

Grade 3 Language Usage ISAT Proficiency Level Descriptors

Advanced

Teachers observe that third grade students typically performing at the Advanced level of language usage demonstrate an in-depth understanding of grade-level skills and the writing process and can effectively connect the writing task to purpose and audience. On the ISAT Language Usage Test, third grade students typically performing at the Advanced level consistently identify a main idea and supporting details. These students also consistently recognize that writing in a variety of complete sentences and using logical word choice and correct arrangement of ideas add meaning and clarity. Students at this level regularly edit for correct sentence structure and grade-level spelling, grammar, capitalization, and punctuation.

Proficient

Teachers observe that third grade students typically performing at the Proficient level of language usage demonstrate an understanding of grade-level skills and the writing process and can generally connect the writing task to purpose and audience. On the ISAT Language Usage Test, third grade students typically performing at the Proficient level identify a main idea and supporting details. These students also recognize that writing in a variety of complete sentences and using logical word choice and correct arrangement of ideas add meaning and clarity. Students at this level edit for correct sentence structure and grade-level spelling, grammar, capitalization, and punctuation.

Basic

Teachers observe that third grade students typically performing at the Basic level of language usage demonstrate a limited understanding of grade-level skills and the writing process and can occasionally connect the writing task to purpose and audience. On the ISAT Language Usage Test, third grade students typically performing at the Basic level rarely identify a main idea and supporting details. These students also rarely recognize that writing in a variety of complete sentences and using logical word choice and correct arrangement of ideas add meaning and clarity. Students at this level demonstrate difficulty in editing for correct sentence structure and grade-level spelling, grammar, capitalization, and punctuation.
