

**Literacy Intervention Tools**  
**APPROVED VENDOR LIST**  
**Effective July 1, 2025**

The Literacy Intervention Tools Approved Vendor List request for proposals (RFP) and annual effectiveness reviews Idaho statute. This process is designed to provide information to local education agencies about available computer intervention programs to support K-3 students. Vendors that provide resources to be used by teachers or paraprofessionals those with products focused above grade three are not considered for the Approved Vendor List.

Vendor Name	Program	Review Result
Amira (previously Istation)	Amira Reading	Remain on List
Amplify	Boost Reading	New to List - Probationary (FY 27 Effectiveness Review)
Curriculum Associates	i-Ready Reading	Remain on List
Imagine Learning	Imagine Learning & Literacy	Remain on List
Lexia Learning Systems	Core5 Reading	Remain on List
MobyMax	ELA Adaptive (Reading Skills, Foundational Reading, Language)	Reinstate to List - Probationary

**APPROVED VENDOR LIST**  
**Effective July 1, 2025**

**The following programs were previously on the Approved Vendor list, but have been removed due to an inability to provide adequate K-3 data for one or more Effectiveness Reviews:** Reading Horizons Discovery program ([readinghorizons.com](http://readinghorizons.com)) and Tiny ([tinyivy.com](http://tinyivy.com)). These programs will be reconsidered if adequate K-3 data is supplied for any future Effectiveness Reviews.
