## **State Board President's Statement on Dr. Marlene Tromp's Upcoming Move to the University of Vermont**

On behalf of my State Board colleagues, I congratulate Boise State University President Dr. Marlene Tromp on her appointment as president at the University of Vermont.

I want to thank her for her service to Boise State. With a clear eye on student success, she successfully led the university through the pandemic.

Dr. Tromp and her team found ways to significantly increase enrollment; improve student retention and graduation rates; increase fund raising and promote Boise State throughout the country – all of which are top State Board priorities.

Dr. Tromp has much of which to be proud during her tenure at Boise State and I wish her the very best in the next phase of her career at the University of Vermont. She leaves Boise State in a great position for continued success under a new leader.

The State Board of Education will immediately begin the process to identify the next president of Boise State University.

***-Dr. Linda Clark, President, Idaho State Board of Education***
