

Minutes of the Data Management Committee (DMC) Meeting
Wednesday - September 11, 2013 – 2:00 PM MDT
Phone Call and Blackboard Session
submitted by Doug Armstrong

Meeting started about 2:00 PM.

Attending: Doug Armstrong, Linda Clark, Georgeann Griffith, Scott Grothe, Carson Howell, Todd King, Ann Lewis, Andy Mehl, and Vince Miller.

Before the meeting, Andy forwarded a copy of the user survey results of the Idaho System for Educational Excellence (ISEE). The survey was sponsored by the Idaho Association of School Administrators and the Idaho Association of School Business Officials. The survey results were reviewed by the DMC. There was discussion, but no decision, of potential follow up.

Before the meeting Andy also forwarded a copy of the draft presentation that Carson and he will present to the Legislative Interim Committee Meetings on Education. The presentation was reviewed by the group and comments were given. These meetings occurred on Thursday, September 12 at the Capitol Building.

Vince brought up the potential use of product called Footprints that ISU is using for contract management. It is very affordable and may be able to be used by the SLDS to track data requests. ISU was going to have additional training. Andy was going to see if he could attend and determine if the product would work for our needs.
