any person completing Part III on my behalf to release this information to ETS upon ETS's request. I also understand that the documentation in support of my request for accommodations supersedes any information contained in the Certification of Eligibility: Accommodations History. For quality assurance, the Certification of Eligibility: Accommodations History may be subject to audit resulting in a review of the actual disability documentation on file.

I acknowledge that any submitted information may also be used for research purposes, and that in no case will any individual be identified by name in research studies, and that the information will be protected by the terms of ETS's Confidentiality of Data Policy.

I further understand that ETS reserves the right to withhold or cancel my scores if it is subsequently determined that, in ETS's judgment, any information presented in this application or supporting documentation is either questionable, inaccurate or used to obtain accommodations that are not necessary.

**TESTING ACCOMMODATIONS REQUEST FORM
FOR PARAPRO ASSESSMENT**

Part II — Accommodations Requested

Applicant's Name: _____
(please print) First Name M.I. Last Name

Date: ____/____/____
Month Day Year

If you have received ETS approval within the last two years for accommodations identical to those you are requesting now, and your documentation is still current, please indicate the following:

Previous test(s) taken _____ Previous test date(s) (month/year) _____

ACCOMMODATIONS YOU ARE REQUESTING (Check all that apply)

Accommodations for Computer-delivered Tests

- ☐ Extended Testing Time (**NOTE:** All tests are timed; if you are requesting more than 50 percent extended time, documentation must be submitted.)
☐ 25 percent (time and one-quarter) ☐ 50 percent (time and one-half) ☐ 100 percent (double time)
- ☐ Breaks

Alternate Test Formats

- ☐ Braille*
- ☐ Large-print test book
- ☐ Large-print answer sheet

*Only applicants who are blind or have low vision

Assistance (**NOTE:** If you are requesting a reader and/or a scribe, and your disability is NOT blindness or legal blindness, you must submit documentation for review.)

- ☐ Human reader (available at test centers only)
- ☐ Human scribe (available at test centers only)
- ☐ Braille slate and stylus for note-taking purposes only (for applicants who are blind, legally blind, or have low vision)
- ☐ Perkins Brailler for note-taking purposes only (for applicants who are blind, legally blind, or have low vision)
- ☐ Sign language interpreter (available at test centers only, for check-in assistance and spoken directions only)**
- ☐ Oral interpreter (available at test centers only, for check-in assistance and spoken directions only)**

Other Accommodations. If you are requesting accommodations other than those listed above (e.g., separate testing room), please describe them below and submit appropriate documentation. **NOTE:** If you are requesting accommodations other than those listed above (e.g., medical supplies/assistive devices), please describe them below (including make/model information, if applicable) and submit the appropriate documentation.

* Only applicants who are blind or have low vision

** Only applicants who are deaf or hard-of-hearing

ParaPro® TESTING ACCOMMODATIONS REQUEST FORM**Part III — Certification of Eligibility: Accommodations History**

Applicant's Name: _____
 (please print) First Name M.I. Last Name

All applicants are encouraged to submit *Part III — Certification of Eligibility: Accommodations History* form which serves two distinct purposes:

- to provide verification of an individual's use of accommodations in either college or in the workplace
- as a shortcut for approval of certain specific accommodations for most disabilities.

A completed *Part III — Certification of Eligibility: Accommodations History* form will only be considered in place of disability documentation from qualified applicants with a

1. Learning Disability (LD), Attention Deficit Hyperactivity Disorder (ADHD), Traumatic Brain Injury (TBI), Autism Spectrum Disorder (ASD), psychiatric disabilities and/or physical disabilities, who are requesting 50% extended test time or less and/or additional breaks only; OR
2. Visual impairments or hearing loss, who are requesting those accommodations listed on pages 10 and 11 for these conditions.

For individuals with medical or chronic health-related conditions, or for any other accommodations (double time, scribe, reader, etc.) applicants must submit disability documentation directly to ETS for review.

This form must be completed and signed by an authorized professional representing one of the following:

- Office of Accessibility/Disability Services at test taker's college or university
- Human Resources office at test taker's place of employment
- Department of Vocational Rehabilitation (DVR) office in test taker's state of residence

***Certification of Eligibility: Accommodations History* forms completed and signed by members of the applicant's family, or by the individual who diagnosed or is treating the disability, will not be considered.**

After reading this page, please complete pages 40 to 43.

