Immediately after convening, the Board will go into executive session to “communicate with legal counsel for the public agency to discuss the legal ramifications of and legal options for pending litigation, or controversies not yet being litigated but imminently likely to be litigated.”

Upon adjournment of executive session, the Board will convene in open session as the Regents of the University of Idaho to address a complaint brought by the Office of the Attorney General alleging an Open Meeting law violation in May related to the Regents’ consideration of the University of Idaho’s request for approval to form a nonprofit entity to acquire the assets of the University of Phoenix.

The meeting agenda is posted on the State Board of Education website:
