For purposes of registration of postsecondary educational institutions and proprietary schools, the Board recognizes the regional-accreditation organizations that are recognized by and in good standing with the United States Department of Education, and which accredit entire colleges or universities, and which do not accredit only courses or courses of study (such as specialized accreditation organizations). Further, the Board may recognize other accreditation organizations on a case-by-case basis. A request for recognition of other accreditation organizations for purposes of registration should be made to the Board’s Chief Academic Officer, who will review and evaluate the request with the input and advice of the Board’s Committee on Academic Affairs and Programs (CAAP). The Board will make a final decision based on such evaluation and review. (3-30-23)()
