BOARD TO HOLD A SPECIAL MEETING

The Idaho State Board of Education will hold a special Board meeting on Thursday May 2, 2024, at 10:30 a.m. Mountain Time.

The purpose of the meeting is to correct an error made during the Board's April meeting when it approved Idaho State University's request to offer a Doctor of Nurse Anesthesia Practice. Board Policy requires such a request undergo an external peer review as part of the proposal. Board staff will request that the Board grant a one-time waiver of the peer review requirement and be supplanted by an external accreditation review.

The Board will also consider a request by the University of Idaho to begin the planning and design on a project to address deferred maintenance in several residential facilities and expand student housing on the Moscow campus by approximately 150 beds.

The special Board meeting agenda and meeting materials are posted on the State Board of Education website: <https://boardofed.idaho.gov/event/special-board-meeting-boise-54/>
