get future ready

with the Idaho Career Information System (CIS)

Learn About Yourself

You have unique interests, skills and values and knowing who you are and what is important to you is the first step. CIS assessments can be a starting point for exploring occupations.

Plan for School

Search over 4,300 Idaho and national schools to find the perfect match for you. Find all the details on programs, cost, sports and more.

Pay for School

Learn about all of your options including loans, grants and scholarships. Link your characteristics to over \$8 billion in Idaho and national scholarships.

Explore Careers

Search through hundreds of occupations. Learn what you need to know to start your dream career - where the jobs are, what they pay, and where to get the right training or education.

Build Your Personal Portfolio

Get online now to create and personalize your own account. Your CIS Portfolio has tons of apps that will let you plan your future:

My Favorites

Tag your favorite occupations, schools or scholarship files.

My Course Planner

Build your individual graduation plan and track all your classes.

Résumé Builder

Store all your education and work history and create a formatted résumé at the touch of a few buttons.

My Files and Links

Upload up to 5MB of files and create a list of all your favorite links.

Are You Ready For College?

Student's Step-By-Step Planning Guide

REMEMBER...DON'T WAIT, START NOW!

Discover the possibilities for life after high school. If you've decided to attend college, or even if you're not sure yet, you'll find this planning guide helpful as you prepare for the career of your dreams.

JUNIOR YEAR - FALL

- Start investigating post-high school education opportunities and research the different types of schools and training opportunities available.
- Choose a specific career that you'd like to pursue and visit with your high school guidance counselor regarding schools that will fulfill your educational and career goals.
- Review your recent and current class schedules with your school counselor to verify that you have taken, or are taking, those classes that will help you succeed in college and in your career.
- Attend career and college fairs and presentations.
- List the schools you are considering and send for literature. Request their admissions and financial aid information. Find out if the school requires ACT or SAT. Also ask how many applications they require, such as for admission, financial aid, and scholarships.
- Maintain good records during this entire process. Make copies of everything you send.
- Read all college materials you receive carefully. Decide what you want from an institution: major, location, athletics, reputation, etc. Then, compare the requirements for admission and financial aid.
- If you did not take the Preliminary Scholastic Aptitude Test (PSAT) in the 10th grade, take it now to prepare for college admission's tests and to establish eligibility for the National Merit Scholarship.
- Acquire a study guide for the ACT/SAT and start to prepare for the test.

JUNIOR YEAR - SPRING

- Take the SAT and/or ACT (depending on what is required by the institutions you're interested in attending). Your high school guidance counselor can provide you with the test dates and descriptive brochures.
- Start to narrow your list of post-high school options. Make plans to visit the facilities that are most appealing to you.
- Research scholarship opportunities and visit at least two types of colleges; i.e., large/small, community college/university, academic/technical.
- Contact organizations sponsoring scholarships that you're eligible for and request information.
- Develop a resume of high school activities and awards, if you haven't already done so, and update as needed.
- Find a summer job to set aside money for school.
- Start submitting applications to schools of your choice. Some colleges will accept applications once your junior year is completed. Keep copies of everything you send.

SENIOR YEAR - FALL

- Double check that you are taking the courses that will meet the admissions' requirements of the post-high school institution that you are planning to attend.
- Take the SAT or ACT again if you need a higher score to meet admission requirements, to be eligible for certain scholarships, or if you didn't take it your junior year.

- Apply to the colleges you are considering EARLY. Generally, during December, January, or February you may apply for regular admission.
- Watch for important scholarship and financial aid information and visit your counselor for scholarship opportunities and applications. Be aware of deadlines and plan accordingly.
- Think about what you want to say in your college essay.
- Ask teachers to write letters of recommendation for you if they are required for admission or scholarships.

SENIOR YEAR - WINTER

- Work with your parents to collect financial aid information and attend financial aid workshops together.
- Pick up and submit financial aid application. The most commonly used form in Idaho to seek federal financial aid is the Free Application for Federal Student Aid (FAFSA). Get it ready and mail the FAFSA after January 1. You may also need to fill out a separate form for institutional or state aid.
- Keep working on scholarship and financial aid applications. Remember to respond immediately to any requests for more information or for additional documents in your financial aid application.
- Who's home from college for the holidays? Visit with them about their college experience.
- Remind your parents to prepare their income tax statements as early as possible, since a photocopy of their return must be sent to most schools to which you have applied.

SENIOR YEAR - SPRING

- Read all of your mail!! There may be important news.
- You should be hearing from colleges now. After you receive letters of acceptance and financial aid awards, decide which school you'll attend.
- Mail in your acceptance form and deposit check as soon as possible. Pay attention to all deadlines and make sure that your applications are sent in on time. Ask about campus housing deadlines, specifically, because student housing fills up quickly.
- Review the financial aid package of the school of your choice with your parents. Be sure you understand each type of aid offered. Schedule an appointment with the school's financial aid director if you have questions. Don't forget to sign the financial aid award letter and return it by the deadline.
- Notify the financial aid office of the scholarships that you are receiving.
- Decline offers received from other institutions or organizations in writing.
- Complete any separate applications for loans you decide to accept.
- Participate in orientation programs for incoming freshmen offered by the school of your choice.

BOISE BIBLE COLLEGE

Since Boise Bible College was founded in 1945, its purpose has been to train young men and women to be servant leaders in church and parachurch vocations. BBC graduates have served around the world and continue to lead people to a deeper understanding of God's will for their lives.

We help students understand God's will and Word and how to apply them to their lives.

Many of our students prepare for full-time ministry in churches, while others use their education here as the basis for future studies.

BBC exists to raise up leadership for the Lord's church by preparing students for full-time ministry, to serve as church leaders, and to provide students with spiritual enrichment.

Doctrinal Position and Denominational Affiliation

Preparation for service and ministry is at the heart of BBC's mission, and at its foundation is the Bible. Boise Bible College teaches the Bible as God's revelation of Himself to mankind, that what we read in it is God's Word precisely as He meant to say it, and that we are all called to holy living and submission to Him and His Word.

BBC is not a part of any denominational system, but is associated with and supported by independent congregations generally called Christian Churches or Churches of Christ.

You are welcome to study at Boise Bible College regardless of your church affiliation if you name Jesus as your Lord and Savior and are seeking to govern your life by His Word.

Campus Life

BBC's suburban campus in western Boise is a quiet, safe place to live, study, and play. Campus housing is available for single students. The Greenbelt is less than a five-minute walk from campus, and rock climbing or mountain biking in the Foothills is nearby. The freshman whitewater rafting trip during Orientation Week, a student retreat early in the school year, and other special events help new students adapt quickly to student life and make friends at BBC. And a new student center, opening Fall 2014, will be an active center of campus life and BBC's unique "coffee culture."

Academic Programs

Boise Bible College is accredited by the Association for Biblical Higher Education (www.abhe.org).

BBC offers Bachelor of Arts, Bachelor of Science, and Associate of Science degrees. Students may also pursue one-year Bible certificates or take advantage of one of the cooperative transfer agreements BBC has with other colleges and universities.

Four-year degree programs at BBC include a major in Bible and, in most cases, a second major in the ministry field of your choice. Ministry majors include Preaching, Youth Ministry, Children's Ministry, Worship Ministry, Intercultural Studies, and Helping Professions.

Two year graduates also receive their first concentration in Bible, and choose from five programs for basic ministry training. The Bible Certificate is a one year program designed to give a sense of purpose to your studies and a sense of completion once the year is through.

Spiritual and Personal Development

BBC blends traditional academic processes with discipleship in an environment that encourages mentoring relationships between students and faculty, to help you grow as a person of faith:

- Freshmen are introduced to character and leadership competencies and guided in setting goals for growth.
- Through Sophomore Seminar, second-year students engage in a process of self-discovery, learn self-assessment skills, and are prepared for internships tailored to their strengths, interests, and self-identified areas for improvement.
- Juniors begin internships designed to be mentored ministry experiences. They also continue the process of self-discovery, specifically their influence and impact in a team environment, at the Junior Summit retreat.
- Seniors review their progress and prepare for ministry and learning after graduation in a mentored environment through Senior Capstone.

Chapel, student-led devotions, ministry involvement in a local church, and numerous activities play a role in the spiritual climate of BBC and each student's life.

Financial Aid

It is the fundamental purpose of our financial aid program to help all qualified students obtain a Christian education at BBC. BBC offers In-House Financial Assistance as well as Federal Assistance. BBC award In-House Scholarships for academics, early applications, and ministry involvement. Both the FAFSA and a BBC application are required for financial aid consideration. BBC now offers a Junior Scholarship for students applying during their Junior year of high school. It is worth \$4,000. All juniors interested must complete their application by June 30.

Admissions Requirements

Students are granted acceptance based on criteria such as leadership, character, and academic eligibility. Prospective students must submit:

- BBC Application, \$25 Fee, Essay, and Photo
- Recommendations from a Minister, Teacher, and Personal Reference.
- Official HS Transcript with a CGPA of 2.0 or higher, or GED
- ACT Score of 17 or SAT Score of 1300

Types of Awards

Most Boise Bible College scholarships are based upon the Application for Admission. Some have extra requirements.

- Early Acceptance
- Academic Scholarship: Based on GPA
- Need: Based on Free Application for Federal Student Aid (FAFSA)
- Degree Specific: Separate application and recommendations required
- Music Performance: Audition required

Visit BBC

Perspective (November 7, November 21)

A program open to high school juniors and seniors, Perspective is a chance to experience everyday life at BBC. Stay in the dorms, attend regularly-scheduled classes, and spend the day as a BBC student.

Preview (April 11-13)

A regional youth rally open to all high school students, Preview is a chance to worship, play, and experience BBC with students from around the Northwest and the Intermountain West.

Contact the Admissions Office at (208) 376-7731 for more information or to register for these events, or to schedule a campus visit at any time during the school year.

BOISE STATE UNIVERSITY

Academic Information

Actions speak louder than words at Boise State, where academic excellence is supported and rewarded.

- The Micron Business and Economics Building is a state-of-the-art facility that emphasizes student learning, business-relevant research and community collaboration.
- "Finish in Four" guarantees that students who follow a planned course of study can complete their degree in four years.
- The newly created Venture College gives selected students the opportunity to compete for start-up funding under the mentorship of industry leaders and entrepreneurs.

Boise State students have a record of success on and off the blue turf:

- The "Talkin' Broncos" have earned three national championships in speech and debate at the Pi Kappa Delta National Tournament.
- Boise State researchers received the prestigious Keck Foundation Grant to pioneer a novel disease detection system.

Opportunities for Students

Boise State's location in Idaho's capital city and center for business, arts, education and technology creates an abundance of opportunities for students.

- Boise State's Service Learning Program is comprised of 100 courses, 80 faculty, 2,000 students and 80 community partners.
- To date, more than 25,000 Boise State students have contributed nearly 591,690 public service hours to Treasure Valley non-profit agencies.

Campus Life

Students from all 50 US states and 60 countries share and participate in a rich environment where diversity is celebrated. The Student Union Building is a vibrant center for campus life, just minutes away from Albertsons Stadium, Taco Bell Arena, the Student Recreation Center, and University Housing.

Campus Clubs/Organizations

There is always something to do with over 200 clubs and organizations at Boise State, including:

- Academic clubs
- Student government
- Professional organizations
- Political and social action groups
- Intramural sports teams
- Religious organizations

Cultural Events and Entertainment

Whether you prefer sports, live concerts, movie-going or a march for human rights, there are activities to appeal to every taste. And you'll enjoy it all while living in Boise. Just across the river from campus, you'll find the Boise Art Museum, Zoo Boise, Basque Museum and Cultural Center, Black History Museum, and other great venues. For pure entertainment, check out Rhodes Skate Park, Alive After Five, or shop at Boise Towne Square.

Sports and Recreation

NCAA Division 1-A, Mountain West Conference; eight men's sports and twelve women's sports.

Outdoor opportunities such as skiing, mountain biking, 25 miles of hiking and biking trails on the Boise River Greenbelt and whitewater rafting are within 30 minutes of campus.

Off-campus, you can cheer on Boise's many professional athletic teams, including Boise Hawks baseball, Idaho Steelheads ice hockey, and Idaho Stampede basketball.

Student Services

- Health, Wellness and Counseling Services
- 15 free computer labs with wireless access, and free iPad and laptop check-out in the Student Union Building and in the library
- Career Center assistance in finding employment while in college and after graduation
- Disability Resource Center
- Multicultural Student Services and Women's Centers
- 24-hour campus security

Admission Requirements

Freshman admission is based on an index that uses GPA and ACT/SAT scores. The index gives more weight to high school grades than test scores. Students must complete the Idaho Admission Core classes for general admission. Plan to apply early in your senior year.

To learn more, see admissions.boisestate.edu/freshman

For Scholarship Consideration:

- All admission materials need to be received by the Admissions Office no later than February 15, 2015
- Admissions Application
- \$50 application fee
- Official high school transcript
- ACT or SAT test scores

Financial Aid

Boise State distributes more than \$155 million annually in financial aid and participates in all federal and state aid programs, including grants, loans and college work study.

- Merit Scholarships are based on scholastic achievement and involvement. Admission application materials and the Supplemental Scholarship Application must be received by February 15, 2015 to be considered.
- Performance Scholarships are available for art, music, theatre and athletics (audition required).
- Need-based: Students must file the Free Application for Federal Student Aid (FAFSA). February 15, 2015 is the priority deadline.
- See financialaid.boisestate.edu/scholarships for details.

Housing

Living-Learning Communities enrich student learning through direct connection with faculty who bridge academic and personal life and foster interdisciplinary inquiry.

Residential Colleges -- Faculty in Residence:

- Arts & Sciences
- College of Business & Economics
- Education
- Engineering
- Health Professions

Interest Communities:

- First-Year Focus
- Leadership

Rooms include free internet, air conditioning and cable television. Single and double rooms are available as well as a variety of floor plans.

Apply online at housing.boisestate.edu/apply.

BRIGHAM YOUNG UNIVERSITY - IDAHO

At BYU Idaho, we are dedicated to developing students academically, spiritually, and socially. Our well-rounded approach prepares graduates to have high moral character and to be innovative contributors to the changing world that lies ahead.

Founded in 1888 and built upon a tradition of service, hard work, friendliness, and compassion, BYU Idaho seeks to cultivate a distinctive environment known as the "Spirit of Ricks." With our unique and innovative approaches to education, and the special bond between students, faculty and administrators, BYU Idaho pledges to preserve and enhance the "Spirit of Ricks."

At BYU Idaho, everything we do is centered on the student. This means that students and teachers collaborate in such a way that both participate in learning and teaching. For more information on this innovative approach to education, visit byui.edu/learningmodel.

Academic Information

Rigorous academic offerings and a wide variety of opportunities for personal growth combine to create a powerful educational experience that prepares BYU-Idaho graduates to build successful careers. With 21 associate degrees, over 70 bachelor's degrees, more than 100 online courses, and 14 online degrees, BYU-Idaho works to not only provide a good education, but to ensure flexibility as you prepare for the workforce.

Get Informed

There's a lot you can do right now to prepare yourself for a great experience at BYU-Idaho. Whether you have questions about financial assistance, academic programs, housing options, church involvement, our 200 student involvement organizations, or other areas of BYU-Idaho life, the Admissions website at byui.edu/admissions is a great place to start!

Financial Aid

You can afford a BYU-Idaho education. There are many resources available through the Student Financial Aid Office. Approximately 70% of BYU-Idaho students receive some type of financial assistance to pay for school and 30% of freshman receive a scholarship.

As a student, it is primarily your responsibility to pay for your education. The Student Financial Aid Office can assist you as you consider your options. To be considered for scholarships and/or federal financial aid you will need to complete the following required applications:

BYU-Idaho Scholarship Application:

- Complete during your senior year
- Application is available from November 1st through April 1st
- Complete the application online at byui.edu/financialaid

Free Application for Federal Student Aid (FAFSA):

- Complete during your senior year
- Application is available January 1st
- Complete the application online at fafsa.ed.gov

Three Track System

BYU-Idaho operates year-round with three distinct 14-week semesters: Fall, Winter, and Spring. Each student is admitted to a track consisting of two semesters: Fall/Winter, Winter/Spring, or Spring/Fall.

Students can only enroll in classes during their assigned track and they must remain on the same track through graduation. Because of the Three Track System, BYU-Idaho is able to admit over 4,000 students each year who would otherwise be turned away due to limited space and resources.

Academic Calendar

Three Track System

Admission Requirements

BYU-Idaho exists to provide an education consistent with the religious and family values taught by The Church of Jesus Christ of Latter-day Saints. We admit students without regard to gender, race, creed, religion, national origin, age, or disability who meet the requirements; who agree to abide by the Honor Code and Dress and Grooming Standards; and who are otherwise qualified based upon available space.

With over 15,000 new freshman applications each year, the BYU Idaho admissions committee considers the following for admittance: LDS church and seminary activity, personal commitment to living the standards, academic preparation, ACT or SAT scores, extracurricular activities, and essays.

Apply Online

You may apply online for admission at besmart.com. For additional information about the admissions process, helpful checklists, admissions programs, and more, please visit byui.edu/admissions.

Application Deadlines

To be considered for admission, all parts of an application must be submitted by the deadline.

To Begin Spring or Fall Semester

Priority review – December 1
Final Deadline – February 1

To begin Winter semester

Final Deadline – October 1

Campus Visits

There's no better way to feel the "Spirit of Ricks" than by visiting BYU-Idaho's campus in person. These visits can help you not only get a better feel for campus, but also give you time to talk to current students, meet with Admissions counselors, visit other student services like Student Financial Aid, Housing, Career & Academic Advising, and more. For scheduling information and to learn more about campus tours, please visit byui.edu/admissions/visit-campus

THE COLLEGE OF IDAHO

The College of Idaho (C of I) is a nationally-ranked liberal arts college dedicated to preparing students better than any other small college in the West. You and 1,120 classmates enjoy small class sizes with engaging professors, a close-knit community, a competitive NAIA athletics program, outstanding visual and performing arts activities, and a beautiful residential campus.

Academic Information

Since its founding in 1891, The College of Idaho has prepared students to thrive wherever they go through a rigorous academic program grounded in the liberal arts and sciences. While academic course work is challenging, you'll get all the support you need to succeed from our dedicated staff and faculty, which include four Carnegie Foundation Idaho Professors of the Year since 2006. One of the most distinctive aspects about C of I is the relationship between students and professors. Students interact with professors in and out of the classroom and develop friendships with teachers who become mentors for life.

Distinctions

The College's innovative PEAK curriculum (www.collegeofidaho.edu/peak), offering 27 majors and 55 minors, challenges you to climb the four knowledge peaks of the fine arts & humanities, natural sciences & mathematics, social sciences & history, and a professional field. PEAK enables you to graduate with an academic major and three undergraduate minors in four years, offering an education that is both broad and deep. PEAK provides the versatility you need to succeed and pursue your passions in a constantly changing world. The C of I also enjoys a diverse campus community, with nearly 10 percent of students coming from 46 foreign countries and another 20 percent of students being members of minority American groups.

Travel

Learning extends well beyond the classroom at The College of Idaho. 45% of C of I students study abroad. The College offers traditional study abroad opportunities with partner institutions, but also sponsors faculty-led Winter Term and summer trips and service trips organized by Campus Ministries. Students have recently studied in Thailand, England, Australia, China, Costa Rica, France, Peru and Ireland.

Student Success

The College of Idaho has a long-standing track record of providing students with the tools necessary to succeed in their chosen profession or to continue their education at some of the world's top graduate programs. C of I alumni include seven Rhodes Scholars, three state governors, a Pulitzer Prize-winning historian, an Academy Award-winning composer, the co-discoverer of B12, the co-founder of Patagonia Outerwear and the founder of Albertsons grocery stores. Dedicated faculty and the Center for Experiential Learning help students obtain internships and assist with career placement.

Beyond The Classroom

With more than 50 student organizations, our campus is always buzzing with activity. Organizations ranging from improv theatre to international student clubs to service groups give you opportunities to get involved, have fun and discover new interests. Our active Greek community includes seven sororities and fraternities and the College's Campus Ministries helps students to grow spiritually, socially and academically during their college career. Whatever you choose to be involved in, you'll build friendships for life and grow as a leader.

Housing

The College of Idaho is a residential campus and offers a variety of housing options for students. There are five co-ed residence halls, including the newly refurbished Simplot and Hayman Halls, with both single and double rooms available. All halls are equipped with a kitchen, wi-fi and a computer lab, free laundry facilities, and common lounges. All rooms have their own air conditioning and heating units. The Village apartments and campus houses are available for upperclassman living options as well.

Sports and Recreation

Nearly 40% of College of Idaho students play intercollegiate athletics and the C of I is annually ranks among schools with the most NAIA Scholar Athletes. With 21 sports teams – and the C of I beginning to compete in NAIA football in 2014 – there are plenty of opportunities to get in the game as a team member or as a Coyotes fan. You can also participate in the College's active intramural sports program and student-led Outdoor Program, which provides numerous chances to enjoy Idaho's natural beauty.

Admission Information

Non-binding admission is offered on a rolling basis until the class is full. The free application is accepted as early as April 15th of the junior year of high school.

Admission Requirements

- Common Application
- Official high school transcript
- SAT or ACT scores (including writing section)
- Letter of Recommendation
- Personal Essay
- An interview is recommended but not required

Scholarships & Financial Aid

The College of Idaho is committed to providing access to all qualified students.

- The Kathryn Albertson Scholarship Competition is an on-campus scholarship competition in the fall where the College awards approximately 30 \$10,000 scholarships!
- Contact your admission counselor for more financial aid and scholarship information.

COLLEGE OF SOUTHERN IDAHO

The College of Southern Idaho is a two-year community college offering a broad range of programs and services. Our 315-acre campus is located in Twin Falls (population: 45,000). Founded in 1965, CSI's enrollment has grown to almost 9,000 students. CSI is an ideal choice for students who seek a first-class education in a caring environment. Amid rising college costs, CSI remains one of the state's most affordable options.

Opportunities for Students

Transfer Credits: An Associate's degree from CSI fulfills the general education requirements at Idaho's public four-year institutions. CSI credits are widely accepted by private and out-of-state institutions, as well.

Honors Program: Students can enhance their education through participating in various seminars, conferences, projects, and field trips. Students must be degree seeking and maintain a 3.5 GPA.

Advanced Placement & CLEP: Students may earn college credits via credit by exam or by taking AP exams, high school students who are advanced enough in a specific subject area can be placed in a more advanced term of study in that subject matter. Contact Admissions or visit advising.csi.edu/alternativecredit/cbe for more information.

Academic Information

CSI awards Associate Degrees in Arts, Science, and Engineering in more than 55 academic majors designed to transfer to four-year institutions.

Technical Programs

CSI offers 85 technical programs that lead to a one-year Technical Certificate or a two-year Associate of Applied Science degree.

