**To the students and family of Idaho:**

The Idaho Association of Collegiate Registrars and Admissions Officers (IACRAO) is proud to share with you the 2021-2022 Higher Education in Idaho Magazine. In this publication you will find helpful information about Idaho’s colleges and universities. Our mission is to ensure you have the information you need to make your go-on decision and to understand the investment you are making for your future.

Thank you for taking time to learn more about the institutions of Higher Education in the state of Idaho. We wish you success in your academic pursuits.

Sincerely,

The 2021-2022 IACRAO Executive Board

Jacek Mikkola, Brigham Young University – President
Effie Hernandez, College of Eastern Idaho – President-Elect
Jessica Eby, University of Idaho – Past-President
Brenda Summers, University of Idaho – Secretary-Treasurer
Bianca Ridley, Idaho State University – High School Relations/Admissions Chair
Seneca Jenson, University of Idaho – State Board of Education Advisory Chair
Stilalay Escamilla, College of Western Idaho – Diversity Chair
Savannah Allmatt, Boise State University – Technology/Communication Chair
Westin Tender, Brigham Young University – Higher Ed Days Coordinator
Alyson Vernon, Idaho State University – Counselor Day Coordinator

Idaho Association of Collegiate Registrars and Admissions Officers (IACRAO)

JUNIOR CHECKLIST

- PLAN YOUR JUNIOR AND SENIOR YEAR COURSES. Make sure to check with your High School Counselor to review your schedule and ensure you are meeting your graduation requirements.

- ATTEND IDAHO HIGHER EDUCATION DAY. This annual, spring event, will help you learn more about your options to continue your education within the state of Idaho.

- TAKE THE SAT. Some colleges or universities might require additional materials such as an essay, letters of recommendation, or a resume. As you finalize these materials, make sure to ask for feedback from your teachers, counselors, or other close mentors.

- CHECK OUT COLLEGES AND UNIVERSITIES. Utilize your spring and summer break to try and visit schools you are interested in either virtually or in-person. Take a tour of the campus, meet faculty, visit the Financial Aid Office, and tour the dorms—these are all great ways to help you determine if you can visualize yourself as a future student.

- DEVELOP A RESUME. Use this as a record of your accomplishments, activities, work, and volunteer experience(s). If you are looking to build your resume, consider joining a school club, career/technical student organization, religious or civic group, or maybe take on a new leadership role!

- RESEARCH COLLEGE APPLICATIONS. Make the most of your summer vacation by planning your application timeline. As you prepare, make a list of the application and financial aid deadlines so you can check back on this during your senior year.

- TALK ABOUT FINANCES WITH A PARENT OR MENTOR. Create a college budget and brainstorm ways to fund your education. Consider getting a summer job to start building a college fund, boost your resume, and explore fields of interest.

- EXPLORE SCHOLARSHIPS. Did you know there are scholarships available to juniors? Be sure to review their requirements to see if they require community service or affiliation with a national club. If so, utilize this year to complete any missing requirements.

- COMPILE YOUR COLLEGE LIST. Create a document that includes your schools of interest, their deadlines, and what additional requirements might be needed to complete your application. If schools require the ACT/SAT and you have not taken this test yet, make sure to register!

- PREP SUPPLEMENTAL MATERIALS. Some colleges or universities might require additional materials such as an essay, letters of recommendation, or a resume. As you finalize these materials, make sure to ask for feedback from your teachers, counselors, or other close mentors.

- SUBMIT YOUR COLLEGE APPLICATIONS. Consider applying to more than one college or university. You can weigh your offers and financial aid packages later in the spring to help determine where you might attend. Use the Apply Idaho application at nextsteps.idaho.gov/resources/apply-idaho to apply for all the state schools at one time.

- REQUEST YOUR TRANSCRIPTS. Some colleges or universities will require that you submit your high school transcript to apply. Check with your chosen colleges or universities to learn how to submit your transcript to them.

