Of the

State Fiscal Stabilization Fund Program

(Amended January 3, 2011)

CFDA Numbers: 84.394 (Education Stabilization Fund) and

84.397 (Government Services Fund)

Indicator (b)(1) element 12: Other information determined necessary to address alignment and adequate preparation for success in postsecondary education.

Update 03/16/2011

Implementation Plan: The continuing evaluations being conducted by the OSBE will determine the necessary linkages to K-12, postsecondary and workforce. They will be incorporated into this plan and completed by September 2011. A list of potential questions that could be addressed by the P-20 system has been issued for review and discussion. This will help determine

Responsible Agency: The SBOE is the responsible entity. The OSBE is managing the postsecondary data collection as well as the evaluation for the P-20 to workforce SLDS. The State Board of Education will provide updates on the status of this project and these efforts at: http://www.boardofed.idaho.gov/research_stats/long_data_system.asp

Timeline: The K-12 SLDS will begin student-level data collection Fall 2010; therefore K-12 student-level graduate enrollment information will be available Spring 2011. It is anticipated that Idaho will begin loading this information to the National Student Clearinghouse by June 2011. Post-Secondary fall 2011 enrollment in remedial courses will be loaded to the National Student Clearinghouse after summer registration. Public reporting of this information will start by September 30, 2011.

Budget: These expenses will be managed in existing internal budgets.
