**BOARD TO INTERVIEW THREE FINALISTS FOR ISU
PRESIDENT**

The Idaho State Board of Education will interview three finalists in the running to become Idaho State University's next president.

Four finalists recently toured ISU's campuses in Pocatello, Idaho Falls and Meridian and met with students, faculty, staff and the public. At the conclusion of the campus tours, the ISU Presidential Search Committee reconvened and recommended the Board interview three finalists.

Listed in alphabetical order, they are:

- Kevin Satterlee, JD – Chief Operating Officer, Vice President and Special Counsel, Boise State University
- Charles “Chuck” Wight, PhD – President, Weber State University
- Laura Woodworth-Ney, PhD – Executive Vice President and Provost, Idaho State University

The Board will interview the ISU finalists on April 2, 2018.

The Board is also scheduled to interview finalists for Lewis-Clark State College president the next day on April 3. Five finalists have been invited to tour the LCSC campus next week in Lewiston.

ISU and LCSC have websites with more information on both presidential searches:
