INTRODUCTION

The Office of the Idaho State Board of Education (Board Office) facilitates the approval process.

Additional information may be found on the Idaho State Board of Education’s website at [Postsecondary Program Approval | Idaho State Board of Education](#). Educator Preparation Providers seeking a new degree or certificate program will complete the Postsecondary Program approval process in addition to the new program approval process for programs leading to educator certification.

NEW PROGRAM APPROVAL PROCESS STEPS

The new program approval process has a total of three steps as follows:

1. Preparation and Submission of the New Program Application
2. Review and Feedback
3. Determination of Approval Status

Step 1: Preparation and Submission of the New Program Application

The Educator Preparation Provider will use one or more of the following new program applications to request approval of the new program:

NEW PROGRAM APPROVAL GUIDE

- New Elementary or Secondary Program – Use New Program Application A
- New Special Education Program – Use New Program Applications A and B
- New Pupil Service Program – Use New Program Application C
- New Teacher Leader Program – Use New Program Application D
- New Administrator Program – Use New Program Application E

Flow Chart

The new program application includes the following:

- New Program Design
- Explanation how the New Program will meet the provider standards and components
- Clinical Experience Design

Upon completion, the new program application and all applicable supporting documentation is submitted to the Board Office – Educator Effectiveness Program Manager.

Step 2: Review and Feedback

After receiving a completed new program application, the Board Office will assemble and facilitate a team to review the new program application materials, to include one member of the Professional Standards Commission and members from at least two of the following groups:

- Approved Idaho Educator Preparation Program Staff
- Idaho Experts from the Field and experience with Educator Preparation Program Review
- Idaho Division of Career Technical Education Staff

The review team will assess whether the new program as proposed meets the criteria listed in the new program application. A new program that meets the criteria listed in the new program application and shows alignment to the Idaho Standards for Educator Preparation Providers (Provider Standards) will move to Step 3. The review team will use review rubrics to guide input and make the determination if the program meets the criteria listed in the new program application and shows alignment to the Provider Standards.

A new program that does not meet the criteria listed in the new program application will be returned to the Educator Preparation Provider by electronic mail and accompanied by review team feedback. The

NEW PROGRAM APPROVAL GUIDE

Educator Preparation Provider may address the feedback and resubmit a new program application to the Board Office for review as described in Step 1.

Incomplete new program applications received by the Board Office will be returned to the Educator Preparation Provider for completion.

Step 3: Determination of Approval Status

The review team will provide a program recommendation to the Board Office, for consideration by the State Board at their next regularly scheduled meeting. The Board Office will notify the Educator Preparation Provider of the date of the State Board meeting at which the new program proposal will be considered. The State Board will either approve or not approve the new program. Upon State Board approval or non-approval of the new program, Board Staff will notify the Educator Preparation Provider of the new program approval status by electronic mail. If the new program is approved by the State Board, the Educator Preparation Provider may advertise the program and recruit candidates to the program. If the new program is not approved by the State Board, the application may be revised and resubmitted. Approved new programs will be reviewed at the same time as the Educator Preparation Providers state review that typically occurs on a seven-year cycle.