ParaPro® TESTING ACCOMMODATIONS REQUEST FORM**Part III — Certification of Eligibility: Accommodations History (cont.)**

Applicant's Name: _____
 (please print) First Name M.I. Last Name

**DIRECTIONS FOR COMPLETING THE CERTIFICATION OF ELIGIBILITY:
 ACCOMMODATIONS HISTORY**

The *Certification of Eligibility: Accommodations History* form may be used in lieu of documentation or as verification of the accommodations used in college or in the workplace. The authorized professional should initial each of the documentation criteria listed below. Please clearly write your initials for each item.

Does the candidate's documentation...

	Yes	No	N/A	
1.	_____	_____	_____	Meet the recency criteria set forth at www.ets.org/disabilities (e.g., LD, ADHD, and/or ASD within 5 years; psychiatric with 1 year, etc.)?
2.	_____	_____	_____	Include complete educational, developmental, and medical history relevant to the disability for which accommodations are being requested?
3.	_____	_____	_____	Describe the functional limitations resulting from the diagnosed disability?
4.	_____	_____	_____	List the test instruments used in the evaluation report and relevant subtest scores used to document the stated disability? (All test instruments should have adult norms.)
5.	_____	_____	_____	Describe the specific accommodation(s) requested and adequately support each requested accommodation?
6.	_____	_____	_____	Present itself on official letterhead, printed or typed, signed and dated by an evaluator qualified to make the diagnosis (include information about license, certification, and area of specialization)?

Provide the following information regarding the disability documentation on file:

- A. Name and credentials of the professional who completed the most recent evaluation.
 (e.g., Susan Smith, MD, Psychiatrist)

 Name Degree Area of Expertise

- B. Date of professional's most recent evaluation: ____ / ____
 Month Year

ParaPro® TESTING ACCOMMODATIONS REQUEST FORM**Part III — Certification of Eligibility: Accommodations History (cont.)**

Applicant's Name: _____
 (please print) First Name M.I. Last Name

- C. Applicants diagnosed disability or disabilities, as stated in the documentation, for which accommodations have been granted:

- D. Please indicate the accommodations the applicant has received at your institution.

Extended testing time (**Note:** All tests are timed; if applicant is requesting more than 50% extended test time documentation must be submitted).

☐ 25% ☐ 50% ☐ 100% ☐ Other _____

Please list all other approved testing accommodations: If the student used a "reduced distraction testing environment," please describe that environment.

1. _____
2. _____
3. _____
4. _____
5. _____

- E. During what period of time has the applicant used the above accommodations?

From _____ / _____ To _____ / _____
 Month Year Month Year

ParaPro® TESTING ACCOMMODATIONS REQUEST FORM**Part III — Certification of Eligibility: Accommodations History (cont.)**

Applicant's Name: _____
(please print) First Name M.I. Last Name

F. Has the applicant used these accommodations for at least one semester or four months?

_____Yes _____No

G. Where has the applicant used the accommodations?

☐ College/University

☐ Place of Employment

☐ Other (indicate): _____

I certify the accommodations indicated in *Part III — Certification of Eligibility: Accommodations History* form were documented as necessary and approved for the applicant.

I certify I have reviewed the Educational Testing Service (ETS) Documentation Criteria (including ETS guidelines about LD, ADHD and psychiatric disabilities, if applicable), and the applicant's documentation supporting the disability or disabilities and the need for specific accommodations meets those criteria and is on file in this office. For quality assurance, *Part III — Certification of Eligibility: Accommodations History* form may be subject to an audit resulting in a review of the actual disability documentation on file.

In the event ETS requests a copy of any of the documentation cited above, I agree to send ETS, for its consideration, the complete file of documentation pertinent to establishing the need for these accommodations. I understand the applicant authorizes the release of this information pursuant to the applicant's verification statement.

I also understand if ETS determines at any time the applicant's documentation does not meet ETS's Documentation Criteria, ETS will withhold or cancel the applicant's score(s).

ParaPro® TESTING ACCOMMODATIONS REQUEST FORM**Part III — Certification of Eligibility: Accommodations History (cont.)**

Applicant's Name: _____
(please print) First Name M.I. Last Name

Authorized Professional's Verification Statement

To be signed by an authorized person in the Office of Accessibility/Disability Services, a Human Resources counselor at place of employment or a Vocational Rehabilitation counselor. **Note: The evaluator who diagnosed or is treating the individual cannot complete this form.**

SUBJECT

Appointment to the Professional Standards Commission

APPLICABLE STATUTE, RULE, OR POLICY

Section 33-1252, Idaho Code

BACKGROUND/DISCUSSION

Section 33-1252, Idaho Code, sets forth criteria for membership on the Professional Standards Commission (PSC). The Commission consists of eighteen (18) members including one (1) from the State Department of Education and one (1) from the Division of Career Technical Education. The remaining members shall be representative of the teaching profession of the state of Idaho, and not less than seven (7) members shall be certificated classroom teachers in the public school system and shall include at least one (1) teacher of exceptional children and at least one (1) in pupil personnel services.

Any state organization of teachers whose membership is open to all certificated teachers in the state may submit nominees for positions to be held by classroom teachers. The Idaho School Superintendents' Association, the Idaho Association of Secondary School Principals, the Idaho Association of Special Education Administrators, the education departments of private colleges, and the colleges of letters and sciences of the institutions of higher education may submit nominees for (1) position each. The community colleges and the education departments of the public institutions of higher education may submit nominees for two (2) positions.

One (1) position on the PSC is open for a partial term appointment, effective immediately through June 30, 2025, representing teachers of exceptional children. The vacancy is a result of a resignation from the PSC. On May 15, 2023, Marianne Sletteland submitted a letter of resignation from the PSC, effective June 30, 2023. Sletteland was promoted to a building principal position and will no longer hold a position teaching exceptional children.

Three (3) nominations were sought for the open position from the Idaho Education Association, Northwest Professional Educators, and the Idaho Indian Education Committee (IIEC). In addition, nominations were sought from special education administrators through the efforts of Ramona Lee, PSC member and Idaho Association of Special Education Administrators representative. Nominations for appointment were received from the IIEC and a special education administrator.

Two (2) nominations for the open position were received. Marci Nuxoll of the Mountain View School District is recommended for appointment to the PSC.

APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section IV.B.9.
Idaho Code §§ 33-118, -118A

CONSENT
AUGUST 23, 2023

IDAPA 08.02.03.128 – Rules Governing Thoroughness, Curricular Materials
Selection and Online Course Approval

BACKGROUND/DISCUSSION

The curricular materials review and adoption process is established in Sections 33-118 and 33-118A, Idaho Code, and is further defined in IDAPA 08.02.03.128, Rules Governing Thoroughness. Curricular materials are defined as textbooks and instructional media including software, audio/visual material, and internet based instructional material. Idaho is a multiple adoption state and adopts a number of materials in a designated subject area from a variety of publishing companies.

The adoption process provides for the continuous review and evaluation of new curricular materials. This process ensures that all Idaho school districts and charter schools have quality products available to purchase at a guaranteed low contract price. This process maintains local control in the choice of instruction materials by providing multiple lists of approved materials. While school districts and charter schools can choose materials from the list of vetted and approved materials, this is not a requirement.

In accordance with IDAPA 08.02.03.128, Idaho adopts materials in the areas of reading, English, spelling, speech, journalism, languages other than English, art, drama, social studies, music, mathematics, business education, career technical education and counseling, science, health, physical education, handwriting, literature, driver education, and limited English proficiency. In addition, computer science and computer applications are adopted annually.

The Curricular Materials Selection Committee (Committee), the members of which are appointed by the State Board of Education (Board) for a five (5)-year term, has the responsibility of overseeing the adoption process for the state. The Executive Secretary of this Committee is an employee of the State Department of Education (Department) and a voting member of the committee.

The Committee consists of not less than ten (10) total members from the following stakeholder groups:

- Certified Idaho classroom teachers
- Idaho public school administrators
- Idaho higher education officials
- Parents
- Trustees
- Local board of education members
- Members of the Division of Career Technical Education
- State Department of Education personnel

The Committee, assisted by content specialists from throughout the state, meets for approximately one week in June to review and evaluate all materials against Idaho Content Standards and specific course requirements. The Committee

CONSENT
AUGUST 23, 2023

votes to recommend materials to the Board, and these recommendations are forwarded to the Board for adoption. All meetings of the Committee are open to the public.

If the Board accepts the recommendation of the Committee and adopts the materials, the Department executes contracts with the publishing companies, and the listing of newly adopted materials is published in the Department's Curricular Materials Adoption Guide. In accordance with IDAPA 08.02.03.128, a state curriculum depository is maintained at Caxton Printers, Ltd., in Caldwell, Idaho. Curriculum libraries are also maintained at seven (7) regional centers.

The 2023 curricular materials review included K-12 mathematics. Eight (8) content area specialists assisted seven (7) Committee members in the evaluation of curricular materials and related instructional materials. Recommended curricular materials and related instructional materials are catalogued in Attachment 1.

IMPACT

The curricular review and adoption process help to ensure that all Idaho school districts and charter schools, regardless of size, can purchase quality materials at a guaranteed low price for the length of the adoption cycle while maintaining local control in the choice of instruction materials.

ATTACHMENTS

- Attachment 1 – Recommended curricular materials and related instructional materials
