NEW EDITION OF “THE FACTS” POSTED ON THE STATE BOARD WEBSITE

The 2020 edition of the Idaho State Board of Education’s annual booklet The Facts is now available on the Board’s website:

<https://boardofed.idaho.gov/resources/fact-book/>

The Facts features high-level data about Idaho’s public higher education system including last fall’s “go-on” rate of recent high school graduates who immediately enrolled in college including career technical programs.

The booklet also features statewide high school graduation rates, enrollment and budget information for Idaho’s dual credit and Opportunity Scholarship programs, and all eight public colleges and universities.

The Facts includes links to the State Board of Education’s [Data Dashboard](#) where the public and policy makers can explore additional information about Idaho’s higher education system.