- State, regional, and national award-winning programs
- Well-equipped labs with the latest technology
- All programs emphasize on-the-job training

Student Services

- College development courses to enhance English, Reading, Math, Spelling, Vocabulary, and Study Skills
- Child Care Center
- Advising for degree and non-degree seeking students
- Access to healthcare
- Veterans Services
- Services Disability Services
- Career, Educational, and Individual Counseling
- Off-campus job referrals
- 24-hour campus security

Housing

Eagle Residence Hall houses 118 men and 128 women in separate wings

- A \$100 security deposit is required to reserve a room
- Access to computer lab
- Free cable and internet

Northview Apartments and Eagleview Apartments

- 1, 2, 3 Bedrooms
- Most Utilities Covered
- Free cable and internet

Campus Life

- More than 50 clubs and organizations (Cultural, Service, Religious & Social)
- Movie Nights, Bowling, Comedy Nights, Guest Lecturers, Dances and World-Class Entertainers
- WOW- Week of Welcome
- Diversity Week
- Arts on Tour
- Faulkner Planetarium and Observatory
- Herrett Center Museum

Sports and Recreation

- Athletics: Men's/Women's Basketball, Volleyball, Baseball, Softball, Men's/Women's Rodeo, Cheerleading and Dance
- 19 National Titles
- 85 Regional Championships
- 114 All-American
- 964 Student Athletes Transferred to 4-year University
- Outdoor Program: Climbing, hiking, kayaking, rafting, skiing, scuba, and more
- Intramurals: Baseball, Basketball, Dodge Ball, Football, Soccer, Tennis, Volleyball and more
- Challenge Course: Largest pole ropes course west of the Mississippi, with over 24 high and low elements

Admission Requirements

- Free Application for admission
- Official high school transcript or GED
- CSI Compass, ACT/SAT scores
- Additional testing and/or application requirements for some programs
 - Health Science Programs
 - Agriculture Programs
 - Technical Programs

Financial Aid/Scholarships

CSI participates in all federal and state financial aid programs providing grants, loans, and college work study for students.

- CSI awards nearly \$1,000,000 annually in scholarships
- March 1st- Priority Scholarship Deadline
 - General Scholarship: based on GPA, major field, leadership experience
 - Fine Arts: talent in art, photography, music, theater and speech
 - Athletics: qualifications set by the coaching staff of each intercollegiate sport

Campus Visits

Experience CSI first-hand by getting an individual tour! Tour the college, observe classes, meet students and faculty and attend athletic events. Contact New Student Services to schedule a tour, one week notice is required.

COLLEGE OF WESTERN IDAHO

The College of Western Idaho (CWI) is bringing expanded educational opportunities to the residents of the Treasure Valley. As Idaho's newest community college, we are eager to provide quality teaching and learning that's affordable and within reach, regardless of time and distance. CWI offers a full range of academic courses leading to an associate degree and prepares you to transfer to a four-year college or university to complete a baccalaureate degree. CWI has articulation agreements with both public and private colleges and universities that will take your associate degree credits from us with no strings attached. CWI also serves as the Idaho State Board of Education designated provider of Professional Technical Education in Southwest Idaho. At CWI you will find Adult Basic Education, Workforce Development Training, Professional Technical Education, Liberal Arts and Transfer degrees, and community interest and enrichment class opportunities!

Academic Information

College of Western Idaho is providing exceptional learning programs to a diverse group of students with different goals, unique histories and at varying stages of their learning journey. Our mission is to provide a public, open-access, and comprehensive community college committed to providing affordable access to quality teaching and learning opportunities to the residents of its service area; this means YOU! Our class offerings and programs will open exciting educational and career opportunities for you. We are here to help you achieve your goals of a bright future.

Transfer

Enrolling at CWI is an affordable path that prepares you to continue on to a bachelor's degree. Our associate degree programs meet core requirements allowing for easy transfer to four-year colleges and universities. Your degree will include lower division courses in your major interest area. Majors available include Biology, Communication, Elementary Education, Psychology, Nursing, and Geology! For a complete list visit www.cwidaho.cc/academics/all-programs-and-classes.

Professional Technical Education

More than 29 well-known certificates and degree programs can transition you right into the workforce. The Professional-Technical programs range from nine to twenty-four months providing you a fast-track from a student to an employee.

For a complete list of professional technical programs, visit www.cwidaho.cc/pte.

Campus Life

At CWI you will find a passion for learning shared by the faculty, staff and fellow students. CWI offers opportunities for you to get involved inside and outside the classroom to enhance your overall college experience. CWI is committed to helping you reach your educational goals.

Campus Clubs & Organizations

College is more than just attending lectures, writing papers and taking exams. It is also about enriching your college experience by participating in campus clubs, organizations and activities. CWI students have a unique opportunity to become leaders of student clubs, organizations and student government. With more than twenty CWI student clubs and organizations, you will find a variety of opportunities to engage in student activities. If we do not have the organization for you, make CWI history and form a new student club

Student Services

At CWI you will find our One Stop Student Services Centers allow you to accomplish all necessary tasks without running to different offices all over campus:

- Admission
- Financial Aid
- Advising
- Registration
- Student Accounts
- Career and College Transfer Center (CCTC)
- Assessment

CWI is student driven. The caring nature will be felt the moment you walk through the door.

Program and Degree Offerings

CWI has more than 200 credit and non-credit programs to choose from. Our Lower Division Transfer academic courses allow you to complete your general education requirements and begin courses in your chosen major designed to transfer to a four-year college or university. In addition, we offer numerous career-focused programs that will allow you to enter the workplace with the skills you need to be successful. Some of our most popular programs include Criminal Justice, Elementary Education, Nursing, Information Technology, and Welding.

Faculty and Staff

A feature you will not find at any other school is our charismatic faculty and staff. All faculty and staff members have come to CWI because they are excited about the diversity found at a community college and its mission to provide affordable, quality education to everyone—they want to help students achieve their goals. Our faculty is both experts in their fields and master teachers. You will feel the support and dedication from everyone at CWI while you pursue your educational goals.

Financial Aid & Scholarships

Tight finances don't have to be a barrier to your college education. At just \$136 per credit, your financial aid and scholarship dollars go farther at CWI! We awarded over \$52 million in aid to students last year. Staff at any of CWI's One Stop Student Services Centers are ready to help connect you to sources of financial aid that will make your education at CWI even more affordable.

CWI helps connect students to financial aid from many sources, primarily federal aid, state aid, institutional aid, and outside scholarships.

Special Admission Deadlines

- AS in Nursing: Jan-March 15th
- Physical Therapy Assistant: Aug-Oct 15th
- Surgical Technology: Jan-March 15th
- Dental Assisting: Accepted year-round

Campus Visits

CWI is growing! We serve Idaho's Treasure Valley, which means we have campus location options near you for your convenience:

- Micron Center for Professional Technical Education off Franklin Rd. in Nampa
- Ada County Campus at the Black Eagle Business Park in Boise
- Canyon County Center on the Nampa-Caldwell Blvd.

Students and parents are invited to visit any campus location at anytime, or schedule a personal tour with an Outreach Advisor by calling (208) 562-3000. With so many choices, CWI allows you to start your college education without traveling far from home.

We offer day, evening, weekend, and online classes to meet your needs.

Accreditation

College of Western Idaho delivers college credit instruction, certificates and degrees through its memorandum of understanding with the College of Southern Idaho (CSI). CSI is accredited through The Northwest Commission on Colleges and Universities (NWCCU). Credits, certificates and degrees earned at CWI appear on CSI transcripts and are transferable to four year institutions, subject to the specific policies of those institutions.

EASTERN IDAHO TECHNICAL COLLEGE

Eastern Idaho Technical College (EITC) is a comprehensive technical college operated under the authority of the Idaho State Board for Professional-Technical Education. Pre-employment technical programs and continuing education courses operate in response to the unmet needs of regional employers and the interests of the students. Anyone seeking an affordable education leading to a new technical occupation or wishing to improve skills related to existing employment will benefit from EITC services.

Academic Information

EITC offers a variety of Certificate and Associate of Applied Science degree options available to students.

Opportunities for Students

- Access to Faculty. EITC has a 15 to 1 student to teacher ratio
- Most programs include a supervised work or clinical experience
- Classes involve a combination of lecture and “hands-on” experiences
- Career placement services
- EITC Tutoring Center
- Personal and professional counseling through our Center for New Directions
- Students have access to high-speed wireless internet
- Enhanced learning through classrooms equipped with SMART Technology

Programs of Study

Numerous options to explore in Business, Health Care, Trades and Industry, Fire Service, Environmental, and Community Education.

Special Programs

- Regional Adult Learning Center
- Workforce Training & Community Education
- Fire Service Training
- Environmental Safety and Health
- Professional Truck Driver Training

Business, Office and Technology Division

- Accounting Technologies
- Business Technologies
- Computer Networking Technologies
- Energy Systems Technology
- Legal Technologies
- Marketing & Management
- Office Technologies
- Web Development Technologies

Health Care Technology

- Certified Nursing Assistant
- Dental Assisting
- Medical Assisting
- Practical Nursing
- Registered Nursing
- Surgical Technology

Trades and Industry

- Automotive Technology
- Diesel Technology
- Welding Technology

Campus Life

The EITC campus community is small, yet vibrant. Our size allows all interested students the opportunity to participate in activities. Students may interact at social events such as the fall and spring barbecues; or they may participate in community service activities. Additionally, many recreational activities such as skiing, fishing, boating, and golfing are within minutes of the campus.

Campus Clubs/Organizations

- Registered Nursing Club
- BPA - Business Professionals of America
- Skills USA VICA
- DEX - Delta Epsilon Chi (Marketing)
- SIFE - Students in Free Enterprise
- Student Medical Assisting
- Student Senate

Housing

On-campus housing is not available.

Admission Requirements

Eastern Idaho Technical College typically accepts applicants who are high school graduates or the equivalent. Other applicants may be accepted based on a review and evaluation of their education, interests, aptitudes, and experiences.

Please see the individual program description in the EITC catalog to determine if additional requirements must be fulfilled. The following represent the standard requirements of all programs. However, additional pre-admission procedures exist for some programs.

- Students who have completed all entrance requirements are accepted on a first-applied, first-considered basis
- Applicants are urged to begin the admission process early to ensure acceptance into a desired program

Prospective Students Must Submit

- Common Application
- \$15 non-refundable application fee
- Official high school transcript or GED test scores required where applicable
- Complete the COMPASS Placement Test, SAT or ACT. Achievement testing constitutes part of this assessment process

NOTE: To schedule an interview with an admissions counselor call (208) 524-3000 ext. 5371 or 1-800-662-0261.

Financial Aid

To apply for Federal Aid, visit the EITC website at www.eitc.edu/financial.cfm.

- Step 1: Request a PIN number to sign the Free Application for Federal Student Aid (FAFSA).
- Step 2: Complete the FAFSA (School Code: 011133).

Priority deadlines: June 1 (Fall semester), November 1 (Spring semester), February 1 (Summer semester).

Federal Aid Programs: Pell Grant, Federal Direct Loans, Federal Work Study

For more information contact information contact the Financial Aid Office at (208) 524-3000 or by email at financial.aid@my.eitc.edu.

Types of Awards

- Grants: Based on financial need
- Scholarships: Merit and/or financial need. (Deadline: February 15)
- Part-time work: Work experience in program of study
- Loans: Low interest and deferrable federal government guaranteed loans
- Agencies: Workforce Investment/Job Service, State Division of Vocational Rehabilitation, Veteran's Administration Benefits

Campus Visits

EITC encourages students and/or parents to visit the campus to see all that EITC offers. Counselors and instructors are available for campus tours and to answer questions regarding full or part-time enrollment.

IDAHO STATE UNIVERSITY

Discover a University where you can receive an excellent undergraduate education, enjoy meaningful relationships with faculty and friends, explore a variety of quality programs, and benefit from an academic reputation that reaches far beyond the Idaho border. Located in Pocatello, ISU is a welcoming community minutes away from some of the world's finest recreation areas. Discover your future at Idaho State University.

Academic Opportunities

- One of fewer than 100 colleges and universities out of 4,400 nationally classified by the prestigious Carnegie Foundation as a research high university
- More than 275 degree programs
- ISU is Idaho's health care university and offers 75 percent of the state of Idaho's health profession degree programs
- Home to more operating accelerators than any university in North America
- ISU is home to the first and only School of Performing Arts in the state of Idaho
- ISU's College of Business is one of only 179 schools worldwide that has achieved Associate of Advance Collegiate Schools of Business accreditation.
- ISU has the only clinical and experimental psychology Ph.D. programs in the state, which was recently ranked number 1 in North America
- ISU offers the only Honors Bachelor's degree program in the state of Idaho

Additional academic opportunities include:

- Research opportunities at the undergraduate and graduate levels of study
- Study Abroad 9 different countries
- Early College (Concurrent and Tech Prep)
- **eISU** provides students with more access to online courses and programs giving them greater convenience and flexibility in completing course work.
- Academic outreach sites give Idaho students access to the benefits of an ISU education
 - ISU at University Place in Idaho Falls. See page 20 for more information.
 - ISU-Meridian Health Science Center - (208) 373-1700
 - ISU Twin Falls - (208) 763-2101

Real World Preparation

- ISU was recently ranked 15th nationally for affordable public colleges with high starting salaries for graduates
- ISU prepares talented undergraduates with career experience and advancement from their first semester on campus through the ISU Career Path Internship program
- More than 80% of Spring 2013 ISU graduates were employed within 6 months of graduation
- More than 89% of ISU graduates indicated that their major is helpful in their current position

Campus Life

- More than 130 clubs and student organizations
 - Social clubs
 - Professional organizations
 - Service clubs
 - Ethnic organizations
 - Religious clubs and organizations
 - Athletic and Intramural clubs
- Events celebrating the many international countries represented on campus
- 15 NCAA Division 1 sport teams
- ISU has one of the first and finest outdoor programs on a university campus in the U.S.
- Several club sports including baseball, men's and women's rugby, dance, rodeo, plus many more
- The Wilderness Rental Center provides all types of outdoor equipment to students for a reasonable price
- Reed Gym houses one of the largest indoor climbing walls on a college campus, along with a swimming pool, indoor tennis courts, weight rooms, basketball courts, and more
- Minutes away from skiing, hiking, fishing, camping, and mountain biking

Student Services

- Numerous services are available for students, some of which include:
- Career Counseling
 - Student Health Center
 - Free Tutoring
 - Academic Skills Center, offering assistance in math, English, study skills and reading
 - Academic Advising
 - On-site child care facility
 - TRiO
 - Veterans Sanctuary

Housing

Living on campus you'll have opportunities for involvement, academic support, and social interactions that can lead to a unique and memorable college experience. By living on campus, you will become part of an emerging community that is as energetic and diverse as the individuals who comprise it.

Amenities include:

- Free cable
- High-speed Internet access
- Computer labs
- Entertainment rooms
- A snack bar for late night studying
- And more

Admission Requirements

To be considered for admission to Idaho State University you must meet high school core subject requirements established by the Idaho State Board of Education.

Admission is based upon what type of student you are (freshman or transfer). See a detailed list of requirements by visiting www.isu.edu/future.

Prospective Students Must Submit

- Web Application (available at apply.isu.edu)
- \$50 application fee
- Official high school transcripts and college transcripts if applicable
- Official ACT or SAT scores

Financial Resources

Idaho State University's affordable tuition makes for an exceptional education value.

- More than 80 percent of ISU students received some form of financial assistance.
- ISU awards more than \$10 million in scholarships each year.
 - Submit an application for admission with fee, transcripts and test scores by February 15 of your senior year to be considered for scholarships.

Types of Awards

- Need: Based on information provided on the Free Application for Federal Student Aid (FAFSA)
- Merit: Students who submit the application materials by February 15 will be eligible for consideration for all academic scholarships.

For more information regarding scholarships and financial aid, contact us at the Office of Financial Aid at (208) 282-2756 or Scholarship Office at (208) 282-3315.

Campus Visits

Discover more about ISU by visiting us. While on campus you can:

- Meet with faculty
- Have a student ambassador show you the campus
- Meet with an admissions advisor
- Be an overnight guest in one of our residence halls
- Take part in campus activities.

To arrange your personal visit any weekday that classes are in session, go to www.isu.edu/visit and submit a visit request. While there, check out our special on-campus preview days.

IDAHO STATE UNIVERSITY - IDAHO FALLS

Academic Information

Idaho State University brings a wide variety of exciting educational opportunities to the Upper Snake River Valley. And ISU/ Idaho Falls is a great resource for local students. You can save dollars by living at home while taking courses from one of our state's premier universities.

Degree options are available at the Associate, Bachelor, Master, and Doctoral level. In addition, students are able to complete the first two years of any degree offered at Idaho State University.

Associate Degrees:

- Business
- General Studies
- Health Physics
- Math

Bachelor Degrees:

- Applied Technology
- Biology
- Business Administration
- Computer Science
- Elementary Education
- Secondary Education
- Civil Engineering
- Electrical Engineering
- Mechanical Engineering
- Nuclear Engineering
- General Studies
- Health Physics
- History
- Nursing
- Work Place Training and Leadership

These programs may require some travel to labs or classes in Pocatello.

Opportunities for Students

- World-class professors teach relatively small classes.
- Day and evening classes are offered.
- Classroom experience is enhanced through the Student Success Center, which provides tutoring in math and writing as well as content area tutoring.
- Improved student access to classes through the use of online and distance education courses.
- Wide array of courses and programs provided locally at an affordable price.

Academic Advising and Career Counseling

Professional staff in the Idaho Falls Student Services office helps students by providing information about academic programs of study, major requirements, course prerequisites and equivalencies, financial aid, and campus resources. The career counselors in the Career Services office can assist students with career and personal counseling.

Student Support

- Free tutoring including math and writing labs staffed by faculty and advanced students
- Study skills workshops and classes on transitioning to college
- Personal and career counseling by professional counselors
- On-site student health care
- TRIO and ADA programs and services to all eligible students
- VA benefits counseling
- Financial aid and scholarship assistance
- Onsite child care available at the Early Learning Center
- Scholarship programs which are specific to the Idaho Falls Center

Admission Requirements

Students wishing to attend in Idaho Falls apply online at isu.edu for admission and must meet Idaho State University's admission requirements.

Financial Aid

Financial aid and scholarships are available as well as financial aid staff to assist students in Idaho Falls. Apply for federal financial aid:

- www.fafsa.ed.gov
- ISU school code: 001620

Get Involved!!!

By participating in activities such as lunch with live music, barbecues, Welcome Week, karaoke, pizza and prizes, UP5K Fun Run/Walk for scholarships to benefit IF students, blood drives, lectures, clubs and service organizations, students can have fun and meet other students. ISU/IF students who qualify can take advantage of a reduced fee membership at Apple Athletic, free movie passes, and tickets to see the Idaho Falls Chukars.

Campus Visits

Call 282-7800 to visit Idaho State Idaho Falls or just stop in. We are located at 1784 Science Center Drive in Idaho Falls, next to Freeman Park.

LEWIS-CLARK STATE COLLEGE

Students on the trail of a quality, highly personalized education complemented by a distinctive small college environment will want to explore Lewis-Clark State College (LCSC). LCSC faculty and staff are truly dedicated to making your college experience unique to your needs. Located in Lewiston, the tree-lined campus blends traditional and modern structures. LCSC students have the opportunity to enjoy wilderness and recreation areas, many of which are just a few miles away.

In all regards, LCSC is a quality institution.

Academic Information

Lewis-Clark State College is a state-supported institution governed by the Idaho State Board of Education. LCSC offers over 100 majors in academic and professional-technical programs.

Accreditations

- College - Northwest Commission on Colleges and Universities
- Nursing program - Commission on Collegiate Nursing Education (CCNE) and Idaho State Board of Nursing
- Education program - National Council for Accreditation of Teacher Education and the National Association of State Directors of Teacher Education and Certification
- Social Work program - National Council on Social Work Education
- Medical Assistant program – Commission on Accreditation of Allied Health Education Programs
- Select majors in the Business Division – International Assembly of Collegiate Business Education

Extended Campus Locations

- Coeur d'Alene
- Grangeville
- Orofino

Campus Life

At LCSC, students have special opportunities to contribute to college and community life. Learning and growing experiences occur inside and outside the classroom. With small class sizes on a safe and beautiful campus, our diverse student population enjoys opportunities from athletics to our student radio station, from our academic clubs to our outdoor recreation program, to Redneck Olympics and intramural sports.

Athletic and Student Activities

- NAIA Division I Frontier Conference—Baseball (16 National Championship titles), women's volleyball, men's/women's basketball, tennis, cross-country, track and field, and golf
- All teams have gone to National Competition within the last five years
- LCSC has been the NAIA World Series host since the spring of 2000
- Over 40 intramural and recreational sports
- Mild winters and early springs provide year-round outdoor activities
- LC has an extensive outdoor recreation program allowing students to take advantage of the outdoor opportunities that surround Lewiston
- LC offers over 60 Clubs and Organizations ranging from Associated Student Body to Welding. Get involved with our campus newspaper or radio station! For a complete list of clubs and organizations, check out www.lcsc.edu/student-activities.

Housing

Easy access to classes, campus activities, dining facilities, and other services make it convenient to live on campus.

- Meet current LCSC students
- Co-ed housing is available in all four halls (Talkington Hall, Clearwater Hall, Clark Hall, and Parrish House)
- Parrish House is designated for upperclassmen
- Clearwater Hall is a suite-style residence hall
- Free laundry services, cable hookup, high speed Internet, local phone service, and heating/air conditioning
- Study areas and TV lounges
- On-campus housing is not mandatory for incoming freshman

Check out www.lcsc.edu/reslife for more information (includes application process and rates).

Admission Requirements

Students interested in attending Lewis-Clark State College should contact the Office of Admission/Registrar for more information. Visit www.lcsc.edu/admissions for requirements.

Fall application deadline: August 8.

Spring application deadline: January 8

Prospective Students Must Submit

- FREE Admission Application
- Official high school transcript or GED test scores
- ACT or SAT test scores for academic students
- Compass Test or ACT or SAT scores for professional-technical students
- Official college/university transcripts

Financial Aid

LCSC offers both merit-based scholarships and need-based aid.

Government agency aid opportunities include:

- Free Application for Federal Student Aid (FAFSA)
- Department of Veteran's Affairs
- Bureau of Indian Affairs

Types of Awards

To receive priority consideration for scholarship opportunities, students must complete the admission/financial aid process by March 1st:

- Merit-based scholarships are awarded on test score and/or Grade Point Average
- Presidential Scholarship (3.5-4.0 GPA or ACT 28/SAT 1260) Initial award: \$1,500; meet maintenance & increase criteria and the scholarship grows each year
- Provost Scholarship (3.0-3.49 GPA or ACT 20/SAT 950) Initial award: \$1,000; meet maintenance & increase criteria and the scholarship grows each year
- Leadership Scholarship: (2.5 GPA) Must hold a leadership position during Jr. or Sr. year of High School
- Counselor Leadership: (3.0 GPA) First year only: \$250; nominations provided by high school counselors
- Many more LCSC Scholarships are available. Refer to the Financial Aid website at www.lcsc.edu/financialaid

Campus Visits

LCSC invites students to visit the campus and experience college life by touring campus, meeting with a professor, enjoying a complementary meal in our Student Union Building, staying overnight in a residence hall, and speaking with an enrollment advisor..

NORTH IDAHO COLLEGE

Academic Information

NIC offers both an Associate of Arts and Associate of Science to provide a solid foundation of general core classes toward your Bachelor's degree.

NIC offers many certificate and Associate of Applied Science degrees to provide specialized training for your chosen career that may not require more than 9 months in school.

Transfer Programs

NIC can fulfill the first half (100 and 200-level courses) of many different Bachelor degree programs. Choose from over 40 academic program areas or "majors."

Transferring credits is easy. An Associate of Science degree fulfills the general core requirements at all of Idaho's public four-year institutions. An Associate of Arts degree creates a smooth transition to most private and out-of-state institutions.

Professional-Technical Programs

NIC provides specialized training in 36 professional-technical programs that lead to certificates or associate of applied science degree, or apprenticeship. Many programs require or encourage internships as part of the program.

NIC Professional-Technical students can move into the workforce immediately with most students finding jobs before they graduate.

Campus Life

Academics and extracurricular activities go hand-in-hand at NIC. And there are no juniors and seniors here, so opportunities are wide open for all our students!

With a new residence hall, new Health Sciences Building, an active student government, and unlimited opportunities in clubs, intramural sports, and outdoor recreation, our students have the best of all worlds.

A typical day at NIC?

1. Bike or rollerblade along the Centennial Trail
2. Breakfast
3. Attend classes
4. Take advantage of free tutoring
5. Cruise Lake Coeur d'Alene in a kayak or go snowboarding with the Friday Afternoon Club in the winter
6. Dinner
7. Study at beach

Campus Activities/Organizations

- Associated Students of North Idaho College (ASNIC): Get involved with student government and run for office
- Many clubs to choose from: academic, cultural, social, and religious
- The Sentinel: Join the staff of one of the nation's top collegiate newspapers
- Theater/Music: Perform in a drama or musical group
- Business Professionals of America: participate and rank in state and national competitions

Cultural Events and Entertainment

NIC is the core of arts and entertainment for the Coeur d'Alene community. The campus boasts popular student- and community-sponsored events throughout the year.

- Comedians and school plays
- NIC Symphony Orchestra & Jazz groups
- Jazz and Concert Band
- Spokane Symphony

Sports and Recreation

- Men's Varsity teams: basketball, soccer, golf, wrestling and cheer
- Women's Varsity teams: basketball, soccer, softball, golf, volleyball and cheer
- Outdoor Pursuits: school-sponsored rafting trips, ski club, cross country skiing, snowboarding, snowshoeing and backpacking. Rent equipment from NIC to create your own adventures
- Intramural Sports: student recreational leagues include basketball, dodgeball, flag football, volleyball, softball, tennis, and more

Student Services

- Advising Specialists
- Career Center
- College Skills Center (two hours of free peer tutoring per week per class)
- Health Services
- Therapeutic Counseling Services
- Disability Support Services
- Minority Student Advisor
- Native American Student Advisor

Admission Requirements

Our open-door admission policy makes students who have graduated from an accredited high school or have completed their GED eligible for admission to North Idaho College. Some programs have limited enrollment and/or selective admission processes.

Prospective Students Must Submit

- Application for Admission
- Official high school transcript or GED transcript
- ACT, SAT, or COMPASS

Financial Aid

NIC disbursed over \$28 million in financial aid last year. Follow these easy steps:

- Submit the FAFSA and apply for admission by March 15 (priority date)
- Submit the NIC scholarship application by March 15

Types of Awards

- General Scholarships: Awarded on GPA, major, leadership, and need, plus department grants for various areas of study
- Grants and Loans: Federal and State funds available
- Work Study: Many jobs available right on campus
- Athletics: Scholarships are offered for all sports. Qualifications are set by the coaching staff

Housing

NIC's modern, new residence hall is located in the center of campus and is an easy, short walk to the beach and downtown Coeur d'Alene. Check it out at www.nic.edu/sub.

- Single and double rooms
- Semi-private bathrooms
- Hookups for cable and internet
- DVD theater lounge
- Laundry facilities
- Dedicated parking
- Indoor bicycle storage
- Earn room/board while working as a Resident Advisor

Campus Visits

Students and parents are invited to visit NIC and see the campus up close and personal. Just call 769-3311 or visit www.nic.edu/admissions/visit

- Individual tours offered Monday-Friday by appointment
- Meet instructors and students
- Attend an athletic, music, or theatre event
- Take a walk on the beach!

NIC: AT A GLANCE

Come study on the shores of Lake Coeur d'Alene, a destination resort town filled with an abundance of recreational opportunities. NIC is a comprehensive two-year community college providing both academic and professional-technical programs. The Coeur d'Alene community offers the perfect mix of outdoor recreational opportunities with the conveniences of a major city (Spokane, Washington) located only 30 minutes away.

NORTHWEST NAZARENE UNIVERSITY

Ideas and ideals come to life at Northwest Nazarene University (NNU), where the commitment is to academic excellence within the framework of strong Christian faith. Within this challenging academic environment, professors are dedicated to personalized instruction and students find daily opportunities for spiritual growth and emotional maturity. NNU has long earned distinction because of its academic reputation and high student satisfaction.

Academic Information

Accredited by the Northwest Commission on Colleges and Universities, NNU offers over 60 major areas of study within six academic schools.

- Arts, Humanities, and Social Sciences
- Business
- Education, Social Work and Counseling
- Nursing and Health Sciences
- Science and Mathematics
- Theology and Christian Ministries

Opportunities for Students

Pathways to learning at NNU are not restricted by classroom walls. Each year hundreds of students practice active learning through:

- Internships in major corporations and local businesses
- International travel and study experiences
- Student teaching and other educational field experiences
- Performance and travel with music ensembles and speech/debate teams
- Freshman Honors Program offering accelerated freshman courses
- Summer fellowships in physics and chemistry research
- Additionally, NNU is a completely wireless campus allowing any student to study anything, anywhere on the 85-acre campus

Campus Life

NNU's geographically diverse student body provides a dynamic and exciting community. Involvement in student life begins with "New Student Orientation" and remains a central focus throughout the students' college years. Many opportunities are available for involvement in athletic, social, community service, and ministry organizations.

Sports and Recreation

NNU is a member of the NCAA Division II, in the Great Northwest Athletic Conference, and offers the following sports:

- Basketball (Men's and Women's)
- Soccer (Men's and Women's)
- Cross-Country (Men's and Women's)
- Track (Men's and Women's)
- Volleyball (Women's)
- Baseball (Men's)
- Golf (Men's and Women's)
- Softball (Women's)

Student Services

- Study Skills Lab
- Campus Chaplain
- Campus Health Center
- Individual/Career Counseling Services
- Counseling Center
- Peer Tutors
- Multicultural Affairs Office

Admission Requirements

Admission is routinely granted to candidates who have graduated from an accredited high school and have maintained at least a 2.5 grade point average, have a minimum ACT composite score of 18 or a minimum SAT math, reading, and writing composite score of 1270, and have graduated in the upper one-half of their class.

Prospective Students Must Submit

- NNU application for admission
- ACT or SAT score
- Official High school transcript
- \$40 application fee

Housing

NNU highly values residential life, and offers a dynamic campus living experience.

- Seven residence halls
- Campus-owned apartments for upperclassmen and married students
- Unmarried students who wish to live off campus must apply for an exemption and meet certain eligibility criteria

Financial Aid

Financial aid at Northwest Nazarene University is awarded according to both need and merit. By filling out the NNU Application for Admission and the Free Application for Federal Student Aid (FAFSA), students are eligible to be considered for all scholarships and need-based aid. Ninety-one percent of all students receive some form of financial aid.

Types of Awards

- Academic Scholarships: Based on GPA, ACT or SAT Scores
- Need-based: Student must file the Free Application for Federal Student Aid (FAFSA)
- Athletic & music: Separate application and/or tryout or audition required
- NNU Trustee's Award: NNU matches contributions from the student's local church

Campus Visits

All students and their families are invited and encouraged to visit the NNU campus to

- Attend a class
- Stay in a residence hall
- Eat in the dining area
- Receive a personalized campus tour
- Conference with faculty in major interest area
- Speak with an admissions counselor and financial aid officer

UNIVERSITY OF IDAHO

This is Your University

As a student of Idaho's leading research and land-grant university, you will benefit from our innovative academic programs, exceptional student living and learning environment, outstanding research opportunities, and proven track record for high-achieving graduates. Our beautiful residential campus in Moscow offers intimate learning experiences that attract many of the best students from the state and nation.