- APPLY FOR SCHOLARSHIPS AND GRANTS like the Idaho Opportunity Scholarship. boardefed.idaho.gov/scholarships/idaho-opportunity-scholarship/ Ask your High School Counselor, Admissions Representative, or any local organizations you are involved with to see if they might have any additional opportunities. A great scholarship resource is: boardefed.idaho.gov/scholarships/

- SUBMIT YOUR FAFSA. Completing the FAFSA is the first step to getting grants or loans from federal or state governments and colleges and universities. In addition, this might be required for some scholarship applications. Check with your High School Counselor to see if your school might be hosting a FAFSA completion night to help get you started.

- ACCEPT YOUR ADMISSION OFFER. Congratulations— it’s time to decide! Review your offers (including tuition, financial aid package(s), academic programs, etc.) and notify which school you will join in the fall. Then, be sure to follow up to learn about any remaining next steps.

- SIGN UP FOR HOUSING. Ask your chosen schools about housing options and deadlines, as open spaces can fill up quickly!

- SIGN UP FOR HOUSING. Ask your chosen schools about housing options and deadlines, as open spaces can fill up quickly!
Researching your options after high school can be overwhelming, exciting, and stressful. However, colleges and universities have Admissions Representatives to help guide you through this process. Check with your High School Counselor to see when these representatives are visiting and how to reach out to them. Whether you meet in person, set up a virtual meeting, or reach out with a phone call or email, here are some questions to help you get started. Remember, there is no such thing as a bad question. Admissions Representatives are always happy to help you through this process, even if you’re not sure what to do next.

**Questions for an Admissions Representative**

**Can I see myself on this campus?**
1. When should I visit your school? What types of campus visits do you offer? Do you offer virtual visit opportunities?
2. What is one word students would use to describe your school?

**What are the admission requirements?**
1. How do I apply? Where is your application located? What materials do you need from me?
2. What type of scholarships do you offer? When is the deadline? What is the criteria? How do I apply for them?

**How do I pay for your college?**
1. How much will it cost to go to your school? What is included in that cost? Who can help me learn more?
2. What type of scholarships do you offer? When is the deadline? What is the criteria? How do I apply for them?

**What is the classroom/academic experience like?**
1. What is the average class size? What is the biggest classroom on campus?
2. Here are a few subject areas/future jobs I’m interested in. What study abroad trips, internships, research opportunities, or projects are available for me? Is there a person I can contact to learn more? Feel free to ask what students gain from doing exploration opportunities

**What is student life like on your campus?**
1. Is it required to live on campus? If so, what is it like and how much does it cost? Who can help me learn more?
2. What do students do for fun both on and around your campus? I am interested in (tell them your favorite club or activity). Do you have that at your school?

**What support or resources are there?**
1. What health and academic support services are on campus? Do you offer tutoring support or writing centers? Is there a fee?
2. If I need additional accommodations, who can I contact? What accommodations could be available to me?

**What can I do after graduation?**
1. How does your school help prepare students before graduation? Do you have a Career Services office? If so, how can they help?
2. What are your students doing after graduation?

Review the questions above and highlight your favorite ones to ask! Write down which schools you are interested in.

1. ____________________________________________
2. ____________________________________________
3. ____________________________________________

Are any of these schools planning to visit your high school? When? If not, ask your High School Counselor for assistance in finding out who to contact.

**Notes:** What have you learned or want to remember after contacting the Admissions Representative? Do you have any follow-up questions you want to ask?

BOISE STATE UNIVERSITY

Maybe it’s our central location at the heart of the capital-the hub of government, business, healthcare, innovation, or our strong connections with hundreds of companies and organizations in the region. Maybe it’s because we’re Idaho’s metropolitan research university, or perhaps it’s our close proximity to the adventures that lie in the foothills along the Greenbelt or down the river. Maybe it’s the cutting edge technology and academic success which fuels the University and surrounding community. No matter the reason, coming to Boise State will put you in a culture of innovation with opportunities in all the right places.

Founded in 1888, BYU-Idaho cultivates a distinctive environment in accordance with the standards of its sponsor, The Church of Jesus Christ of Latter-day Saints. While most universities are research-focused and faculty-centered, BYU-Idaho is teaching focused and student-centered. Through hands-on student instruction and leadership opportunities, students are given practical opportunities to build skills that will help them become Disciples of Christ and leaders in the workforce. As students engage in active teaching and learning, they will become a qualified leader in their families, the Church, the workplace, and the community.

College of Eastern Idaho, located in Idaho Falls, is Idaho’s newest community college offering students both AA and AS degrees (starting Spring 2018) as well as Career Technical Education. Our technical programs provide hands-on-training to give our students real world experience to prepare them to enter their chosen career. Our academic degrees provide pathways to help students get their 2 years of general education completed before transferring to a university. We pride ourselves on our small class sizes, with a student to teacher ratio of 10 to 1 in 2019-2020. Our high graduate job placement rate of 92% is another way we take care of our students. We believe in Real Education, Real Jobs for Real Life.

Nestled in the heart of Southern Idaho, CSI’s main campus is located in beautiful Twin Falls. Skiing, rock climbing, geothermal hot springs, white water rafting, fishing, and more are all less than an hour away. With off-campus locations in Gooding, Jerome, Hailey, and Burley, CSI offers over 130 degree programs, including a myriad of online classes. The 315-acre campus houses a state-of-the-art Fine Arts Center, traditional dorm-style living, the largest ropes course west of the Mississippi, over 50 student clubs, and 9 NJCAA athletic teams who have brought home 20 championships. Amid rising costs for college, The College of Southern Idaho remains one of the most affordable higher education options offering Associate degrees and technical certificates.

College of Western Idaho (CWI) is located in the Treasure Valley—the state’s cultural and economic hub. The Treasure Valley is recognized nationally as a great place to live, work, and get an education. CWI is the largest community college in Idaho and provides students an abundance of opportunities for learning. Locations include Boise, Nampa, and Online. Numerous degrees are offered fully in person, traditional online, hybrid, hyflex and remote. CWI offers affordable education with low cost per credit and access to scholarships and financial aid. With a full range of certificates and two-year degrees, transferring to a university or directly into the workforce are both great options. The quality of education at CWI competes with any college or university.

Idaho State University is a Carnegie-classified research institution located in Pocatello, with additional locations in Idaho Falls, Meridian and Twin Falls. At the heart of an outdoor-lover’s paradise, Idaho State is a short drive to some of America’s greatest natural wonders and exciting outdoor recreation opportunities. Idaho State is the state’s designated leader in the health professions, and with more than 250 academic programs and 150 student clubs and organizations, there are plenty of opportunities to become part of the Bengal community. Opportunities for undergraduate research, performing in a nationally acclaimed performing arts center, and personal interaction with faculty members are just a few of the reasons our students choose Idaho State.

Founded in 1913, Northwest Nazarene University is a comprehensive Christian university with over 80 undergraduate areas of study, 19 master’s degrees in six different disciplines, six Ed Specialist degrees and two doctoral degrees. NNU is committed to providing a transformational education that prepares its students to pursue a meaningful life rooted in timeless Christian values. NNU has more than 4,000 undergraduate and graduate students, 6,000 continuing education students, and more than 10,000 high school students who participate in the University’s concurrent credit program. NNU is accredited by the Northwest Commission on Colleges and Universities (NWCCU), a regional accrediting body recognized by the Council for Higher Education Accreditation (CHEA).
The College of Idaho has a 129-year-old legacy of excellence. The College is known for its outstanding academic programs, winning athletics tradition, and history of producing successful graduates, including seven Rhodes Scholars, three governors, and countless business leaders and innovators. Its distinctive PEAK Curriculum challenges students to attain competency in the four knowledge peaks of humanities, natural sciences, social sciences, and a professional field—empowering them to earn a major and three minors in four years. The College’s close-knit, residential campus is located in Caldwell, where its proximity both to Boise and to the world-class outdoor activities of southwest Idaho’s mountains and rivers offers unique opportunities for learning beyond the classroom.

There’s something monumental waiting for you at the University of Idaho. We call it your breakthrough — that moment the light sparks on and your future opens. Your breakthrough might happen as you study fire in our experimental forest. Cheer on Vandals football beneath our iconic Kibbie Dome. Or gather with friends on our beautiful ivy-clad campus. At Idaho’s largest research university, you explore big questions and find unexpected answers. Choose from 300 academic programs. Learn from professors with world-renowned expertise. Do real research (2/3 of undergraduates participate in hands-on experiences). Here, you awaken your mind, forge a new path, and discover what’s next for you and the world. What will your breakthrough be?
