The Robert R. Lee Scholarship was established in honor of Senator Robert Lee from Rexburg who was instrumental in the formation of the program. The Robert R. Lee Promise Category A Scholarship is offered to Idaho students based on academic or technical merit. There are two categories available to students: academic and professional technical. These \$3,000 scholarships, renewable up to four years, are available to Idaho residents enrolled full-time at an Idaho state-funded college or university. Academic students are required to have a 3.5 GPA, while technical students need a 2.8 GPA.