Become part of our tradition of leadership that dates back to 1889.

Academic Information

You will study side-by-side with world-class professors who challenge and encourage you to expand your personal and intellectual boundaries every day. University researchers attract nearly \$100 million in research grants and contracts each year. The University of Idaho is recognized by the prestigious Carnegie Foundation for its high level of research activity.

- UI consistently attracts the state's highest achieving students
- Graduate students earn masters' and specialists' degrees in 77 fields
- Doctoral degrees are offered in 33 areas of study
- Advanced degrees are offered through regional cooperative programs in veterinary medicine and medical education
- UI ranks highest in the state and second in the Northwest in enrollment of National Merit Finalists
- Named to the President's Higher Education Community Service Honor Roll – the highest federal recognition a college or university can receive for its commitment to volunteering, service-learning and civic engagement
- *Forbes Magazine* ranks The University of Idaho 25th on their list of "Best Value" colleges in the country - one of only three universities in the western United States to make the list

Opportunities for Students

- Undergraduate and graduate research
- Regional, national, and international internships
- Study Abroad and National Student Exchange programs
- Rich curriculum of study across disciplines in the university's Honors Program

Student Success

UI students have the highest graduation and retention rates of any public university in the state of Idaho.

Campus Clubs and Organizations

- Students can participate in more than 200 academic, community service, cultural, ethnic, sports and special interest student organizations and clubs
- UI is the only university in the state to offer ROTC programs in all four branches of the military-Air Force, Army, Marines and Navy
- Multiple faith-based clubs and activities
- Student-run radio station, campus newspaper and magazine

Cultural Events and Entertainment

- The world's top-rated educational jazz festival, the Lionel Hampton International Jazz Festival in February
- Year-round theater, music and dance activities
- Films, lectures, speakers, concerts and international cultural events

Sports and Recreation

- NCAA Division I Athletics with 14 Men's and Women's teams
- 21 club sports and 35 intramural sports

Student Services

From tutoring, studying and writing assistance to personal counseling and career guidance; to health care, disability support, multicultural and veterans affairs, and our Women's Center; you will have the extra support you may need to thrive both inside and outside the classroom.

Housing

- Seventeen fraternities and ten sororities offering academic excellence and support and opportunities for leader and volunteer service
- Various single and double room options in the residence halls, including Quiet Halls, Scholar's Halls, Specialty Halls and Living Learning Community (LLC)

Admission Requirements

- Prospective applicants who graduate from an accredited Idaho high school must complete the minimum courses required by the Idaho State Board of Education
- Applicants must also meet the combined GPA and test score requirements outlined at www.uidaho.edu/admissions and must submit:
 - Web application or paper application
 - \$60 application fee
 - ACT or SAT test scores
 - Official high school transcript
- February 15 Application Priority Deadline

Financial Aid

The University of Idaho awards more than \$125 million in student financial aid annually, including over 5,000 scholarships

- We participate in all federal and state financial aid programs
- Submit an admission application complete with fee, transcripts and test scores by **February 15** for priority consideration for merit-based scholarships
- File a Free Application for Federal Student Aid (FAFSA) by **February 15** to receive priority consideration for need-based scholarships and federal financial aid

Types of Awards

- Merit: Based on GPA, ACT or SAT, class rank and activities. The application for admission is the application for all merit-based UI scholarships.
- Need-based: Based on the financial status of the student and his/her family. To be considered for all need-based scholarships and federal financial aid programs, complete the UI admission application and the FAFSA.

Campus Visits

Come visit! Explore the campus, meet faculty members, attend classes and participate in various student activities. For a weekday visit, just call the Office of Admissions (1-888-884-3246). We encourage high school sophomores, juniors and seniors to attend special on-campus events (www.uidaho.edu/visit).

IDAHO TECHNICAL COLLEGE SYSTEM

Program Information

- The Idaho Technical College system consists of six technical colleges located in each region of the state. The technical colleges are North Idaho College, Lewis-Clark State College, College of Western Idaho, College of Southern Idaho, Idaho State University, and Eastern Idaho Technical College.
- The Technical College programs are structured to meet the demand for workers in the professional and skilled trades that require other than a 4-year college degree. With many technical programs, students may complete a certificate and exit into the workforce or continue their training toward a higher certificate or degree. The certificates and degrees offered in the technical college system are:
 - Basic Technical Certificate: minimum of 8 credits, about one semester
 - Intermediate Technical Certificate: minimum of 30 credits; about one year
 - Advanced Technical Certificate: minimum of 52 credits; about two years
 - Associate of Applied Science: minimum of 60 credits which includes 15 general education credits; about two years
- Postsecondary technical education is becoming the new minimum requirement for the majority of jobs in Idaho and the US. The continued success of Idaho's economy depends on an increasing supply of professional and technically trained employees. Professional-Technical Education is Idaho's primary source of these skilled workers.

Benefits to Students

- Instructors from business and industry who bring years of work experience to the classroom
- Smaller classes with more personalized attention for students
- Education tied to employment that may include internships, clinical experience, or apprenticeships
- Skills that lead to employment opportunities in jobs with higher than average wages
- Tech Prep Credit options to earn college credit while in high school
- Leadership training and skill development through hands-on experience in professional-technical student organizations

Admissions Requirements

It is recommended that students complete the following standards in high school or prior to seeking admission to a certificate or degree through a professional-technical program.

- 4 credits of math (6 recommended)
- 4 credits of natural science (6 recommended)
- 8 credits of English
- High School Diploma
- Placement examination (CPT, COMPASS, ASSET, ACT, SAT, or Accuplacer)

Students can be admitted who do not meet these admission standards but may be required to improve and/or remediate their skills in certain academic areas prior to regular enrollment in the professional-technical program. Contact the admissions office at the technical college of your choice for more information.

Financial Aid

Idaho technical colleges participate in all federal and state student financial aid programs providing grants, loans, and college work study.

The Idaho Promise A Scholarship and the Idaho Governors Cup Scholarship provide scholarships for professional-technical students. Students should check with their high school counselor for more information.

Students interested in applying for scholarships to individual technical colleges should check with their high school counselor or technical college of interest by December for applications and deadlines.

Scholarships are also available through student professional-technical organization foundations and private businesses that support professional-technical education in Idaho. Contact the Scholarship or Financial Aid Office at the technical college of choice.

IDAHO

Division of
 Professional-Technical Education

Many of the fastest growing careers require education beyond a high school diploma but not a 4-year college degree. Professional-Technical Education programs in the Idaho technical college system prepare people for these occupations.

Idaho Students Did You Know...

You can use your IDEal 529 funds to pay for Idaho Dual Credit courses and required materials!¹

IDEal 529 is the flexible way for families to save for college, featuring tax benefits, account control, and investments including Vanguard funds and an FDIC-insured Savings Portfolio.

To learn more about IDEal 529, visit www.IDsaves.org.

¹Dual Credit is an opportunity to earn college credit by enrolling in college classes offered through a partnership between Idaho's accredited colleges, universities and high schools. You may use funds from your IDEal account to pay for the costs of Dual Credit courses, as well as required books, as long as you are enrolled as a student at the postsecondary institution in which you are obtaining the credit.

If you're not an Idaho taxpayer, consider before investing whether your or the beneficiary's home state offers any tax or other benefits only available for investments in that state's qualified tuition program.

Visit idsaves.org to obtain a disclosure statement discussing investment risks, charges, expenses and other important information. Read and consider it carefully before investing.

Not FDIC-Insured (except for the Savings Portfolio)

FREE SAT[®]

April 15, 2015

All Idaho juniors can take the SAT for free
at your school on Wednesday, April 15, 2015.

You'll even get free access to The Official SAT Online Course™
to help you practice. Remember: All Idaho colleges,
and colleges around the country, accept the SAT.
This is your chance to show them what Idaho's really made of!
