TETON HIGH SCHOOL SENIOR TO RECEIVE CHECK FOR COMPLETING COLLEGE APPLICATIONS

A Teton High School senior, described by his principal as “an all-around great young man,” will receive \$200 for his college education during a presentation next week at Teton High.

Isaac Calderwood, 18 of Driggs, is the first Idaho senior to complete his college applications this year using the State Board of Education’s [Apply Idaho](#) program through the [Next Steps](#) website.

His promptness will earn him a check presented by IDEAL, the Idaho College Savings Program.

The check presentation will occur:

- Monday, May 14, 2018
- 10:30 a.m.
- Teton High School, 555 E. Ross Ave., Driggs, Idaho

The money will be deposited into an IDEAL account and will be available for Isaac to apply toward college.

“Isaac is a well-rounded student. He balances school work with his extracurricular activities and has been very successful in both areas,” his mother Ann Calderwood said.

Teton High Principal Samuel Zogg says Isaac maintained a 3.6 GPA, while participating in various sports. He is also a very kind young man to all of his classmates. “He and a group of friends reached out to his classmates that are with special needs,” Zogg said. “They made sure they felt included and part of the school.”

After graduation this spring, Isaac plans to serve an LDS mission. Upon his return, he plans to enroll in college and study biology and dermatology.
