The meeting will resume Thursday morning February 20 at 9:30 a.m.

The agenda and meeting materials are posted on the State Board of Education's website: <https://boardofed.idaho.gov/event/board-meeting-boise-18-2/>

Agenda items include:

- Consider a request by Idaho State University to begin the planning and design phase for construction of a new Life Sciences building on its Pocatello campus.
- Consider a request by Boise State University to launch a Bachelor of Science program in Artificial Intelligence Science.

- Consider requests by Idaho State University and the University of Idaho to launch regional Doctor of Clinical Psychology (PsyD) programs.

The Board will also hear from Boise State President Dr. Marlene Tromp who will present Boise State's annual progress report. Students, faculty and staff will also address the Board on topics relating to their experiences as students and employees at Boise State.
